Realizing Community Vered Amit, 2003-12-16 Community is so overused both in everyday language as well as in scholarly work that it could easily be dismissed as a truism However the persistence of the term itself shows that the idea continues to resonate powerfully in our daily lives ethnographic accounts as well as theoretical analyses This book returns a timely and concerted anthropological gaze to community as part of a broader consideration of contemporary circumstances of social affiliation and solidarity

Religion and Politics in South Asia Ali Riaz, 2010-02-26 Religion and religio political forces have become potent influences in the domestic politics of many countries irrespective of geographical location stages of economic growth and systems of governance The growing importance of religion as a marker of identity and a tool of political mobilization is reshaping the political landscape in an unprecedented manner and South Asia which contains the world's largest populations of Muslims and Hindus with significant number of Buddhists is no exception to this fact This book presents a comprehensive analysis of the interaction of religion and politics in Afghanistan Bangladesh India Nepal Pakistan and Sri Lanka Although the specific circumstances of each country are different in recent decades religion religio political parties and religious rhetoric

have become dominant features of the political scenes in all six countries The contributors offer a thorough examination of these developments by presenting each country s political system and the socio economic environment within which the interactions are taking place The analysis of the various factors influencing the process of the interactions between religion and politics and their impact on the lives of the people of the region and global politics constitute the core of the chapters

Palestinians in Jordan Luisa Gandolfo, 2012-10-23 60 per cent of Jordanians are of Palestinian origin a statistic which has propelled Jordan into the role of both player and pawn in regional issues such as the birth of the state of Israel the prolonged Israel Palestine conflict the ascent and decline of Arab nationalism and the subsequent rise of political Islam and radicalism Exploring Jordan s diverse Palestinian communities Luisa Gandolfo illustrates how the Palestinian majority has been subject to discrimination all the while also playing a defining role in shaping Jordanian politics legal frameworks and national identity The conflicts of 1948 and 1967 the civil unrest following Black September in 1972 and the uprisings of 1988 and 2000 have all contributed to a fractious Jordanian Palestinian relationship In Palestinians in Jordan Gandolfo examines the history of this relationship looking at the socio political circumstances the economic and domestic policies the legal status of Palestinians in Jordan and the security dimension of Jordan s role in the region She argues that policies put in place over the last century have created a society that is marked by high levels of inter faith cohesion as evidenced by the success and integration of minority Christian communities She goes on to suggest that society divides along lines of ethnic and nationalist loyalty between Jordanians and Palestinians while domestic politics become increasingly fractious with the growth of Islamist groups that have gained grassroots appeal especially in the refugee camps Palestinians in Jordan looks through the kaleidoscope of Palestinian Jordanian identities that accommodate a complex and overlapping web of different religious affiliations mixed socio economic conditions and the experience of exile reconciled with daily life in Jordan At the same time identities of these communities continue to be rooted in an attachment to the concept of Palestine and the unifying force of the struggle against Zionism These layers have made the versatile and fluid nature of identities essential affording a fascinating study in inter communal dynamics and nationalism It is this which makes Palestinians in Jordan an important resource for those researching the Israel Palestine conflict as well as for students of the Middle East Politics Anthropology and Gender with an interest in identity

Muslims of Post-Communist Eurasia Galina M. Yemelianova, Egdūnas Račius, 2022-09-30 This book discusses the evolution of state governance of Islam and the nature and forms of local Muslims rediscovery of their Muslimness across post communist Eurasia It examines the effects on the Islamic scene of the political and ideological divergence of Central and South Eastern Europe from Russia and most of the Caucasus and Central Asia Of particular interest are the implications of the proliferation of new global interpretations of Islam and their relationship with existing traditional Islamic beliefs and practices The contributions in this book address these issues through an interdisciplinary prism combining history religious studies theology social anthropology sociology ethnology and political science They analyse

the greater public presence of Islam in constitutionally secular contexts and offer a critique of the domestication and accommodation of Islam in Europe comparing these to what has happened in the international Eurasian space The discussion is informed by the works of such thinkers as Talal Asad Bryan Turner Veit Bader Marcel Maussen and Bassam Tibi and utilises primary and secondary sources and ethnographic observation Looking at how collectivities and individuals are defining what it means to be Muslim in a globalised Islamic context this book will be of great interest to scholars of Religious Studies Islamic Studies Political Science Sociology and Anthropology **Small Places, Large Issues** Thomas Hylland Eriksen, 2023-07-20 Remains among the most brilliant summaries of key ideas animating anthropology In his famously accessible writing style Eriksen introduces fundamental questions that shape human life and provides an overview of the discipline's contribution to the pressing issues of our times A must read Ursula Rao Director Anthropology of Politics and Governance Max Planck Institute for Social Anthropology This is not just another book in the library of anthropology it is an entire anthropological library in one book Tim Ingold Emeritus Professor University of Aberdeen A masterful introduction Vered Amit Professor Emerita Concordia University This introduction to social and cultural anthropology has become a modern classic revealing the rich global variation in social life and culture across the world Presenting a clear overview of anthropology it focuses on central topics such as kinship ethnicity ritual and political systems offering a wealth of examples that demonstrate the enormous scope of anthropology and the importance of a comparative perspective Using reviews of key works to illustrate his argument for over 25 years Thomas Hylland Eriksen's lucid and accessible textbook has been a much respected and widely used undergraduate level introduction to social anthropology This fully updated fifth edition features brand new chapters on climate and medical anthropology along with rewritten sections on ecology nature and the Anthropocene It also incorporates a more systematic engagement with gender and digitalisation throughout the text Thomas Hylland Eriksen is Professor of Social Anthropology at the University of Oslo and former President of the European Association of Social Anthropologists EASA He is the author of numerous classics of anthropology including *Ethnicity and Nationalism* and *What is Anthropology* *Strangers Either Way* Jasna Čapo Zmegač, 2007-08-01 Croatia gained the world's attention during the break up of Yugoslavia in the early 1990s In this context its image has been overshadowed by visions of ethnic conflict and cleansing war crimes virulent nationalism and occasionally even emergent regionalism Instead of the norm this book offers a diverse insight into Croatia in the 1990s by dealing with one of the consequences of the war the more or less forcible migration of Croats from Serbia and their settlement in Croatia their ethnic homeland This important study shows that at a time in which Croatia was perceived as a homogenized nation in the making there were tensions and ruptures within Croatian society caused by newly arrived refugees and displaced persons from Serbia and Bosnia and Herzegovina Refugees who in spite of their common ethnicity with the homeland population were treated as foreigners indeed as unwanted aliens Strangers Either Way Jasna Čapo, 2007 Croatia gained the world's attention during the break up of

Islam in the Balance Lawrence Rubin, 2014-06-04 Islam in the Balance Ideational Threats in Arab Politics is an analysis of how ideas or political ideology can threaten states and how states react to ideational threats It examines the threat perception and policies of two Arab Muslim majority states Egypt and Saudi Arabia in response to the rise and activities of two revolutionary Islamic states established in Iran 1979 and Sudan 1989 Using these comparative case studies the book provides important insight about the role of religious ideology for the international and domestic politics of the Middle East and in doing so advances our understanding of how why and when ideology affects threat perception and state policy Rubin makes clear that transnational ideologies may present a greater and more immediate national security threat than shifts in the military balance of power first because ideology or ideational power triggers threat perception and affects state policy second because states engage in ideational balancing in response to an ideological threat The book has significant implications for international relations theory and engages important debates in comparative politics about authoritarianism and Islamic activism Its findings about how an Islamist regime or state behaves will provide vital insight for policy creation by the US and its Middle East allies should another such regime or state emerge
