Elder Reid as he is asked to officiate a funeral which leads him to offer the sermon at the home for the elderly on Easter Sunday He meets Robert Hans Sebastian and a special lady named Sophia that is one of the nurses on the staff of the home After meeting five elderly women in a ward of the home their meeting starts a chain reaction where the ladies not only learn where they came from why they are on the Earth but also what happens after death as proved in depth through the bible The men find true love that weekend it leads to baptism and a marriage performed all on the Easter weekend The story is based on actual accounts of the elderly and the authors own life **Let There Be Light** Joe Krycka,2006-04 Learn a deeper intimacy with the Lord while exploring the days of creation God s Highway of Holiness Each day is a reflection and a resemblance of how the Lord wants lives to grow and mature in Him **The Lost Commandment** Dave Greber,2009 An eye opening book that addresses an often overlooked and commonly misunderstood teaching of Jesus **Walking in the Way Day by Day** Keith E. Jackson MFT,2014-10-20 This book was written as a result of questions I had concerning the state of the church of our Lord and Savior Jesus Christ I read of all the miracles God performed in the Bible and like Gideon Judges 6 13 I asked the question Where has that God gone Why am I not seeing that kind of power in my life After much prayer and meditation God started to show me what was lacking in my life I realized that walking with God was more than just memorizing Scriptures and learning formulas to get God to work on my behalf While I was paralyzed from a spinal infection I realized that some of what I had been taught in church were based on tradition and were not biblically based During this period of time God began the healing process Through faith in the Word of God I was healed physically but more importantly God gave me the assignment to pass on to others what I have learned I pray for all those who read this book may your eyes and hearts be open to receive the message of Gods great love for you and His desire to lead you to your Promise Land

Which Way to the Promised Land Syliva Boys,2019-05-14 Spiritual reflections on the subject of Christian pilgrimage arranged as 40 daily readings Very suitable for Lent but can be used at anytime Includes a daily Bible reading plan LENT READINGS EXTRACT Day 38 Pursue Excellence Then Jacob called for his sons and said Gather around so I can tell you what will happen to you in days to come Assemble and listen sons of Jacob listen to your father Israel Reuben you are my firstborn my might the first sign of my strength excelling in honour excelling in power Turbulent as the waters you will no longer excel for you went up onto your father s bed onto my couch and defiled it Gad will be attacked by a band of raiders but he will attack them at their heels Genesis 49 1 4 19 These are the words of Jacob to his sons Reuben and Gad at the end of his life With Reuben s and Gad s track records Jacob knew that they were happy to just get by in life and wouldn t be interested in the effort it would take to take hold of God s best for them and for their descendants They could live the way they did without having to exercise any great faith in God Life was comfortable We may at first think that their tribes settled east of Jordan because they had no heart to do battle to inherit the promised land That is of course not true they went ahead of the other tribes to fight together with them until the war was won However by remaining across the other side of Jordan they settled in

God's second best for them Spending time in the wilderness was intended to prepare them to cross the Jordan But they weren't interested in God's plan for their lives However Jacob's other sons and their descendants chose to make the journey and after many battles received God's best for their families Some people are willing to pay the price to receive God's best and persevere but others are not What about you Is second best good enough for you After all it could be a lot worse Do you have an it will do mentality Or are you prepared to put in the effort required to live on the west side of your Jordan What spiritual or natural inheritance are we storing up for the generations who follow us We Are One Johnnie Moore, 2018 This guide can inspire Christians to pray for the persecuted church with incredible stories of courage and strength faith and hope

The 9 to 5 Window Os Hillman, 2005-07-05 Faith in the workplace is a subject of recent interest in the secular media is taking the nation by storm God is using the lives of ordinary men and women to make an impact and transform their workplaces big and small for Jesus Christ Readers of the 9 to 5 Window will learn about this incredible movement and what can take place when people transform their view of work from a means of paying the bills to a means of freeing people in bondage and giving those around them and themselves purpose and meaning in life and at work Using Moses as an example of a person who learned to view his work from an eternal perspective Os Hillman shows how we all can experience transformed lives workplaces cities and nations *Making Disciples* Ralph Moore, 2012-12-21 The Great Commission is to make disciples Renowned church planter and pastor Ralph Moore shows leaders why a focus on making disciples is the essential next step once a church is planted This biblical practical handbook will guide churches of any size to focus their ministries around Jesus's command to his followers to make disciples of all nations Making Disciples offers a model of church ministry that sees every member as a minister and it will become an indispensable resource for equipping a new generation of disciple makers **Empowered to Do Good** Josephine Anweting Edet, 2012-06 GOD'S LOVE IS THE REASON we can be who we are and have what we have You cannot give what you do not have Empowered by the love of God we can freely share what we have without fear of the unknown Kick your faith into high gear and discover the tremendous blessings of walking by faith not by sight The more you give the more you receive *Called 2 Love The Uhlmann Story* Steve Uhlmann, Barbara Uhlmann, 2020-11-03 Meet Steve Barbara Uhlmann Steve's life was defined by plastic An engineer at heart he started an injection molding company that grew to more than 9 000 employees with manufacturing plants around the world and a private jet to complete the package Though Steve and Barbara thought they had it all the demands of a successful business took their toll When they retired in 2005 they were ready to enjoy their golden years with an exemplary marriage Then disaster struck In the aftermath of a severe panic attack Barbara was diagnosed with cancer For nearly two years she was incapacitated The strain of caring for her in spite of appearances exposed how shallow the Uhlmann relationship was Their crisis drove them to levels of intimacy they could never have predicted In *Called 2 Love The Uhlmann Story* Steve and Barbara share the journey of self discovery that helped turn their marriage into a joy filled adventure of connection **Run**

to God Stephany Simien,2019-05-17 If you were to imagine your life as a race are you really prepared for your journey It s not good to sprint through every single lap otherwise you will exhaust yourself and miss out on several opportunities to excel And even when your race can seem hard did you know that God is actually carrying you through this journey Run to God is for anyone who has ever questioned their faith during a struggle in life and it reminds believers that every step whether forward backward or to the adjacent lane is a step in the direction of their own unique path God has designed our lives this way but it is up to us to follow the path of Christ Author Stephany Simien shows us how to train for the Christ led path through prayer trust and hard work and we can learn how to get back up after we fall and avoid falling again in the first place trusting in Jesus in all that we do A Supreme Question Lee Richey,2020-04-06 Though certainly not an original or novel topic of discussion cellist conductor and curious thinker Lee Richey invites and encourages the reader to think question consider and explore the specifics and meaning of their faith or philosophy most specifically belief in a Supreme Being Hence A Supreme Question While offering no definitive conclusion Richey combines personal perspectives with the scholarly documentation of renown religious and scientific authors in an attempt to help illuminate how and why humanity is drawn to religion deities God science evolution or any combination At the very least he hopes to encourage a continued and respectful dialogue and debate *Walking with Jesus on Campus* Stephen Kellough,2019-07-02 10 Truths that Transform College for the Christian Our time at university is almost always a pivoting point for better or worse Some people go into college seemingly strong in their faith but walk away burnt out and disillusioned Others come in with spiritual doubts and apathy toward Christ and walk away as passionate Christian leaders What makes the difference In Walking with Jesus on Campus chaplain Stephen Kellough explores 10 make or break issues like Doubt and Depression Sexuality and Singleness The Sabbath Perfectionism Whether you are heading off to college ministering to college students or are the parent of a college aged kid this book will help you better understand how to tackle what lies ahead *God's Book* Mary Noggle,2003-11-20 This book is not about religion It is not about dogma or church or sermons It is not about being Catholic Lutheran or Presbyterian It is not a self help book to help you find out about your faith life It does not preach about who God should be or how you can find Him It is a simple story of one person s journey and how she discovered that she and God truly did fit together It is a story that I wanted to share because I think that there are many people who are not sure if God really exists but they really want to believe that He does They re not sure how to make Him real I hope and pray that by sharing my story with you something might touch you in such a way that you will no longer doubt that God really is alive and doing very well *The Sunrise of the Soul* Gerard Thomas Straub,2020-07-21 The Sunrise of the Soul is the fruit of the last 24 years of an unexpected new life and a journey of transformation that took Gerry Straub from the glamour of Hollywood to the horror of the worst slums on earth Straub s journey began in an empty church in Rome during a moment of grace in which the hard shell of his ardent atheism was penetrated by a spark of light allowing him to see that God was real and loved him just as he

was Eventually Straub felt God telling him to stop filming the poor and to go live among the poor He now lives in a crowded slum in Haiti where he operates a home of hope and healing for 69 abandoned kids 24 of whom are still in diapers Straub says his journey is far from over and will never be finished As Karl Rahner reminded us In the torment of the insufficiency of everything attainable we ultimately learn that here in this life all symphonies must remain unfinished Living in a home with 69 kids in Haiti means that the stillness and silence needed for contemplation are virtually nonexistent After more than four years of intense work in Haiti Gerry began to commit himself to the rejuvenating power of authentic solitude in order to turn his attention to his own inner spiritual poverty In the silent predawn darkness of each Haitian morning he waits reflects and prays This book emerged slowly from those many lonely hours of silence
