Sun Fire Kisses:

Fire's Kiss Ryenne Renner, The worry rolling off of him made me wrap my arms around him Babe talk to me It s just a lot Everything that just happened He chuckled Yeah I m pissed you lied to me I m pissed at Carey for blaming you for what happened I m scared of these powers I m supposed to have I m confused because I love both of you and I don t know how that works And I m sad because everything I thought I knew isn t real and I don t know what to focus on to stay grounded I keep going from pissed to scared to confused to sad What are you right this second I took a second to think about it Safe It seemed it didn t matter what life altering event I found myself in I d always feel safe in Ben s arms If you need to feel grounded you think of that You think of me I m real How I feel about you That s real What we have is real Carey He s real too He might be acting like a dick right now but that man adores you That s real I glanced up at him and he tucked the hair behind my ears We will figure out something to help you with your magic We will find the bastard who killed Trini Babe it will be okay How do you know I whispered Because the instant I saw Carey in that house I was positive I was losing you forever but I didn t You re still here he whispered You re still here and you re still mine and I ll be damned if I m going to let anything mess that up Being a vigilante when your boyfriend is a cop Never a good idea Finding out magic exists and I m half fire faerie That s a twist I didn t see coming Reading a letter I wrote to myself telling me my long lost best friend is actually my mate Yep that happened Oh but here s the best part having zero control over my powers Well that s just icing on the cake Now if someone could explain to me how I m supposed to navigate aforementioned revelations while catching the hunter killing off the people I love that would be great because the war isn t coming It s already here , **Sun Fire Kisses**
