Tales From The Clit A Female Experience Of Pornography:

Tales from the Clit Cherie Matrix, 1996 True stories from some of the world's most pro sex feminists These women have provided intimate anti censorship essays to reestablish the idea that equality of the sexes doesn't have to mean no sex From intimate sexual experiences and physical perception through to the academic arena this ground breaking volume documents women's POSITIVE thoughts uses and desires for with and about pornography Essays include such diverse topics as how the authors discovered porn what it means to a blind and deaf woman running a sex magazine starting a sex shop and what the contributors would actually LIKE to see Compiled by Feminists Against Censorship Tales From The Clit is erotically and intellectually arousing Contributors include Deborah Ryder Jan Grossman Sue Raye Linzi Drew Annie Sprinkle Tuppy Owens Lucy Williams Nettie Pollard Avedon Carol Scarlet Harlot and Caroline Bottomley Battling Pornography Carolyn Bronstein, 2011-06-27 Pornography catapulted to the forefront of the American women's movement in the 1980s In Battling Pornography Carolyn Bronstein locates the origins of anti pornography sentiment in the turbulent social and cultural history of the late 1960s and 1970s Based on extensive original archival research the book reveals that the seeds of the movement were planted by groups who protested the proliferation of advertisements Hollywood films and other mainstream media that glorified sexual violence Over time feminist leaders redirected the emphasis from violence to pornography to leverage rhetorical power Battling Pornography presents a fascinating account of the rise and fall of this significant American social movement and documents the contributions of influential activists on both sides of the pornography debate including some of the best known American feminists **Strip Show** Katherine Liepe-Levinson, 2003-09-01 This book offers an account of an unprecedented North American study of contemporary female and male strip shows It particularly focuses on the contradictory sex roles cultural positions and performance practices of straight strip shows during their second heyday in the early 1990s Katherine Liepe Levinson's research took her to over seventy different strip bars clubs theatres and sex emporiums ranging from elaborate lap dancing and couch dancing gentlemen's clubs in New York Houston and San Francisco to Peoria's onetime duplex cabaret where women strip for men downstairs and men for women upstairs to the nightclubs of Montreal where female and male performers displayed the Full Monty Liepe Levinson's intriguing comprehensive study concentrates on the cultural and theatrical elements of the strip shows themselves including the geographic locations and interior designs of the clubs the choreography and costumes of the dancers and the all important participation of the audience She draws upon a variety of methodologies as well as interviews with performers to explore how the strip show's cultural and theatrical aspects simultaneously uphold and break traditional sex roles Her findings readily complicate several of the most prominent and prevalent theories about sexual representation gender and desire

Sexing the Teacher Sheila Cavanagh, 2007-05-10 Sexing the Teacher is a provocative study of public and professional responses to female teacher sex scandals in Canada the United States and Britain Sheila Cavanagh examines the moral and

professional panic over sexual transgressions in the educational milieu by analyzing several sensationalized legal cases including Mary Kay Letourneau Amy Gehring and Heather Ingram Deploying queer theory psychoanalysis postcolonial theory and feminist film theory Cavanagh analyses deep seated anxieties about white female teacher sexualities and offers a critique of the damage that gets done in the name of child protectionism Arguing that foundational assumptions about race gender class sexuality and family are all central to the panic Cavanagh questions the conventional wisdom and politics governing our conceptualization of sex scandals in education She also demonstrates that public upset over female teacher sexual transgressions ostensibly about child welfare is also about the regulation of gender heteronormative and white reproductive futures a hidden curriculum in Western educational systems Timely original and controversial Sexing the Teacher will appeal to scholars and students in education sociology gender sexuality and cultural studies as well as to general readers interested in the sensationalism over school sex scandals that has dominated recent headlines

Everyday Pornography Karen Boyle, 2010-09-13 Public and academic debate about porn culture is proliferating Ironically what is often lost in these debates is a sense of what is specific about pornography By focusing on pornography's mainstream contemporary commercial products for a heterosexual male audience Everyday Pornography offers the opportunity to reconsider what it is that makes pornography a specific form of industrial practice and genre of representation Everyday Pornography presents original work from scholars from a range of academic disciplines Media Studies Law Sociology Psychology Women's Studies Political Science introducing new methodologies and approaches whilst reflecting on the ongoing value of older approaches Among the topics explored are the porn industry's marketing practices spam emails reviews and online organisation commercial sex in Second Life the pornographic narratives of phone sex and amateur videos the content of best selling porn videos how the male consumer is addressed by pornography represented within the mainstream understood by academics and contained by legislation This collection places a particular emphasis on anti pornography feminism a movement which has been experiencing a revival since the mid 2000s Drawing on the experiences of activists alongside academics Everyday Pornography offers an opportunity to explore the intellectual and political challenges of anti pornography feminism and consider its relevance for contemporary academic debate

I Confess! Thomas Waugh, Brandon Arroyo, 2019-11-21 In the postwar decades sexual revolutions first women's suffrage flappers Prohibition and Mae West later Alfred Kinsey Hugh Hefner and the pill altered the lifestyles and desires of generations Since the 1990s the internet and its cataclysmic cultural and social technological shifts have unleashed a third sexual revolution crystallized in the acts and rituals of confession that are a staple of our twenty first century lives In *I Confess* a collection of thirty original essays leading international scholars such as Ken Plummer Susanna Paasonen Tom Roach and Shohini Ghosh explore the ideas of confession and sexuality in moving image arts and media mostly in the Global North over the last quarter century Through

self referencing or autobiographical stories testimonies and performances and through rigorously scrutinized case studies of gay for pay gaming camming YouTube uploads and the films Tarnation and Nymph maniac the contributors describe a spectrum of identities desires and related representational practices Together these desires and practices shape how we see construct and live our identities within this third sexual revolution embodying both its ominous implications of surveillance and control and its utopian glimmers of community and liberation Inspired by theorists from Michel Foucault and Gilles Deleuze to Gayle Rubin and Jos Esteban Muñoz I Confess reflects an extraordinary paradigm shifting proliferation of first person voices and imagery produced during the third sexual revolution from the eve of the internet to today Knockin' on Heaven's Door Roland Boer, 2012-10-12 Knockin On Heaven's Door offers a critically sophisticated and truly interdisciplinary analysis of the relationship between biblical studies and contemporary culture Specific biblical texts are examined in the light of cultural criticism and areas of popular culture including pornography heavy metal music and McDonald's hamburgers in the light of biblical criticism Queerly Canadian, Second Edition Scott Rayter, Laine Halpern Zisman, 2022-09-14 In the second edition of this remarkable and comprehensive anthology many of Canada's leading sexuality studies scholars examine the fundamental role that sexuality has played and continues to play in the building of our nation and in our national narratives myths and anxieties about Canadian identity Thoroughly updated this new edition features twenty six new chapters on topics including Indigenous kinship Blackness masculinity disability queer resistance and sex education Covering both historical and contemporary perspectives on nation and community law and criminal justice organizing and activism health and medicine education marriage and family sport and popular culture and representation the essays also take a strong intersectional approach integrating analyses of race class and gender This interdisciplinary collection is essential for the Canadian sexuality studies classroom and for anyone interested in the mythologies and realities of queer life in Canada FEATURES Sixty percent new and expanded content with twenty six new chapters Thoroughly updated to reflect a strong emphasis on the diversity of queer experiences and identities in Canada Each chapter includes a brief introduction written for this collection by the author that provides helpful context about their work for both students and teachers
