Resurrecting the First Great American Play Sämi Ludwig,2020-02-18 In the mid eighteenth century the Ottawa chief Pontiac also spelled Ponteach led an intertribal confederacy that resisted British power in the Great Lakes region This event was immortalized in the play Ponteach or the Savages of America A Tragedy attributed to the infamous frontier soldier Robert Rogers Never performed it is one of the earliest theatrical renderings of the region depicting its hero in a way that called into question eighteenth century constructions of Indigenous Americans S mi Ludwig contends that Ponteach s literary and artistic merits are worthy of further exploration He investigates questions of authorship and analyzes the play s content embracing its many contradictions as enriching windows into the era In this way he suggests using Ponteach as a tool to better understand British imperialism in North America and the emerging theatrical forms of the Young Republic
