Rebin Najmalddin is Fulbright Scholar and Pardee Dean's Ambassador at Boston University's Frederick S. Pardee School of Global Studies. He is currently pursuing his Master's degree in International Affairs with a specialization in Diplomacy. He received his Bachelor's degree in English Language from the University of Halabja, Iraq, and completed summer programs at the European Forum Alpbach in Austria during his undergraduate studies. His research interests focus on U.S. foreign policy in the Middle East, soft power, and public diplomacy. Selected as a youth delegate from the Kurdistan region to China for exchange programs, Rebin, as a young professional, has engaged in diverse international experiences in the Middle East, Asia, Europe, and the U.S., and has founded organizations promoting global youth engagement and international educational exchanges. At Boston University, he is engaged with studies on the political economy of China and works as a graduate assistant supporting research work on Chinese FDI in Africa and green manufacturing. Rebin served as rapporteur for the BRI At Ten conference held at Boston University in October 2023.

China's Belt and Road Initiative (BRI) at Ten: The World According to China, and China According to the World

Rebin Najmalddin

Introduction

On October 12-13, 2023, the conference "China's Belt & Road Initiative (BRI) at Ten: The World According to China and China According to the World" was hosted at the Boston University Hillel House.¹ Co-chaired by Andrew R. Wilson and Grant F. Rhode, this event marked the 10th anniversary of China's ambitious BRI project. The conference, a joint endeavor of the U.S. Naval War College and the Pardee School of Global Studies Center for the Study of Asia at Boston University, aimed to critically evaluate the BRI's geopolitical, economic, and strategic influences on the world over the past decade and assess possible futures for the BRI moving forward.

The conference agenda was meticulously planned to offer a comprehensive examination of the BRI from diverse perspectives and regional insights. Grant Rhode and Kathleen Walsh² opened the conference by providing context remarks about the BRI. Scott Taylor, Dean of the Pardee School, and Andrew Wilson, John A. van Beuren Chair of Asia-Pacific Studies at the Naval War College, welcomed the conference participants and set the stage for the conference program. The agenda consisted of two keynote talks and four panels with four speakers each, each panel followed by Q&A sessions.

Opening Keynote Address: China's Big Vision and the Challenges It Faces

David M. Lampton presented the keynote address for the conference. He focused on China's ambitious global vision and the ensuing challenges, emphasizing the necessity for Western countries to acknowledge the critical role of infrastructure

¹ Acknowledgements: The conference organizers gratefully acknowledge conference sponsor financial support from the John A. Beuren Chair of Asia-Pacific Studies through the US Naval War College Foundation, and administrative and venue support by the Boston University Pardee School of Global Studies through primary sponsorship by the Center for the Study of Asia and co-sponsorship by the African Studies Center, the Global Development Policy Center, and the Pardee Center for the Study of the Longer-Range Future.

² Brief biographies of the speakers appear in the speakers' list at the end of this Occasional Paper text.

Downloading Switzerland And War Occasional Papers In Swib Studies 2 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Switzerland And War Occasional Papers In Swib Studies 2 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Switzerland And War Occasional Papers In Swib Studies 2. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Switzerland And War Occasional Papers In Swib Studies 2. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Switzerland And War Occasional Papers In Swib Studies 2, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Switzerland And War Occasional Papers In Swib Studies 2 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
