tactics used against her she also shines a light on the devastating stigma that keeps so many victims silent Society must understand that these scams are not simply about giving money to strangers they are calculated deeply personal betrayals that thrive in the shadows of shame and victim blaming To break the cycle we must listen to survivors like Beth amplify their voices and demand systemic change Beth s journey from victim to advocate is a testament to the strength that can emerge from even the darkest experiences Her story is not only a warning it s an essential educational tool that exposes the brutal reality of romance fraud and urges us all to take it seriously This book is a powerful call to action challenging us to replace judgment with empathy and ignorance with awareness Book Review 1 Beth Hyland s Diary of a Romance Scam is a raw courageous and deeply human story that exposes the psychological warfare behind romance fraud As someone who has studied manipulation and social engineering for over two decades I can tell you this book is not just a personal memoir it s a masterclass in how emotional abuse is weaponized by skilled criminals Beth s vulnerability and strength in sharing her experience will not only educate but empower readers to recognize red flags protect themselves and begin healing This is a must read for anyone who thinks it could never happen to them CHRISTOPHER HADNAGY Author CEO of Social Engineer LLC and The Innocent Lives Foundation Book Review 2 Beth Hyland s book on romance scams is a powerful personal look at what it s like to be caught in one of these devastating cons She doesn t just break down how the scam works she takes you through the emotional rollercoaster of trust betrayal and heartbreak that so many victims experience But what makes this book stand out is that Beth doesn t stay in the darkness Instead she turns her story into something bigger a mission to educate warn and empower others so they don t have to go through what she did It s raw eye opening and ultimately a testament to resilience and hope ERIN WEST Founder of Operation Shamrock

World War II Remembrance Diane Ledgerwood,2022-08-01 He was from Tennessee and she was from Wisconsin They would meet in 1943 at March AFB in Southern California where he was stationed in the Army and she worked as a civilian draftsman After their love blossomed and the romance deepened my dad was shipped overseas to be a part of the Allies invasion of Europe He eventually lands on the beaches of Normandy on D Day June 6 1944 It was a rough day for all who landed there many of whom did not return home Like so many other young couples of that Greatest Generation Brown and Helen kept their love alive through love letters The letters were written as often as possible and each letter was eagerly anticipated The letters give a glimpse into their feelings without always knowing what is really going on inside their hearts and minds As their daughter I believe this was a true love story that endured and produced a family for the ages The second section of the book letters to parents and friends deals more with details about what was happening in the world and at home He still couldn t say where he was stationed Sometimes Luxembourg sometimes somewhere in Europe But all correspondence comes to halt when he arrives back home and prepares for the wedding they have both been dreaming of It took place at the first Methodist Church in Appleton Wisconsin on Sunday November 25 1945

Family Love & Betrayal A.E. Gordanier, 2021-01-07. Family Love Betrayal is set in Nazi-occupied Amsterdam. Helga is a young Dutch woman who can speak many languages including Yiddish. She is forced by the Nazis to work at the Amsterdam Central Registry. All Dutch residents, excluding refugees, must register their personal information, including name, ethnicity, and religion, on census cards for each family member. These cards must be updated with any changes in their lives; this is mandatory as per the Nazis. The information on the census card is to be used as identification. In the registry is a sinister secret room where specially selected workers are housed. Helga desperately wants to work in that room. Her father is a doctor, and her mother is a high-end dressmaker. Helga is befriended by one of her father's colleagues. There is danger lurking as friends and colleagues want to join one of their resistance groups. Her best friend is a lesbian and must be aware of collaborators and roundups. Every day Helga witnesses Nazi atrocities. She has had enough before she compromises her morals and values any further.
