Commission of Soldiers' Orphan Schools, 1914 **American Horrors** Gregory Albert Waller, 1987 Since the release of Rosemary's Baby in 1968 the American horror film has become one of the most diverse commercially successful widely discussed and culturally significant film genres Drawing on a wide range of critical methods from close textual readings and structuralist genre criticism to psychoanalytical feminist and ideological analyses the authors examine individual films directors and subgenres In this collection of twelve essays Gregory Waller balances detailed studies of both popular films Night of the Living Dead The Exorcist and Halloween and particularly problematic films Don't Look Now and Eyes of Laura Mars with discussions of such central thematic preoccupations as the genre's representation of violence and female victims its reflexivity and playfulness and its ongoing redefinition of the monstrous and the normal In addition American Horrors includes a filmography of movies and telefilms and an annotated bibliography of books and articles about horror since 1968 *Annual Report of the Superintendent of Soldiers' Orphans of Pennsylvania for the Year* Pennsylvania. Superintendent of Soldiers' Orphans, 1910 Contains information on various Pennsylvania military orphan schools including description activities and finances with some registers of students *Bringing the Kingdom* Kevin Brown, 2018-01-18 People have used the Bible for a variety of purposes over the course of the past two thousand years unfortunately many of those uses have reinforced power structures and systems that oppress and dominate those without privilege Worst of all people have used the Bible as a means to divide humanity into those who are worthy of salvation and those who are not However if we look at the lectionary readings especially the gospels we can see that God actively seeks to undercut and subvert systems of power and God calls Christians to do the same Through an examination of Jesus's teachings with support from a wide variety of other parts of the Bible we can see that ideas of social justice and true liberation run throughout God's message to humanity Rather than focusing on who gets into heaven and who doesn't Jesus seeks to proclaim God's love for all humanity By reading the Bible this way and attempting to live up to Jesus's call we can seek to bring the kingdom to our world as it is in heaven *Theological Reflections for Sundays and Solemnities of Liturgical Year B* Clemente De Dios Oyafemi, 2012 With generosity Fr Oyafemi has organized for the hearer of the Sacred Word of God a written record that compels us to revisit our conversation with the Triune God This collection of homilies is a treasure that reminds the reader hearer of the many ways that we are afforded to receive what God is always freely giving In this book there are many blessings to be received many blessings to share and a great deal to think about May the readers be delighted and encouraged to keep on talking with our awesome God REV DAVID JONES PASTOR ST BENEDICT THE AFRICAN EAST ARCHDIOCESE OF CHICAGO In this literary endeavor Fr Clem demystifies the scriptural readings for Sunday Masses and Solemnities throughout the liturgical year B and clearly points

out their significance to every believer He illuminates the contextual implications of those readings in concrete historical human conditions This book is a great companion to help us navigate through life

**The Plum Trees** Victoria Shorr,2025-04-25 A poignant tale about one woman's quest to recover her family's history and a story of loss and survival during the Holocaust Consie is home for a funeral when she stumbles upon a family letter sent from Germany in 1945 which contains staggering news Consie's great uncle Hermann who was transported to Auschwitz with his wife and three daughters might have escaped This seems improbable to Consie Did people escape from Auschwitz Could her great uncle have been among them What happened to Hermann Did anyone know These questions are at the root of Consie's excavation of her family's history as she seeks seventy years after the liberation of Auschwitz to discover what happened to Hermann The Plum Trees follows Consie as she draws on oral testimonies historical records and more to construct a visceral account of the lives of Hermann his wife and their daughters from the happy days in prewar Czechoslovakia through their internment in Auschwitz and the end of World War II The Plum Trees is a powerful intimate reckoning with the past

**Monsters of Film, Fiction, and Fable** Lisa Wenger Bro,Mary Ann Gareis,Crystal O'Leary-Davidson,2018-07-27 Monsters are a part of every society and ours is no exception They are deeply embedded in our history our mythos and our culture However treating them as simply a facet of children's stories or escapist entertainment belittles their importance When examined closely we see that monsters have always represented the things we fear that which is different which we can't understand which is dangerous which is Other But in many ways monsters also

represent our growing awareness of ourselves and our changing place in a continually shrinking world Contemporary portrayals of the monstrous often have less to do with what we fear in others than with what we fear about ourselves what we fear we might be capable of The nineteen essays in this volume explore the place and function of the monstrous in a variety of media stories and novels like Baum's Oz books or Gibson's Neuromancer television series and feature films like The Walking Dead or Edward Scissorhands and myths and legends like Beowulf and The Loch Ness Monster in order to provide a closer understanding of not just who we are and who we have been but also who we believe we can be for better or worse
