Perez,2017-06-03 Have you ever wondered the need to understand spiritual psychology and

why it is important Spirit attachment happens on an average regular basis occasionally without us knowing Have you ever wondered why Native Americans participate in sweat lodge ceremonies held in the day time Blacking out of the sun a solar eclipse happens in the daytime allowing with ease to purify and heal from within Creating the absolute perfect eclipse out with the bad in the good The 21 August 2017 eclipse across the United States can be energy purifying when understood how to do so Raindrops Keep Falling on My Head Ian Redford,2013-11-14 In an era before big money arrived Ian Redford the son of a Perthshire farmer was stigmatised as football s rich kid But in reality there was no silver spoon And at an early age when it was discovered that Redford was completely deaf in one ear he was advised not to play contact sport of any kind But this did not deter him from pursuing his dream of being a professional footballer At the age of 16 Ian Redford s career took off when he made his debut for Dundee FC and at the age of 19 he broke the Scottish transfer record when he signed for Glasgow Rangers for GBP 210 000 After nearly six years in Glasgow Redford returned east to play for Dundee United under the notorious Jim McLean and his career reached new and unexpected heights Football has been a key part of Ian Redford s life but behind the success and the goals his family has been touched by tragedy When Ian was seven years old his baby brother contracted leukemia and his death five years later devastated Ian s family It was an event the family would never recover from but it also gave the young Ian Redford the motivation to succeed which he channelled into his football It was the start of his own journey which gave him challenges and opportunities he could never have dreamt of Insightful moving and entertaining Ian Redford s autobiography is a fascinating read throughout as his journey takes him from rural Perthshire to the biggest football stages and on to amongst other things a spell as a FIFA registered players agent and brief career as a businessman in Eastern Europe with Sergei Baltacha as they discovered how not to deal with the local Russian mafia *A Shot Story* David Borkowski,2015-08-27 The botched robbery didn t do it Neither did the three gunshots It wasn t until he was administered last rites that David Borkowski realized he was about to die at age fifteen *A Shot Story* From Juvie to Ph D is a riveting account of how being shot saved his life and helped a juvenile delinquent become an esteemed English professor Growing up in a working class section of Staten Island David and his friends thought they had all the answers They knew where to hang out without being hassled where to get high and what to do if the cops showed up But when David and his friend called in a pizza order so they could rob the delivery man things didn t turn out as they d planned Staring down the barrel of a gun David and his friend panicked and took off as the cop fired Convinced the cop was shooting harmless salt bullets David darted through lawns as the cop gave chase Much later when David was bleeding to death did the cops realize they had hit one of their own the son of a fellow cop Borderline illiterate at the time of the shooting David took his future into his own hands and found salvation in books But his attempts to improve his life were stymied by lack of familial support Bound on all sides by adults who had no faith in his ability to learn or to succeed David persevered and earned his Ph D Funny and poignant but always honest and reflective *A Shot Story* tracks David Borkowski s life before and after the accident

and tells how his having been a rather unremarkable student may have been a blessing in disguise A wonderful addition to the working class narrative genre A Shot Story presents a gripping account of the silences of working class culture as well as the male subculture of Staten Island Through his heartfelt memoir Borkowski explores the universal lesson of turning a wrong into a rite of passage
