Sonny Pamela A. Clark, 2011-01-31 Pamela lost her dad when she was three Later she begins a search to find a grandfather presented by such a loss Armed with a mission to find him the facts start to skew Clues twist and turn and then entwine to such a degree she bumps into her dad s story and learns the only way to find the man fate chose to leave behind is that first she must go through her dad Both in the search both on the same path but forty years apart do the gods lead them to the one they want so desperately to find Fourteen and growing up in the streets Sonny cant wait to leave he lives for the day he can put all the shame behind him But with the hard times that have hit the country and the fact all the kids depend on him where would he go Its not as if he has a direction All he has in this world is his brother Paul and even though Paul has him by a few years the big guy depends on him too Naw labeled bastards since as far back as they can remember its just he and Paul against the rest of them Forced to be the responsible one he will bide his time and deal with the chaos and turmoil as it comes That is until he finds out the secret kept one that ignites a fire so strong that without thought leads him on a journey that will take him to all but two of the forty eight states in the Union Join him on his mission Share his thoughts Share his dreams Life now his school meet those that help shape the man he grows up to be Travel with him through a period of time when millions of Americans are on the same path A period of history now known as the Great Depression they re all looking for a better life all that is except one Sonny isnt looking for a better life he is looking for his life but they call me Sonny is a book based on a real life Does he have a dad If so where is he Why would the man take off and leave him alone with Susie Can he fill the void that aches in his heart and is it true was he robbed of the life he was born to live Who are these strangers standing over your grave not knowing your story and you not knowing theirs We are the ones that know where you lie yet we are the ones that wont let you die Maybe this story will comfort our hearts to bring us closer and not so far apart We always wondered we were always sad and all we could do is call you Dad Jazz and Death Frederick J. Spencer, M.D., 2009-10-20 When a jazz hero dies rumors speculation gossip and legend can muddle the real cause of death In this book Frederick J Spencer M D conducts an inquest on how jazz greats lived and died pursuing their art Forensics medical histories death certificates and biographies divulge the way many musical virtuosos really died An essential reference source Jazz and Death strives to correct misinformation and set the story straight Reviewing the medical records of such jazz icons as Scott Joplin James Reese Europe Bennie Moten Tommy Dorsey Billie Holiday Charlie Parker Wardell Gray and Ronnie Scott the book spans decades styles and causes of death Divided into disease categories it covers such illnesses as ALS Lou Gehrig s Disease which killed Charlie Mingus and tuberculosis which caused the deaths of Chick Webb Charlie Christian Bubba Miley Jimmy Blanton and Fats Navarro It notes the significance of dental disease in affecting a musician s embouchure and livelihood as happened with Joe King Oliver A discussion of Art Tatum s visual impairment leads to discoveries in the pathology of what blinded Lennie Tristano Heavy drinking even during Prohibition was the norm in the clubs of New Orleans and Kansas City and in the ballrooms of Chicago and New York Too often the musical scene demanded that those who play jazz be jazzed

After World War II as heroin addiction became the hallmark of revolution talented bebop artists suffered long absences from the bandstand Many did jail time and others succumbed to the ravages of horse With Jazz and Death the causes behind the great jazz funerals may no longer be misconstrued Its clinical and morbidly entertaining approach creates an invaluable compendium for jazz fans and scholars alike *Testimony!* Sonny O. Braide,2014-07-31 *Testimony* as the title suggests is the documentation for posterity of the numerous events in which God systematically and steadfastly intervened in the writers life These interventions coming miraculously at all times include saving him from imminent dangers providing sustenance where no known means of livelihood existed diverting his course to avert imminent harm or demise and above all giving him healthy life spanning over seventy years God already has it all and no one really has anything to offer Him except thank you Lord So the book is Mr Braides show of utter gratefulness to the Almighty for His grace steadfast and miraculous intercessions in his struggles through life It is the authors hope and prayer that this book will prepare peoples minds to experience Gods miracles as well knowing that the Great One cares for all in just the same way He cared for Mr Braide in similar circumstances **Miles' Diary** Ken Vail,1996 Fascinating insight into the life and times of the most intense and innovative trumpet player in jazz **The Light of Life** Harold Anderson-Pugh,2024-02-12 I ve been told that this work *The Light of Life* is a very timely and meaningful piece of work giving the reader something to reflect on and think about with poignant reminders of time and change and sharp feelings of regret as the term itself invokes a spiritual connection and reasoning One might ask oneself Who puts the light in life Where do we find knowledge understanding and wisdom as light is knowledge and darkness is ignorance We slow life down when sharing our words and thoughts through our emotions and feelings in the light our Creator made and gave to the system of this world For if one never talks about the light who then will know about it That there is light in everything we experience and find our way through and no matter how much darkness we endure it will never overpower the light as seen in Christ the blessed light of life *Dream Boogie* Peter Guralnick,2008-12-14 From the acclaimed author of *Last Train to Memphis* this is the definitive biography of Sam Cooke one of most influential singers and songwriters of all time Sam Cooke was among the first to blend gospel music and secular themes the early foundation of soul music He was the opposite of Elvis a black performer who appealed to white audiences who wrote his own songs who controlled his own business destiny No biography has previously been written that fully captures Sam Cooke s accomplishments the importance of his contribution to American music the drama that accompanied his rise in the early days of the civil rights movement and the mystery that surrounds his death Bestselling author Peter Guralnick tells this moving and significant story from Cooke s childhood as a choirboy to an adulthood when he was anything but With appearances by Martin Luther King Jr Malcolm X James Brown Harry Belafonte Aretha Franklin Fidel Castro The Beatles Sonny and Cher Bob Dylan and other central figures of this explosive era *Dream Boogie* is a compelling depiction of one man striving to achieve his vision despite all obstacles and an epic portrait of America during the turbulent and hopeful
