Lena C. Martin

Swimming Upstream The Inside Cries Of A Child:

Swimming Upstream Lena C. Martin, 2004-08 This is the autobiographical account of the life of a child named Queen who was born to a mother who hated her from the moment of conception and did not even acknowledge her as a daughter This child was abused both physically and mentally unlike her younger brother and sister who were favored and pampered The fatherless family lived in grinding poverty The young girl had to grow up quickly She was often the only one who was providing for the family In spite of her position as a virtual slave to the others Queen was not appreciated by any of them Her young adult years as a mother and eventually a wife were no less tumultuous In spite of her mother's tyrannical prohibition of her having any relationships with the opposite sex Queen was raped while still a teenager and gave birth to her first child The other men in her life although they gave her children whom she loved very much failed to provide her happiness and security And always it seemed she could never quite escape her hateful mother and sister intruding and interfering The only thread of joy and hope in this story is Queen's relationship with her grandfather The main things he taught her were to believe and trust in God and to never give up He instilled in her a faith which wouldn't let her be hateful or disrespectful But even this came to an end The day her great grandfather died Queen wanted to die with him But God wouldn't let her because He had plans for her life

Swimming Upstream Constance Richardson, 2011-11 Plunge into *Swimming Upstream* set in the mid 1950s through 1971 a period of cosmic upheaval in the fabric of American society The story chronicles the life of Constance a young American woman from a privileged background who drops out of college to marry the son of a wealthy German industrialist Married life begins in Colombia South America They move to Boston where her husband returns to Harvard and Constance gives birth to their first child This promising marriage soon unravels Divorced she finds herself alone with two small children and no employable skills While she's completing her BA degree an Otto Preminger film production appears outside her home in Salem Massachusetts this becomes the catalyst to propel her forward

When an Elephant Cries Lacere, 2015-11-12 I had been looked after by a witch doctor endured the shame of being named Odur for rubbish pit following the incident of my umbilical cord and placenta when the government official turns up and gives me another name Munu which in Acholi is for white man In my moment of anguish his simple gesture helps free my mind trapped in shame to wonder and I begin to imagine the possibility out there for me as Munu

The Visor Peter J Jones, 2019-09-28 Extraordinary is the word a multi narrative multi genre extravaganza with a central story which is unrelentingly gripping a true original Funny Horrifying Astonishing A surreal journey through trauma and its aftermath A man is living in Paris France during the final years of the human era Yet it is not the future that he fears only the consequences of a hidden and terrifying past The Old Tailor had stared at the space left by the young woman as she left the workshop and it had seemed as though there was a faint trail left by those eyes like car headlights on a slow film photograph taken at night He had not believed such a thing was possible He did not know if she recognised him or not and whoever had engineered this agony was determined to place him

in an impossible position He might well gaze but he could not under any circumstances tell her the truth **Swimming Upstream** Trude Scarlett Epstein, 2005 *Swimming Upstream* is a remarkable life story Born in 1922 into a Viennese Jewish family T Scarlett Epstein was catapulted into immediate adulthood by the Austrian Anschluss She had to learn to think on her feet in order to save herself and her family from the nightmares of the Holocaust Her dangerous escape route took her from Yugoslavia to Albania finally after a terrifying flight via Germany she arrived in England Her ambitions to become a surgeon were dashed as she found herself sitting at a sewing machine in one of the many sweatshops in London She attended night school and was awarded a scholarship to study for an economics degree Days before her final exams she was severely burned in an accident Unable to write and in excruciating pain she dictated her exam answers from her hospital bed Unlucky in love she concentrated on her work and spent two years in Indian villages as part of her doctoral studies which marked the beginning of a brilliant academic career On her return she met Bill Epstein love blossomed over the seminar table and for a time she experienced happiness as never before The couple had an ideal working partnership that took them to such far flung places as Papua New Guinea However plagued by childlessness and health problems her private life continued to be a battle Dr T Scarlett Epstein s story of courage and determination of love and loss will be an inspiration to many **The Great Heart Way** Ilia Shinko Perez, Gerry Shishin Wick, 2013-02-08 *Self compassion Positive social relations* An enduring sense of freedom and peace They re essential parts of our everyday lives or should be But each of us struggles with difficult emotions and mental blockages we might lash out when we should know better or regress in negatively familiar situations or struggle with our confidence These types of problematic reactions occur and recur when we re unkind to and negligent of our inner selves The Great Heart Way offers us all a way to heal inner wounds and transform our difficult emotions Anyone can try it and everyone should Using clear language and personal anecdotes The Great Heart Way shows how to follow the Great Heart Method an efficacious program for healing and self fulfillment The Method is easily incorporated into busy schedules it can take less than 30 minutes per day and is accessible to all regardless of spiritual background The Great Heart Way gives readers the tools to safely work through uncovered emotional pain and establish a healthier happier and well balanced way of thinking *When Good Men Behave Badly* David B. Wexler, 2004-02-01 This is the only book written specifically for men in a language that is respectful to men about how to deal better with the most important relationships in their lives It provides real tools for men who have trouble dealing with the emotional demands of relationships and those affected by them The premise of this book is that good well intentioned men can in times of stress and emotional conflict act in destructive ways that don t reflect their true character From a humanistic and empathetic perspective this book explores the latest research about male psychological development to create a new compassionate narrative for the struggles men face Learn to recognize and label your internal states Find out why displays of not so masculine emotions are so difficult to deal with and why they can provoke episodes of problematic behavior Explore the father son relationship and the reality of male peer

relations see why these patterned interactions can reinforce bad behavior from generation to generation Structured exercises and strategies help transfer the concepts of the book into daily experience David B Wexler Ph D is the founder and executive director of the Relationship Training Institute an organization designed to help couples and especially men who are having problems in relationships His previous work includes *The Adolescent Self* and *The PRISM Workbook* Visit the author at his Web site www.rtiprojects.com

The Woman Who Married a Bear John Straley, 2018-05-01 High drama meets local color as a private investigator works to uncover the motive and identity of a killer in this Shamus Award winning first Cecil Younger investigation set in Sitka Alaska Cecil Younger local Alaskan investigator is neither good at his job nor at staying sober When an old Tlingit woman hires him to discover why her son a big game guide was murdered he takes the case without much conviction that he ll discover anything the police missed He really just needs the extra cash But after someone tries to kill him Younger finds himself traveling across Alaska to ferret out the truth in the midst of conspiracies politics and Tlingit mythology High drama meets local color as Cecil Younger works to uncover the motive and identity of the killer *Endings* Linda L. Richards, 2021-04-06 How far can a profound personal loss drive someone toward darkness What would it take for you to kill someone for money And if you did who or what would you have become These are the question one woman faces when she loses everyone she loves and everything she has When the opportunity arrives to reinvent herself as a killer for hire she takes it She s good at it and if she doesn t do it someone else will Then everything changes when she learns about a serial killer so horrible she vows to find him and kill him until overcome by self doubt she seeks redemption rather than vengeance Fans of *The Girl with the Dragon Tattoo* and *Dexter* will love *Endings* The publication sequence for the book in this series is *Endings* *Exit Strategy* *Dead West* *Insensible Loss* coming 2024
