**The HTML of Cruciform Love** John Frederick,Eric Lewellen,2019-03-12 The topic of

the Internet is vastly underrepresented in the current literature on the intersection of technology and theology Studies on Internet theology are certainly viewed as a topic of special interest relevant it might be thought only to eccentric academics and tech geeks Yet this book contends that there is no topic more pertinent to our daily walk as contemporary followers of Jesus Christ than the theological implications of the Internet The twelve essays of this volume though standalone pieces also work in conjunction to investigate the themes of community and character formation in the digital realm A host of interrelated sub themes are represented in the book including the application of patristic theology to contemporary Internet praxis a demonology of the Internet virtue ethics in cyberspace and studies that consider the implications of Internet technology on aesthetics personhood and the self Together the chapters work toward a collaborative constructive cruciform theology of the Internet The Internet is more than a supplementary component to our personal lives rather it is a medium of vital connection for the digital communion of the saints through the HTML of cruciform love

*Purifying the Consciousness in Hebrews* Joshua D. A. Bloor, 2023-02-23 Joshua D A Bloor argues that the purification of the consciousness of sin via Jesus perpetual heavenly blood offering is a vital motif for understanding Hebrews sacrificial argumentation and vice versa Jesus objective earthly achievements are many yet only his subjective heavenly blood offering purges the heavenly tabernacle and subsequently the consciousness of sin Bloor views the Levitical cult as having a positive role in Hebrews with Levitical guilt foreshadowing and informing Hebrews notion of the consciousness of sin Levitical sacrifices could purge the consciousness but only Jesus heavenly blood can offer complete perpetual purgation This blood is a qualitative type of purgation which continually speaks in heaven offering eternal assurance for the recipients regarding their consciousness of sin Bloor begins with the defiled consciousness and situates the world of Hebrews within cultic defilement enabling the consciousness of sin and its cosmic implications to be properly understood From here the solution to a defiled consciousness is explored by examining Hebrews cultic argumentation Bloor highlights the distinctive purposes inherent in both Jesus earthly and heavenly achievements with the latter concerned particularly with Yom Kippur imagery and the purgation of the consciousness Bloor concludes by differentiating between Jesus session present heavenly activity and perpetual heavenly blood offering Throughout this volume Bloor engages critiques and advances current discourse concerning the nature and timing of Jesus offering in Hebrews

*Jesus' Death and Heavenly Offering in Hebrews* R. B. Jamieson, 2019 Examines Hebrews exposition of Jesus death his self offering in heaven at his ascension and the link between them
