

An illustration of a warehouse interior. In the foreground, a man with glasses, wearing a green jacket over a white shirt and blue trousers, stands between two tall metal shelving units. He is holding a black clipboard and looking at it. The shelves are filled with various items: orange cardboard boxes, brown cardboard boxes, and wooden crates. Some boxes are stacked on wooden pallets. In the background, another person is visible walking away. The overall scene depicts a physical inventory count.

Stock-taking is when companies count the number of goods they have by hand to see if their inventory records are accurate.

Example

Inventory Record = 500 units
Physical Stock Count = 500 units
