Murray, 2020-12-29 In this book Christine Murray carefully weaves her personal experiences as a survivor with her professional expertise as a counselor community advocate and researcher into a comprehensive guidebook for survivors of abuse Moving forward after suffering abuse at the hands of someone who is supposed to love and care for you is no easy feat And yet healing and recovering from past abuse is possible and the journey to get there can be an empowering opportunity for growth Triumph Over Abuse provides a road map for doing more than simply moving on from the past Filled with accessible case studies and exercises the book offers extensive practical guidance on a range of topics such as building coping skills surrounding yourself with the right kinds of support working through traumatic memories and channeling your experience into helping others and making a difference in the world The book will inspire and equip survivors of abuse to build full meaningful lives despite the trauma they have faced as well as being a tool for clinicians to use to support clients      Learning from Victims' Family Narratives Morag C. Kennedy, 2025-07-08 Offering a new perspective on intimate partner abuse and homicide this book recognises the families of victims as legitimate agents of knowledge in terms of the harm experienced by their family members and considers how this harm is extended to the families themselves Examining harm from both an offline and online point of view the book explains the multipurpose roles of

offline and online harm and how these roles do not occur in isolation in terms of the victims and families abusive experiences In doing so it demonstrates the range of harm experienced in the context of intimate partner abuse and homicide and outlines the overlapping nature of offline and online harm without prioritising one form of harm over the other instead considering the harm experienced as a continuum Providing theoretical and empirical contributions that are largely absent from existing victimology and harm literature Learning from Victims Family Narratives The Impact of Offline and Online Harm in Cases of Intimate Partner Homicide will be of interest to scholars researchers students and practitioners exploring the modern conceptualisation of harm and its impact on individuals beyond the victim and perpetrator **Stories,**

**Storytellers, and Storytelling** Tom Vine, Sarah Richards, 2022-12-15 This book advances social scientific interest in a field long dominated by the humanities stories and storytelling Stories are a whole lot more than entertainment oral narratives novels films and immersive video games all form part of the sociocultural discourses which we are enmeshed in and use to co construct our beliefs about the world around us Young children use them to learn about the world beyond their immediate sensory experience and even in an era of interactive electronic media the bedtime story remains a cherished part of most children s daily routine Storytelling is thus the first abstract formal learning method we encounter as human beings It is also probably transcultural perhaps even an immanent part of the human condition Narratives are at heart sequences of events and presuppose and reinforce particular cause and effect relationships Inevitably they also construct unconscious biases prejudices and discriminatory attitudes Storying a term we use in this book to encompass stories storytellers and storytelling is complex and this book seeks to make sense of it *New Books on Women and Feminism* ,2004 Families and Justice
