Dan E. Bailey

Sunken Secrets Of World War II The Legacy Of Truk Lagoon:

Bowker's Complete Video Directory ,2000 **School Library Journal** ,1996 *Sub-aqua Magazine* ,1978

Video Source Book Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction **Dive Truk Lagoon, 2nd Edition** ROD. MACDONALD,2023-06-30 The 50 mile wide lagoon of Truk Atoll far out in the remote expanses of the Pacific is quite simply the greatest wreck diving location in the world Scores of virtually intact Japanese WWII wrecks of transport ships still filled with cargoes of tanks trucks artillery beach mines shells and aircraft rest in the crystal clear waters of the lagoon along with two Japanese destroyers and one submarine each today a man made reef teeming with sea life The seemingly impregnable fortress islands of Truk Atoll were a powerful air base and the main forward anchorage for the Imperial Japanese Navy IJN On 4 February 1944 a daring 2 000 mile long range U S reconnaissance flight revealed the Truk lagoon to be full of the might of the Imperial Japanese Navy along with scores of large supply ships and transports The Allies decided to attack immediately Sensing this the Imperial Japanese Navy scattered but the merchant ships remained as crews rushed to offload their war cargoes Task Force 58 codename Operation HAILSTONE was formed for an immediate attack In total secrecy nine U S aircraft carriers steamed towards Truk supported by a screen of battleships cruisers destroyers and submarines At dawn on 17 February 1944 an initial fighter sweep of Truk by 72 F6F Hellcat fighters roared in over Truk under Japanese radar catching the Japanese by complete surprise The Hellcats immediately began strafing Japanese airfields and soon hundreds of aircraft were involved in one of the largest aerial dogfights of WW II With air superiority established U S dive bombers and torpedo bombers spent two days sinking all the large ships trapped in the lagoon In 1969 Jacques Cousteau located and filmed many of the wrecks the resulting TV documentary Lagoon of Lost Ships went viral Truk s secret was out the beautiful wrecks untouched since WWII have proved an irresistible lure for thousands of divers each year since then New illustrations of most of the previously unillustrated wrecks have now been specially created to make this book the most comprehensive guide to diving Truk Lagoon that has ever been produced *Ghost Fleet - World War II Treasures of Truk Lagoon* Larry McLean,2018-10-31 Ghost Fleet is a historical diver s guide to the shipwrecks of Truk Lagoon This book covers the history culture Japanese occupation the disappearance Amelia Earhart and up to date illustrations of submerged wrecks of Truk Truk Lagoon Micronesia is the largest coral atoll on the planet Discovered by the Spanish and occupied by German traders in the late 1800s Truk is leading destination for authentic shipwreck exploration Ghost fleet is intended for those interested in diving into WWII history those who fantasize about diving the wrecks of Truk and those who make the investment to put their fins in the water for the first hand exploration of the shipwrecks of Truk World War II Dan E. Bailey,1992-06-01 **WW II Wrecks of the Kwajalein and Truk Lagoons** Dan E. Bailey,1982 **War Graves:** Rob Atherton,2020-06-27 Few people will have heard of Truk

Lagoon let alone be able to find it on a map but for scuba divers it is considered the best place in the world for wreck diving During World War II the modern day Chuuk State part of the Federated States of Micronesia was a strategic Japanese stronghold in the Pacific Unwilling to launch a land invasion the United States attacked the Japanese shipping in Truk in February 1944 sinking dozens of ships in Operation Hailstone After the war ended these vessels remained untouched until Jacques Cousteau and his team visited in 1969 and began to uncover the numerous ship wrecks Within a few years a diving industry to this remote location was born This is the story of how the Japanese gained control of Truk as they looked to expand their empire following the end of World War I We explore the events in the build up to war in the Pacific to provide some context around the story of Truk Lagoon The waters of Truk conceal dozens of wrecks These are war graves but in addition each of the wrecks also has a story of its own 75 years on from Operation Hailstone the world is a very different place and as a planet we face ever growing conservation challenges The wrecks of Truk Lagoon are no different as they face challenges of their own as they slowly crumble away

Hailstorm Over Truk Lagoon, Second Edition Klaus

Lindemann,2005-09-01 Hailstorm Over Truk Lagoon remains the authoritative reference book about the US Navy carrier raid of 17 18 February 1944 on the Japanese naval and supply base Truk in the East Caroline Islands This edition presented here adds later information and pictures to the book and corrects errors The new discoveries and other changes as well as new information made it necessary to issue a revised edition of Hailstorm over Truk Lagoon The text of this edition has been generally updated to 1990 New finds observations or conditions seen at the popular wrecks during my diving visit in spring 1991 have been incorporated All this is part of the ongoing research about Truk From the Foreword

The Ghosts of Truk

Lagoon Jc Reardon,2025-02-22 The Battle of Truk Lagoon also known as Operation Hailstone took place between February 16 and 17 1944 during World War II It was a significant naval air attack conducted by the United States against the Japanese naval base at Truk Lagoon which was one of the most important and heavily fortified Japanese strongholds in the Pacific Key Points about the Battle of Truk Lagoon Location Truk Lagoon now known as Chuuk Lagoon is located in the Caroline Islands in Micronesia It was a major Japanese naval base that supported the Imperial Japanese Navy in its operations throughout the Pacific Japanese Defenses Truk Lagoon was a heavily fortified base that housed a significant portion of Japan s naval fleet including aircraft carriers battleships cruisers and destroyers The Japanese also had aircraft stationed on the island and had built strong defenses making it a formidable target U S Strategy The U S Navy under the command of Admiral Chester W Nimitz planned the attack as part of its island hopping strategy aiming to neutralize Japan s fortified bases and eliminate their ability to use the area as a staging point for further military operations The attack was designed to weaken Japanese naval and air power in the Pacific The Attack The U S Navy launched the attack with aircraft from Task Force 58 a carrier task force American planes including B 24 Liberators P 38 Lightnings and TBF Avengers bombed and strafed Japanese ships aircraft and installations in the lagoon and on the island of Truk The attack was carried out in two waves over two days with

American forces hitting the harbor and its infrastructure targeting both ships and aircraft The Japanese were caught off guard and many of their ships were sunk or heavily damaged including destroyers cruisers and cargo ships Aftermath The U S struck a devastating blow to the Japanese fleet Over 50 ships including 8 warships were either sunk or severely damaged and over 275 aircraft were destroyed The lagoon became a massive graveyard of wrecked ships and planes severely weakening Japanese naval capabilities in the Pacific Significance The battle was a key turning point in the Pacific War It crippled Japanese maritime and air power in the region and disrupted their ability to stage operations in the Central Pacific Truk Lagoon remained an important objective for the U S to neutralize in the effort to push the Japanese back Today Truk Lagoon is known for being one of the best wreck diving sites in the world where numerous shipwrecks from the battle can still be explored

Ghost Fleet of the Truk Lagoon, Japanese Mandated Islands William H. Stewart,1985 WW II Wrecks of the Truk Lagoon Dan E. Bailey,2000 **Hailstorm Over Truk Lagoon** Klaus P. Lindemann,1991 **Truk Lagoon** Mitchell Sam Rossi,Mitchell S Rossi,1988-06 *Underwater Museums* Brandi Mueller,2024-11-05 Dive into the submerged history of the Pacific theater of WWII where ships planes submarines and military surplus rest beneath the waves Explore the underwater museums preserved in time through stunning photography from award winning photographer Brandi Mueller and captivating firsthand stories of diving the wrecks and the history of how they came to rest at the bottom of the sea From airplanes lost in the depths of Guadalcanal and Sherman tanks swamped off the coast of a beach in Saipan to medicine bottles deep within a ship intended for American soldiers in Vanuatu WWII left behind an abundance of relics underwater Mangled metal associated with destruction and lost lives litter the seafloor of the Pacific theater The wrecks have been transformed into prolific coral reefs teeming with fish and life Go on an adventure to the underwater museums of little known Kwajalein Atoll the world famous wreck diving destination Truk Lagoon Guam where two WWI and WWII ships touch an anchorage in the Philippines where a fleet of Japanese ships that thought they were safe and out of range of US aircraft and the WWII ships submarines and planes that rest at the bottom of Bikini Atoll after finishing out their service as targets for Operation Crossroads This journey into the past will immerse you in extraordinary locations and includes stunning images and captivating firsthand stories from visiting these captivating museums

Dawn of Infamy Stephen Harding,2016-11-22 New York Times bestselling author Stephen Harding explores the little known episode of a US cargo ship that mysteriously vanished along with her crew hours before the attack on Pearl Harbor marking the start of a global conflict and sparking one of the most enduring nautical mysteries of the war *Kaiten* Michael Mair,Joy Waldron,2015-04-07 In November 1944 the U S Navy fleet lay at anchor deep in the Pacific Ocean when the oiler USS Mississinewa exploded Japan s secret weapon the Kaiten a manned suicide submarine had succeeded in its first mission The Kaiten was so secret that even Japanese naval commanders didn t know of its existence And the Americans kept it secret as well Embarrassed by the attack the U S Navy refused to salvage the sunken Mighty Miss Not until 2001 when a diving team

located the wreck would survivors learn what really happened In Kaiten Michael Mair and Joy Waldron tell the full story from newly revealed secrets of the Kaiten development and training schools to gripping firsthand accounts of U S Navy survivors in the wake of the attack as well as the harrowing recovery efforts that came later INCLUDES PHOTOGRAPHS Field
