Take The Sting Out Of Study:

Student-Driven Learning Jennifer Harper, Kathryn O'Brien, 2012 Teachers know that their students love to explore and learn But how do we make this possible with thirty students with different needs learning styles and backgrounds all in one small room with one teacher in the class Designed to help teachers reflect on their current teaching practice Student Driven Learning suggests small shifts medium sized ideas and big changes that can be made to encourage student engagement through flexible student centered learning Experiential learning that is student driven fosters autonomy and shifts the focus from the knowledge and influence of the teacher to the experiences of the students Student Driven Learning helps teachers introduce opportunities for students to learn their own way to take initiative and to experience wonder and create *Work Measurement System of the Postal Service.
