Kiowa Belief and Ritual Benjamin R. Kracht, 2017-07 Directed by anthropologist Alexander Lesser in 1935 the Santa Fe Laboratory of Anthropology sponsored a field school in southwestern Oklahoma that focused on the neighboring Kiowas During two months graduate students compiled more than 1 300 pages of single spaced field notes derived from cross interviewing thirty five Kiowas These eyewitness and first generation reflections on the horse and buffalo days are undoubtedly the best materials available for reconstructing pre reservation Kiowa beliefs and rituals The field school compiled massive data resulting in a number of publications on this formerly nomadic Plains tribe though the planned collaborative ethnographies never materialized The extensive Kiowa field notes which contain invaluable information remained largely unpublished until now In Kiowa Belief and Ritual Benjamin R Kracht reconstructs Kiowa cosmology during the height of the horse and buffalo culture from field notes pertaining to cosmology visions shamans sorcery dream shields tribal bundles and the now extinct Sun Dance ceremony These topics are

interpreted through the Kiowa concept of a power force permeating the universe Additional data gleaned from the field notes of James Mooney and Alice Marriott enrich the narrative Drawing on more than thirty years of field experiences Kracht's discussion of how Indigenous notions of power are manifested today significantly enhances the existing literature concerning Plains religions

The Navaho. ~ Paperbound*, Kingdom of Weeds Parker Rossman, 2008-02-20 In 1640 French explorer LaSalle was astonished to find a royal Native American kingdom northeast of New Orleans Moving along the social and political wire many of that Nachay tribe owned plantations with both white and black slaves by the early 1700s One hundred and fifty years later Major Elias Paix and his wife Princess Melissa along with the chief of the tribe sold their plantations to purchase a paddle steamer and supplies in order to establish a new town as the capital of an all Indian state Paix fought for the South alongside Robert E Lee and after the war he traveled with Chief Mather to establish the town of Yellow Creek A few years later Prince Dell son of the Major and Melissa sets off on the expedition at age fourteen He exhibits unwavering duty to his tribe and has to cope with the fallout from a hasty decision made in disobedience the loss of a beloved family member and white men encroaching upon this new settlement In fulfilling his unique punishment Dell embarks upon a political career that may just facilitate much needed unity among the Nachay tribe and other Indians Poems and Adventure Sharon Stevens, 2016-02-19 The authors slant to the subject in this book is an original approach which should appeal to a wide audience of all age groups **Red Thunder** David Matheson, 2010-11 Steeped in authentic cultural traditions and spiritual beliefs this rich and wonderful historical novel follows the times and trials of a family band of the Schi tsu umsh Indians now called the Coeur d Alene Tribe in northern Idaho Through a boy named Sun Bear and his sister Rainbow Girl the band's oral stories are told as it struggles to hold onto what is precious and sacred about life **A Stranger in Paradise** Johannes Anker Larsen, 1929 *The Ten Grandmothers* Alice Lee Marriott, 1945 Once in a blue moon which means a fairly long cycle in my case one who deals professionally with new books comes upon something that seems to him truly noteworthy and memorable a reading experience which he will cherish for the rest of his life And when this book is original and indeed unique when it achieves something that has never been done before one's impulse is to rent a billboard to hire a hall in some way to underline and emphasize the excitement and enthusiasm of his discovery so that other readers may share his pleasure This has been my experience with *The Ten Grandmothers* by Alice Marriott It was the custom of certain tribes of Indians of the Great Plains to keep a winter count or calendar of important events Each year an officially designated scribe or historian of the tribe inscribed on a specially selected and prepared buffalo hide which was a sacred tribal possession a colored pictograph commemorating the most noteworthy event of the year the happening or circumstance for which the year would be remembered in the oral literature and traditions of the tribe Miss Marriott's book is based upon such a tribal history of the Kiowas an important and tenacious nation of the southern Great Plains for more than a hundred years She has taken representative incidents from this story and built each into a unified narrative of personal experience concrete and dramatic The thirty three narratives fall into four groups reflecting the major phases of Kiowa history in the last century they are

called since Kiowa economy was based on the buffalo The Time When There Were Plenty of Buffalo The Time When Buffalo Were Going The Time When Buffalo Were Gone and Modern Times Since the same characters appear recurrently the book has the effect of a loosely constructed novel Miss Marriott is an ethnologist Her book is based on eight years of work with the Kiowas work that certainly consisted of much more than superficial interviews with aged Indians There is evidence everywhere not only of accurate scientific knowledge of the material to be presented but of profound human insight and understanding Miss Marriott is also a creative artist of extraordinary powers Her book has abundant humor drama and melodrama beauty and sordidness pathos and tragedy all presented sharply objectively with economy restraint and dignity The narrative of the long journey of Wooden Lance to see for himself and for his tribe whether the leader of the Ghost Dance movement that inspired the last desperate irrational struggle of the plains Indians against the whites had true power is unforgettable in its simplicity and reality The story of the Kiowa girl Leah s return from her years at a boarding school in the East to her family on the reservation is as true and socially significant as it is poignant and dramatic The great achievement of Miss Marriott s book is that it makes accessible to the reader of today the essence of a culture a way of life and thought now almost vanished from the earth We have an uneasy feeling that some special meaning and value for Americans of today and tomorrow must lie in the older cultures of our continent which our own has so largely displaced American writers from Longfellow on have tried with varying degrees of success to capture that meaning for us Miss Marriott s book shows that our feeling was justified No discerning reader will fail to find in the men and women who are so vivid in its pages Sitting Bear and Eagle Plume old Quanah and Spear Woman and the Kiowa boys riding in their jeep to enlist for the present World War in their vision and knowledge of life and their essential experience abundant meaning for today *Our Boys and Girls* Oliver Optic,1873 *Fairy tales for young and old* Engelbert Deusch,2023-07-27 A nice boy and a group of dwarfs help the sun find its missing son Little forest dwellers band together to rescue fairies being tormented by envious witches A ridiculed boy becomes a football star thanks to his enchanted shoes An evil ruler is taught a lesson by a basket of magic cherries And a minstrel halts an army with his music These fairy tales for young and old are as meaningful as they are versatile Classic fairy tale elements are present along with fresh interpretations Each of these many stories contains a clear moral message so typical of the genre As with the well known Grimm fairy tales many of these stories contain a nugget of wisdom that readers both big and small can take with them in life **Under Old Earth** Cordwainer Smith,2022-07-21 In *Under Old Earth* Cordwainer Smith masterfully weaves a tapestry of science fiction that explores themes of identity power and the human condition against a richly imagined universe The narrative is marked by Smith s distinctive literary style characterized by poetic prose and an intricate interplay between myth and technology Set in a far future Earth the story delves into the lives of the Instrumentality of Mankind a governing body with profound moral and ethical complexities questioning what it means to be human in a world governed by an inscrutable cosmic order while engaging with Smith s broader themes of individuality

and societal control Cordwainer Smith a pen name for Paul Linebarger was influenced by his unique background which included his experiences in both diplomacy and psychology His exposure to diverse cultures and his service in the U S military during World War II informed his perspectives on power and humanity enriching his imaginative constructs Smith s stories often reflect his belief in the transformative power of love and empathy rooted in his extensive academic pursuits in Eastern philosophy and psychology which resonated through the narratives he crafted Under Old Earth is an essential read for those interested in thought provoking science fiction that transcends mere escapism Smith s intricate world building combined with profound philosophical inquiries invites readers to ponder the complexities of freedom social structures and personal identity This novel not only captivates with its imaginative scope but also engages with timeless questions making it a valuable addition to the canon of speculative literature

The Calendar History of Kiowa Indians (Illustrated Edition) James Mooney, 2018-11-02 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices The desire to preserve to future ages the memory of past achievements is a universal human instinct as witness the clay tablets of old Chaldea the hieroglyphs of the obelisks our countless thousands of manuscripts and printed volumes and the gossiping old story teller of the village or the backwoods cabin The reliability of the record depends chiefly on the truthfulness of the recorder and the adequacy of the method employed In Asia the cradle of civilization authentic history goes back thousands of years in Europe the record begins much later while in America the aboriginal narrative which may be considered as fairly authentic is all comprised within a thousand years The peculiar and elaborate systems by means of which the more cultivated ancient nations of the south recorded their histories are too well known to students to need more than a passing notice here It was known that our own tribes had various ways of depicting their mythology their totems or isolated facts in the life of the individual or nation but it is only within a few years that it was even suspected that they could have anything like continuous historical records even in embryo The fact is now established however that pictographic records covering periods of from sixty to perhaps two hundred years or more do or did exist among several tribes and it is entirely probable that every leading mother tribe had such a record of its origin and wanderings the pictured narrative being compiled by the priests and preserved with sacred care through all the shifting vicissitudes of savage life until lost or destroyed in the ruin that overwhelmed the native governments at the coming of the white man Several such histories are now known and as the aboriginal field is still but partially explored others may yet come to light
