imprisoned in the Obodovka ghetto located in the Romanian occupied part of Ukraine Unlike the areas under German control where Jews faced systematic extermination survival rates were marginally higher under Romanian occupation as soldiers there did not pursue mass executions with bullets Despite this most of the ghetto s inhabitants succumbed to starvation and disease during the harsh first winter Journalist Julie Masis captures this lesser known chapter of the Holocaust through the memories of her grandfather Shlomo Masis a survivor who lived to the remarkable age of 102 His recollections reveal stories of resilience including how some Ukrainians aided the Jews in the ghetto Masis also delves into a poignant family legend about a German medic who reportedly fell in love with her Jewish grandmother This narrative sheds light on both the horrors and the unexpected human connections that emerged during one of history s darkest periods [The Malibu Cookbook](#)
