Travel, Time, and Space in the Middle Ages and Early Modern Time Albrecht Classen,2018-10-22 Research on medieval and early modern travel literature has made great progress which now allows us to take the next step and to analyze the correlations between the individual and space throughout time which contributed essentially to identity formation in many different settings The contributors to this volume engage with a variety of pre modern texts images and other documents related to travel and the individual s self orientation in foreign lands and make an effort to determine the concept of identity within a spatial framework often determined by the meeting of various cultures Moreover objects images and words can also travel and connect people from different worlds through books The volume thus brings together new scholarship focused on the interrelationship of travel space time and individuality which also includes of course women s movement through the

larger world whether in concrete terms or through proxy travel via readings Travel here is also examined with respect to craftsmen s activities at various sites artists employment for many different projects all over Europe and elsewhere and in terms of metaphysical experiences catabasis School Library Journal ,1990-07 **The Horn Book Guide to Children's and Young Adult Books** ,1990 **Essentials of Children's Literature** Carl M. Tomlinson,Carol Lynch-Brown,1995 The sixth edition Essentials of Children s Literature offers a concise straightforward presentation of children s literature that engages students and motivates them to share literature with children Written with a comprehensive facts only approach this lucid resource offers an abundance of examples to illustrate how to use children s literature in the classroom
