Tales of Liverpool: Murder, Mayhem, Mystery Richard Whittington-Egan, 1967 *The Maybrick A to Z* Christopher Jones, 2008 **Lancashire Murders** Alan Hayhurst, 2012-02-29 Contained within the pages of this book are the stories behind some of the most notorious murders in Lancashire's history. The cases covered here record the county's most fascinating but least known crimes as well as famous murders that gripped not just Lancashire but the whole nation. From Liverpool's Florence Maybrick was she really guilty of poisoning her hypochondriac husband with arsenic and was he indeed Jack the Ripper to late Victorian Bury's disturbing Body in the Wardrobe case from the infamous Drs Ruxton and Clements who saw off five wives between them to Blackpool's Louisa Merrifield whose loose tongue was undoubtedly her downfall this is a collection of the county's most dramatic and interesting criminal cases. Alan Hayhurst has been uncovering evidence about the county's historic murders for more than forty years. In writing this book he has visited all of the murder sites consulted original documents and contemporary reports and spoken to those who have personal memories of the cases concerned. Lancashire Murders is a unique re-examination of the darker side of the county's past.

Jack the Ripper - Through the Mists of Time Peter Hodgson, 2011-08-26 Over a century ago a series of shocking mutilation murders took place in a squalid overcrowded district of Victorian London. Five women fell victim to a man driven by rage and violent fantasy. The newspapers of the day gave him a chilling nickname a name that evokes images of gas lit

foggy streets and a top hatted sinister figure carrying a Gladstone bag From the outset the murderer attained almost mythical status merely by virtue of his name and his uncanny ability to avoid detection The legend of Jack the Ripper was born Peter Hodgson s detailed and entertaining overview of Ripper lore in fact film and fiction analyses the fiend s awesome legacy He explores the institutions and the individuals the Jewish community and their rituals with meat the scandal prone royal family the Victorian police and their simplistic methods of investigation the streetwalkers and their trade This book compares the fiction with the reality of those ghastly events and clearly shows how the real killer has been transformed into a creature of the mind the other Jack the Ripper Examination of the victims mutilations reveals the true nature of Jack s grotesque fantasies This aspect coupled with his elementary anatomical knowledge is used in conjunction with the FBI s appraisal of the case to construct a unique psychological profile From the long list of candidates the author reveals his prime suspect for the role of the world s most infamous serial killer Book reviews online PublishedBestsellers website
