**Bible Myths, and Their Parallels in Other Religions** Thomas William Doane, 1883      Virgin Birth Herbert M. Shelton, George R. Clements, Herbert M. Shelton, 1998 Clements affirmative Shelton negative Subjects Virgin Mother Degeneration Infinite Parthenogenesis Disastrous Science or sensationalism Which Has Man Descended from the Moon Virgin Born Freaks of Creative Thought Sex      *Christian Solar Symbolism and Jesus the Sun of Justice* Kevin Duffy, 2022-02-24 This pioneering study of Christian sun symbolism describes how biblical light motifs were taken up with energy in the early Church Kevin Duffy argues that living in a world of 24/7 illumination we need to reconnect with the sun and its light to appreciate the meaning of light in the Bible and Christian tradition With such a retrieval we can appreciate Pope Francis's insistence that like the moon the Church does not shine with its own light and assess the claim that the Eucharist is to be celebrated *Ad Orientem* that is towards the rising sun in the East Liturgy architecture poetry and the writings of saints and theologians such as Augustine Hildegard of Bingen Francis of Assisi and Thomas Traherne offer abundant resources for a much needed *ressourcement* While Christ was preached as the True Sun among sun worshipping Aztecs and the consecrated host was placed in a solar monstrance on Baroque altars in the modern era solar themes have been neglected In this accessible work the author suggests that we rebalance a spiritual symbolism that has over emphasised darkness and cloud at the expense of light and sun He proposes a creative retrieval of the traditional title of Christ as the Sun of Justice This title blends the personal the social and the cosmic ecological and speaks powerfully to a secularising era that contemporaries Friedrich Nietzsche and Thérèse of Lisieux both described as one where the sun does not shine      **Bible Myths and their Parallels in other Religions** T. W. Doane, 2023-10-04 In *Bible Myths and their Parallels in Other Religions* T. W. Doane undertakes a compelling examination of the similarities between biblical narratives and those found in various world religions Utilizing a comparative mythological approach Doane meticulously highlights striking parallels that suggest a shared cultural foundation among diverse faiths encompassing themes of creation morality and the hero's journey His literary style is characterized by clarity and critical analysis navigating theological complexities with an accessible prose that encourages inquiry into the intersections of spirituality and mythology thereby situating the work firmly in the context of 19th century biblical criticism and religious studies T. W. Doane an influential figure in the realm of religious studies was known for his keen interest in the interplay between myth and religion His scholarly pursuits were shaped by the burgeoning fields of anthropology and comparative religion of his time Doane's background in the theological debates of his era equipped him with a unique lens through which he approached the biblical texts investigating how shared symbols and motifs reveal deeper insights into the human experience of the divine This book is essential for anyone intrigued by the foundations of religious belief and the universality of myth Doane's analysis not only enriches our understanding of the Bible but also invites readers to reflect on the shared narratives that bind humanity across cultures Whether for academic study or personal

exploration this work is a vital contribution to the field of comparative religion      **Pagan & Christian Creeds** Edward Carpenter, 2018-09-20 Reproduction of the original Pagan Christian Creeds by Edward Carpenter      **The Glorious Resurrection** Hilton Hotema, 1998 1960 Chapter Headings Symbolism Ancient Science Crucified Saviors Great Mother of the Gods Mysterious Resurrection Birth of Gods Light Two Bodies in One Ancient Terminology Mystic Sleep Life Cycle Swindle of Mythography Unknown      **Eliza's Babes, Or, The Virgin's Offering (1652)** L. *The Virgin's Children* William Madsen, 2014-08-27 An absorbing account of the descendants of the ancient Aztecs and of the survival of their culture into the twentieth century in the Valley of Mexico is presented in this fascinating volume Focusing on San Francisco Tecospa a village of some eight hundred Indians who still spoke Nahuatl whose lives were dominated by supernaturalism and who observed with only slight modification much of their Aztec heritage this story bears out the anthropological principle that innovations are most likely to be accepted when they are useful communicable and compatible with established tradition Nowhere is the Indian genius for combining the old and the new better exemplified than in the story of how the Virgin of Guadalupe came to fulfill the role formerly played by the pagan goddess Tonantzin and of how Christian saints replaced the Aztec gods At the time of this study the Tecospan still called the Catholic Virgin Tonantzin but their concept of the mother goddess had changed profoundly since Aztec times Tonantzin the Pagan a hideous goddess with claws on her hands and feet and with snakes entwining her face wore a necklace of hearts hands and skulls to represent her insatiable appetite for corpses Tonantzin the Catholic also called Guadalupe is a beautiful

and benevolent mother deity who repeatedly stays God's anger against her Mexican children and answers the prayers of the poorest Indian with no thought of return In Tecospa the road to social recognition lay in the performance of religious works and the neglect of ritual obligation subjected both the individual and the community to the anger of supernaturals who punished with illness or other misfortune Religion was inextricably a part of every phase of life and it is the whole life of the Aztec that is recorded here fiesta clothing food agricultural practices courtship marriage pregnancy and childbirth death witchcraft and its cures medical practices and attitudes houses and home life ethics and the hot cold complex that classifies everything in the Tecospan universe from God to Bromo Seltzer With a marked simplicity of style and language William Madsen has produced a profoundly significant anthropological study that is delightful reading from the first sentence to the last The drawings the work of a ten year old Tecospan lad are remarkable for their penetrating insight into the culture
