Talent Edge:

The Talent Edge David S. Cohen, 2009-12-08 A practical step by step approach to hiring the right person Every hiring manager knows that the traditional hiring and interviewing process is a poor tool for predicting organizational fit and future on the job success Behavioral interviewing can improve your chances of picking the right candidate two to five times over traditional processes It focuses on how the candidate works rather than on skills qualifications and impressions The Talent Edge shows how you can develop a concrete understanding of what your own top performers do differently than the majority of their peers and how to translate that knowledge into a better hiring system While using case studies from organizations that have successfully transformed their hiring practices the book articulates the business case for a Behavioral Interviewing system and provides a roadmap for implementing it Comprehensive coverage includes how to write job profiles and translate them into questions and answers that can be used in the interview how to prepare for the interview ask questions and probe for the right information The book also offers advice on how behaviors that are defined and proven to be useful in the hiring process can be incorporated into performance management career development and succession planning

Building the Talent Edge Greg Moran, 2005 Remember Have Gun Will Travel Fabian Roger Maris Butch Wax Saturday night baths and ante I over Well make a cup of hot chocolate with marshmallows grab an oatmeal cookie find a cozy chair to snuggle into and enjoy the warm nostalgic true adventures of a boy growing up in small town Nebraska circa 1960 Stories I'll Bury In Bloompatch is Thomas James Bruner's joyous and vivid reminiscence of a year in his childhood What makes this trip down memory lane unique is that it is not told from an adult point of view Bruner places himself back in time telling his stories from the vantage point of a ten year old boy who questions the adult world and wonders what his destiny will be The boy's journey of discovery includes a terrifying ordeal into the depths of a haunted basement the realization of the magic of Christmas a meeting with a baseball legend the death of loved ones ever present bullies and hometown heroes and his own scrape with death There is plenty of humor but the book is not a comedy There are lots of tears but the book is not a tragedy The stories are true and in all true stories there is laughter and there are tears There are also wonderful characters who inhabit the town Charlie and Toad Swede and Shorty Cat and Freddy Father Hitler and Sister Austere and all the others You'll meet them all in a place called Bloompatch
