Taking Liberty With The Lady Statue Of Liberty:

Taking Liberty Lawrence Dunning, 2016-01-12 In this sprawling novel of suspense and terror a ruthless professional killer a disillusioned career spy and a beautiful Sorbonne professor cross paths with Moscow intelligence They are all in a race to find the fabled Romanov jewels smuggled out of Russia a century ago and secreted inside the Statue of Liberty before it was shipped from France to New York The scene shifts compellingly from the present day United Nations building to the Czarist Russia of Alexander II the elegant boulevards of Paris and the sun drenched Cote d Azur and ends in a spectacle of violence at America s shining symbol of freedom standing in New York Harbor The international hunt is interwoven with the efforts of Paris based CIA agent Martin Toberts his new found love Solange Cordier who holds a secret more than a hundred years old and his bloody minded nemesis Pell Bruckner a rogue agent intent on only one thing satisfying his lust for personal wealth at the expense of anyone or anything that stands in his way It is finally a story of staggering wealth secreted in a place no one can believe causing individuals and nations to kill for it and in some cases die for it In Lady Liberty's Shadow Robyn Magalit Rodriguez, 2017-06-22 Home to Ellis Island New Jersey has been the first stop for many immigrant groups for well over a century Yet in this highly diverse state some of the most anti immigrant policies in the nation are being tested American suburbs are home to increasing numbers of first and second generation immigrants who may actually be bypassing the city to settle directly into the neighborhoods that their predecessors have already begun to plant roots in a trajectory that leads to nativist ordinances and other forms of xenophobia In Lady Liberty s Shadow examines popular white perceptions of danger represented by immigrants and their children as well the specter that lurks at the edges of suburbs in the shape of black and Latino urban underclasses and the ever more nebulous hazard of presumed Islamic terrorism that threatening to undermine life as we know it Robyn Magalit Rodriguez explores the impact of anti immigrant municipal ordinances on a range of immigrant groups living in varied suburban communities from undocumented Latinos in predominantly white suburbs to long established Asian immigrants in majority minority suburbs The American Dream that suburban life is supposed to represent is shown to rest on a racialized segregated social order meant to be enjoyed only by whites Although it is a case study of New Jersey In Lady Liberty s Shadow offers crucial insights that can shed fresh light on the national immigration debate For more information go to <https://www.facebook.com/inlibertyssshadow> Lesbian Sources Linda Garber, 2018-10-24 This is the final volume of nine in a series on Gay and Lesbian studies Originally published in 1993 Lesbian Sources is a cross referenced bibliography of articles written by and or about lesbians and published in nationally or internationally distributed periodicals between 1970 and 1990 **Fodor's See It New York City, 4th Edition** Fodor's Travel Publications, Inc.
