Sunrise With Sea Monster:

Sunrise with Sea Monster Neil Jordan, 2008-12-25 Imprisoned in Spain during the Spanish Civil War Donal Gore is sustained by memories of setting fishing lines on the beach with his father back home in Ireland Released from the Spanish prison by a German officer who expects political intelligence in return Donal goes back to the family home on the rainswept promenade to find his once powerful father dramatically changed The moving and magical heart of the novel explores the hopeless inability of this father and son to express their feelings for each other until the father is literally beyond language And at the same time it centers on the poignant fumbling triangular relationship between father son and Rose the beautiful young stepmother Weaving together love and politics sex and treachery unsettling humor and vivid layers of memory *Sunrise with Sea Monster* is a tour de force back in print for the first time in years **Sunrise with Seamonsters** Paul

Theroux, 1986 Collection of decidedly opinionated articles essays and ruminations spanning two decades Page 4 of cover

The Crying Game Jane Giles, 2019-07-25 Jane Giles study traces the origins of *The Crying Game* in Neil Jordan's early award winning films and books Drawing on exclusive interviews with Jordan and producer Stephen Wooley Giles details the film's tense and troubled production history **Green is the Orator** Sarah Gridley, 2010 The poems in Sarah Gridley's new book have the sharpest of intellects and the tenderest of spirits sonically superb and wildly engaging Kazim Ali author of *The Far Mosque* and *The Fortieth Day* Voyage of The Slave Ship Stephen J. May, 2014-05-03 Set against the backdrop of the Atlantic slave trade this book traces the development exhibition and final disposition of one of J M W Turner's greatest and most memorable paintings Queen Victoria's reign 1837 1901 in Great Britain produced unprecedented wealth and luxury For artists and writers this period was particularly noteworthy in that it gave them the opportunity to both praise their country and criticize its overreaching ambition At the forefront of these artists and writers were men like J M W Turner Dickens Thackeray Tennyson and John Ruskin who created some of the most enduring works of art while exposing many of the social evils of their native land The book also analyzes the man behind the painting Aloof gruff and mysterious Turner resisted success He worked as a solitary artist traveling to Europe sketching towns along the way studying nature and transferring his experiences to finished paintings upon his return to London The son of a barber he grew up in London and experienced many of the social issues of the age slavery and freedom poverty in the slums monarchy and democracy stability and anarchy He was a poet of nature and its innumerable mysteries Narrating Death Daniel Jernigan, Walter Wadiak, Michelle Wang, 2018-10-26 Drawing on literary and visual texts spanning from the twelfth century to the present this volume of essays explores what happens when narratives try to push the boundaries of what can be said about death The King's Daughter Vonda N. McIntyre, 2021-10-12 Winner of the Nebula Award and now a major motion picture A luminous radiant novel Ursula K Le Guin author of the *Earthsea* series During the late seventeenth century Louis XIV's natural philosopher and explorer Father Yves de la Croix does what no one has done for four hundred years he brings a living sea monster to land Thus begins

a stunning fantasy a journey into science and superstition and an alternate history in which Yves and his sister Marie Jos phe a lady in waiting with her own finely tuned intelligence and insatiable curiosity struggle to learn from and protect the sea woman As Marie Jos phe translates the sea woman s songs into stories she hopes to stave off the creature s inevitable execution for Louis XIV believes the wondrous being holds the secret to the immortality he craves a twisted obsession that will force brother and sister to choose between their conscience and their loyalty to king and country The basis for the movie starring Pierce Brosnan The King s Daughter is a dazzling and spirited evocation of the passions intrigues and preconceptions of the age along with a dandy pair of misfit star crossed lovers an enchanting slice of what if historical speculation Kirkus Reviews A wonderful book Adventure love history magic Diana Gabaldon bestselling author of Outlander A plot that sings enchanting romance and a depth of insight into human nature SF Site A marvelous alternative history fable about greed and goodness power and pathos set at the 17th century court of Louis XIV France s glittering Sun King McIntyre s imaginings enliven her history with wonder but as in the best fantasy they serve less to dazzle by their inventiveness than to illuminate brilliantly real world truths here humanity s responses base and noble when confronting the unknown Publishers Weekly starred review Combines two demanding genres with some remarkable twists unlike anything I ve seen before It is a science fiction story of first contact with an alien race but told in a setting more often associated with fantasy It is also historical romance at its best the type of meticulously researched work that brings another era to life McIntyre infuses it all with her marvelously unique style Catherine Asaro award winning author Previously published as The Moon and the Sun
