Sundance Murders:

American Murder Mike Mayo, 2008-02-01 How would you treat a murderer If you re from Hollywood and he s notorious you might turn him into a folk hero Separate the facts from the many legends and revisions that have blossomed around these killers in this frightening look at the bloody real lives of movie s infamous antiheroes You ll find a blood curdling assortment of the criminal elite in American Murder Criminals Crime and the Media a rogue s gallery of our most famous killings killers and other scoundrels and some that ought to be more famous than they are A collection of high profile murderers gangsters assassins psychopaths such as O J Amy Fisher Robert Blake Susan Smith Claus Von Bulow the Menendez brothers Jeffrey Dahmer Ted Bundy John Wayne Gacy Richard Speck Al Capone Pretty Boy Floyd Bugsy Siegel Jesse James John Dillinger Charles Manson Albert Fish T Cullen Davis Ronald DeFeo Jr Edmund Kemper Beulah Annan Bonnie and Clyde Billy the Kid Charlie Starkweather as well as an assortment of lesser known killers with some incredible tales With numerous photos and illustrations this tome is richly illustrated and its helpful bibliography and extensive index add to its usefulness American Murder explores the legends as depicted in movies stories and songs You d not want to meet any of them in person either the real or Hollywood versions **The St. Elmo Murders** Keith R. Ostling, 2014-09-21 This is the third in a three novel series featuring Dan and Etta Currie A mysterious telegram from Matt Halliday an old friend led Dan Currie to travel to 1880s St Elmo a gold mining boom town high in the Colorado Rockies When he arrived his friend lay mortally wounded Halliday died in Currie s arms Currie vowed he would not leave St Elmo until Halliday s murderer was captured Dan s investigation led him to try to unravel the complex web of alliances and animosities that were the seamy underbelly of St Elmo With the help of a newspaper publisher and another old friend Currie was slowly but surely sorting out the players The murderer apparently worried that Currie was getting too close made several unsuccessful attempts on Currie s life Would Currie figure it out before they killed him **Life and Death on the Mormon Frontier** Stephen C. LeSueur, 2023-06-06 This thoroughly researched and vivid account examines a murderous spree by one of the West s most notorious outlaw gangs and the consequences for a small Mormon community in Arizona s White Mountains On March 27 1900 Frank LeSueur and Gus Gibbons joined a sheriff s posse to track and arrest five suspected outlaws The next day LeSueur and Gibbons who had become separated from other posse members were found brutally murdered The outlaws belonged to Butch Cassidy s Wild Bunch gang Frank LeSueur was the great uncle of the book s author Stephen C LeSueur In writing about the Wild Bunch historians have played up the outlaws daring heists and violent confrontations Their victims serve primarily as extras in the gang s stories bit players and forgotten names whose lives merit little attention Drawing upon journals reminiscences newspaper articles and other source materials LeSueur examines this episode from the victims perspective Popular culture often portrays outlaws as misunderstood and even honorable men Robin Hood figures but as this history makes clear they were stone cold killers who preferred ambush over direct confrontation They had no qualms about

shooting people in the back The LeSueur and Gibbons families that settled St Johns Arizona served as part of a colonizing vanguard for the Church of Jesus Christ of Latter day Saints popularly known as Mormons They contended with hostile neighbors an unforgiving environment and outlaw bands that took advantage of the large mountain expanses to hide and escape justice Deprivation and death were no strangers to the St Johns colonizers but the LeSueur Gibbons murders shook the entire community the act being so vicious and unnecessary the young men so full of promise By focusing the historian s lens on this incident and its aftermath this exciting Western history offers fresh insights into the Wild Bunch gang while also shedding new light on the Mormon colonizing experience in a gripping tale of life and death on the Arizona frontier Praise for Life and Death on the Mormon Frontier Stephen LeSueur takes the reader on a ride into the dark murderous world of the Wild Bunch in the Mormon settlements of the Utah Arizona frontier A compelling deeply researched and well written study that will grab the attention of Old West historians Daniel Buck co author of The End of the Road Butch Cassidy and the Sundance Kid in Bolivia Stephen LeSueur unearths the circumstances that led a gang of outlaws to kill Frank LeSueur the author s great uncle and Gus Gibbons near St Johns Arizona in 1900 LeSueur punctures popular myths about the Wild Bunch but the true history of poverty faithfulness criminality and family is more compelling and just as wild It s a hard book to put down John G Turner author of Brigham Young Pioneer Prophet Unlike romanticized versions of Western bandits Life and Death on the Mormon Frontier portrays a grittier authentic Old West in a manner that draws the reader into another era As a descendant of one of the many victims of Butch Cassidy s Wild Bunch LeSueur thoroughly and compellingly recounts the murder and its devastating effect on the family something often overlooked In the current climate of winking at contemporary scofflaws it is good to be reminded that character still counts and that its opposite still destroys Gregory A Prince author of David O McKay and the Rise of Modern Mormonism and Leonard Arrington and the Writing of Mormon History

The Murder of Crazy Horse Raven Walker, 2000-12 In one week at the Battles of the Rosebud and the Little Bighorn the military genius of Crazy Horse whipped the U S Army twice using primitive weaponry and notoriously undisciplined warriors Only the horse and maneuver were at his advantage But Crazy Horse lost his war was brought down to surrender and finally in a web of intrigue and cabal worthy of Shakespeare murdered and

wiped from the face of the earth Naturally his life was both glorified and distorted by both sides red and white while the truth of his remarkably destiny lay buried and kept secret for 125 years To the redman Crazy Horse became the symbol of once greatness Some so deified him that his resurrection from the dead is foretold Indeed his generosity was renown and worthy of Jesus To the whiteman he became an embarrassment and an enigma History says he was a solitary laconic man untamed and recalcitrant yet he taught thousands of Sioux warriors the art of war in terms Frederick the Great and Stonewall Jackson would have understood Clearly Crazy Horse was a great communicator one with deep sympathy with his people The recorded history of his last days are full of massive contradiction The eye witness accounts the most divergent of all What kind of man was Crazy Horse really Only the literary art of tragedy is left to answer *Infamous Murders and Mysteries* Robert J. Murder Most Rare Michael D. Kelleher,C. Kelleher,1998-02-28 While the short lethal careers of serial killers such as Jeffrey Dahmer and Andrew Cunanan terrorize the public and provide morbid inspiration for the entertainment industry few people realize that it is the female serial killer seldom heard of who deserves most to be feared Murder Most Rare provides startling information about the female serial murderer who is shown to be far more deadly and determined difficult to apprehend and complexly motivated than her male counterpart While serial murder by women is relatively rare a surprising number of female serial killers are identified by the authors nearly 100 in this century with half of them having committed their crimes in America By examining these women s backgrounds motives and methods of killing the book sheds new light on dozens of overlooked cases of murder and uncovers callous crimes and passions gone awry After a thought provoking exploration of the cultural biases that have caused us historically to dismiss and ignore the criminal potential of women Murder Most Rare divides female serial murders for the first time into seven categories Black Widow Angel of Death Sexual Predator Revenge Profit or Crime Team Killer and Question of Sanity These seven types vary widely in motivation choice of victims weapons and methods The authors reveal patterns that occur within the types but stress that the complicated nature of these women s crimes makes personality profiling almost impossible a fact that causes the jobs of homicide investigators to be difficult indeed sometimes impossible This is a uniquely personal look into a dark shocking world

Police State Gerry Spence,2024-06-04 How does America founded on the promise of freedom for all find itself poised to

become a police state In *Police State* legendary country lawyer Gerry Spence reveals the unnerving truth of our criminal justice system In his more than sixty years in the courtroom Spence has never represented a person charged with a crime in which the police hadn't themselves violated the law Whether by hiding tampering with or manufacturing evidence by gratuitous violence and even murder those who are charged with upholding the law too often break it Spence points to the explosion of brutality leading up to the murder of Freddie Gray in Baltimore insisting that this is the way it has always been cops get away with murder Nothing changes *Police State* narrates the shocking account of the Madrid train bombings how the FBI accused an innocent man of treasonous acts they knew he hadn't committed It details the rampant racism within Chicago's police department which landed teenager Dennis Williams on death row It unveils the deliberately coercive efforts of two cops to extract a false murder confession from frightened and mentally fragile Albert Hancock along with other appalling evidence from eight of Spence's most famous cases We all want to feel safe But how can we be safe when the very police we pay to protect us instead kill us maim us and falsify evidence against us Can we accept the argument that cops may occasionally overstep their boundaries but only when handling guilty criminals and never with us Can we expect them to investigate and prosecute themselves when faced with allegations of misconduct Can we believe that they are acting for our own good Too many innocent are convicted too many are wrongly executed The cost has become too high for a free people to bear In *Police State* Spence issues a stinging indictment of the American justice system Demonstrating that the way we select and train our police guarantees fatal abuses of justice he also prescribes a challenging cure that stands to restore America's promise of liberty and justice for all *Harper's Weekly*, 1908
