SYMBOLIC INTERACTION

Synagogue Life

Samuel C. Heilman

WITH A NEW INTRODUCTION AND
AFTERWORD BY THE AUTHOR

Synagogue Life A Study In Symbolic Interaction

Xiaolong Qi

Synagogue Life A Study In Symbolic Interaction:

Synagogue Life Samuel C. Heilman, 2017-07-05 Via a participant observer approach *Synagogue Life* analyzes the three essential dimensions of synagogue life the houses of prayer study and assembly In each Heilman documents the rich detail of the synagogue experience while articulating the social and cultural drama inherent in them He illustrates how people come to the synagogue not only for spiritual purposes but also to find out where and how they fit into life in the neighborhood in which they share In his new introduction Heilman discusses what led him to write this book and the process of personal transformation through which he as an Orthodox Jew had to go in order to turn a disciplined eye on the world from which he came Rather than using the stranger as native approach of classic anthropology he had instead to begin as a native who discovered how to look at a once taken for granted synagogue life like a stranger In the afterword arguing for the efficacy of this approach Heilman offers guidance on how natives can use their special familiarity and still be trained to distance themselves from their own group making use of the disciplines of sociology and anthropology *Synagogue Life* offers a fascinating portrait that has something to say to social scientists as well as all those curious about what happens in the main arena of Orthodox Jewish community life

Defenders of the Faith Samuel C. Heilman, 2000 An indispensable sociological and anthropological account of an important religious group within Israel Heilman combines his own detailed observations within a cautious and critical sociological framework Calvin Goldscheider Brown University , **The People of the Book** Samuel C. Heilman, 2017-07-05 Judaism has long derived its identity from its sacred books The book or scroll rather than the image or idol has been emblematic of Jewish faith and tradition The People of the Book presents a study of a group of Orthodox Jews all of whom live in the modern world engaged in the time honored practice of lernen the repeated review and ritualized study of the sacred texts In preserving one of the activities of Jewish life Samuel C Heilman argues these are the genuine People of the Book For two years Heilman participated in and observed five study circles in New York and Jerusalem engaged in the avocation of lernen the Talmud the great corpus of Jewish law lore and tradition These groups made up of men who felt the ritualized study of sacred texts to be not only a religious obligation but also an appealing way to spend their evenings weekends and holidays assembled together under the guidance of a teacher to review the holy books of their people Having become part of this world the author is able to provide first hand observation of the workings of the study circle Heilman s study moves beyond the merely descriptive into an analysis of the nature and meaning of activity he observed To explain the character and appeal of the study groups he employs three concepts drama fellowship and religion Inherent to the life of the study circle are various sorts of drama social dramas playing out social relationships cultural performances reenacting the Jewish world view and interactional dramas and word plays involving the intricacies of the recitation and translation process This book will be of interest to anthropologists and those interested in the academic study of religion **Social Foundations of Judaism** Calvin Goldscheider, Jacob Neusner, 2004-10-14 **The Wiley Blackwell**

Companion to Practical Theology Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field The Wiley Blackwell Companion to Practical Theology presents an introduction to practical theology as a major area of Christian study and practice including an overview of its key developments themes methods and future directions The first comprehensive reference work to provide a survey description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas issues and figures in practical theology Reviews an extensive range of methods for studying theology in practice along with sub disciplines in theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life **Ritual and Ethnic Identity** Jack N. Lightstone, Frederick B. Bird, Simcha Fishbane, Marc P. Lalonde, Victor Levin, Louise Mayer, Madeleine McBrearty, 2006-01-01 In this innovative and comprehensive collection of essays Jack Lightstone and Frederick Bird document and interpret ritual practice among contemporary Canadian Jews They particularly focus on the character and meaning of the public performance of the Sabbath liturgy in six urban Canadian synagogues ranging from Orthodox to Reform and from large congregations to a small house synagogue yeshiva rabbinic academy Their examination of synagogue ritual is complemented with accounts of the ritual life of contemporary Canadian Jews outside the synagogue amongst their families within their homes and beyond In contrast with other studies of Jewish observance Lightstone and Bird document not simply which rituals are practised and how often rather they stress the meaning including the social meaning of these rituals and treat them as complex symbolic systems Their multidisciplinary approach together with their openness to include a wide variety of phenomena in their study for example the organization of the physical setting of the Sabbath dress codes and patterns of greeting and handshaking place this work at the very forefront of current research Ritual and Ethnic Identity will be of great value to historians and sociologists of religion anthropologists and all those concerned with religion ritual and Canadian Jewish and ethnic studies **Managing God's Business** Malcolm Torry, 2017-03-02 Religious and faith based organisations constitute a large and important group of organisations This is the first book to study systematically their characteristics and the distinctive challenges they pose to the people managing them Malcolm Torry discusses how to define religious and faith based organisations how to study them and the secular context in which they operate in Western Europe and the USA There are chapters on congregations denominations governance membership the clergy leadership and religious and faith based organisations relationship to civil society The book relies on research based literature and case studies and contains full bibliographies making it an essential tool for anyone studying this important new field **New York's Jewish Jews** Jenna Weissman Joselit, 1990-02-22 Attractively produced book traces an era of unprecedented creativity and achievement in literature the visual arts architecture music dance theater and social and political thought in a series of illustrated essays by respected scholars critics and commentators Traces the development of a distinctive American

orthodoxy by first and second generation immigrant Jews in New York City during the 1920 s and 1930 s Choosing from a variety of Western and traditional influences the community established new behavioral cultural and institutional parameters
