Second Vatican Council the recent biblical historical and theological scholarship and contemporary issues arising in American culture More specifically behind these homilies there stand unobtrusively the philosophical theological thinking of Karl Rahner and Bernard Lonergan the historical work of Bernard McGinn on the Christian mystical tradition and the outstanding biblical scholarship of N T Wright And yet my homilies attempt to remain faithful to the Mass readings and to the catechism of the hearts of those worshipping and prayerfully drinking in God s word addressed to them Those who have heard them claim they are deep existential exceptional and timely

Sunday Mornings at Norwood Samuel Augustus Tipple,1883 The Apocryphal Sunday Uta Heil,2023-10-17 A range of apocryphal and pseudepigraphic texts from Late Antiquity points to the importance of Sunday as a holiday for baptized Christians First and foremost is the so called Letter from Heaven which has experienced a broad and long lasting reception up to modern times although it was also criticized as a forgery from its beginning Unfortunately these texts have not received sufficient attention so far This volume presents various versions of the Letter from Heaven as well as other texts the pseudepigraphic Acts of the Synod of Caesarea pseudepigraphic sermons of Eusebius of Alexandria John Chrysostom and Basil of Caesarea passages from the Didascalia or Diataxis of Jesus Christ the Second Apocryphal Apocalypse of John the Visio Pauli a sermon of Sophronius of Jerusalem and the Apocalypse of Anastasia together with a translation and commentary An introduction tells the story of this letter and integrates it and the other texts into the cultural history of Sunday It becomes clear that Sunday as a day of rest and a feast day was not in the foreground of the development of an ecclesiastical festival calendar for a long time although Emperor Constantine enacted a law on holiday rest on Sunday in 321 CE Sunday rather marks the end of the Christianization of time and the calendar when Easter Pentecost Christmas and martyrs feasts were already taken for granted The authors of these texts obviously wanted to accelerate this process which is why an anonymous person even resorted to presenting Christ himself as the author of this letter Here severe punishments are threatened to all who do not observe Sunday who work as if it were a weekday and who skip worship The broad tradition shows that the letter was read and distributed despite all the criticism and was even turned into an early form of a chain letter *Sermons on the International Sunday-school Lessons for ... Series* Monday Club,1875 *Sermons on the International Sunday-school Lessons for 1876-19* Monday Club (Boston).,1875
