Tale Of Poor Lovers

Michael Seilmaier

Tale Of Poor Lovers:

A Tale of Poor Lovers Vasco Pratolini, 1949 A postwar Italian novel which falls far short of Silone's Fontamara with which it is compared and similarly is disappointing viewed against the distinction of such films as *Shoe Shine* *The Open City* and *Paisan* Mr Pratolini has packed a tiny street in Florence with a parade of characters and the effect is claustrophobic rather than microcosmic The action is centered in the middle 20 s in the small poverty stricken area of the Via del Corno where men like Lando a sniveling pimp are alternating in and out of prison where the Signora a retired diseased ex prostitute turned lesbian batters on young girls where Maciste a blacksmith is killed by Fascists because he is a Communist where the Nesi coal merchant brutalizes any woman that appeals to him where everybody goes to bed with everybody else and where the neighbors lean out of windows and exchange unsavory gossip avidly The couple of good characters are well hidden in the mire In an effort to make his novel tight the author has attempted to squeeze a galaxy of universal types into too small an area and the result belongs in the Department of Utter Confusion It lacks light air space and in his effort to be significant Pratolini succeeds only in being trite Kirkus

Twentieth-century Italian Literature in English Translation Robin Healey, 1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence
