The Nature of Good and Evil Sylvia Browne,2009-11 We constantly see the senseless violence in our world and it begs the question How can an all loving God allow this to exist Indeed many people simply reject any notion of God for this very reason This book the third in Sylvia Browne s Journey of the Soul series gives you the philosophical framework to understand the nature of good and evil and the role of God in the big picture When you see how evil originated and why it thrives in our world you re more prepared to face it and overcome it Sylvia points out that you need not fear evil spirits or curses which are merely stories bred from ignorance And how would you like to serve as one of God s warriors of Light Sylvia explains how to enlist By combining her philosophical and theological views Sylvia creates a spiritual umbrella that rises above traditional religion All paths that lead to knowing God have merit

Adventures of a Psychic Sylvia Browne,2010-11-29 In this uniquely fascinating book world renowned psychic Sylvia Browne recounts her aptivating life as a clairvoyant telling of her earliest readings as a young child in Kansas City and of her first contact with Francine her spirit guide In engrossing detail Sylvia tells how her gift has assisted police departments in their search for missing children and dangerous criminals and how her predictions of deaths plane crashes and momentous world events were sometimes heeded or tragically ignored But more than anything else this is the remarkable story of one woman s psychic odyssey for it offers illuminating insight into how we can better understand ourselves and our own psychic abilities

If You Could See What I See Sylvia Browne,2010-11-29 This enlightening work by renowned psychic Sylvia Browne contains the Gnostic tenets of her church the Society of Novus Spiritus and is a map of our charts regardless of what spiritual path we follow It has taken many years of research to put together these seemingly simple tenets but as we go deeper we can see that this book carries within it the very heart of humankinds search for our own spirituality Sylvia has also included many details from her own personal journey which she feels is comparable to the quest that each of us follows to find our own God center As we travel on this road we can realize that long forgotten yet inherent goal of viewing our life on Earth as our path to God This is a valuable
