**Tales of Trilussa (p)** Trilussa,1990      Tales of Trilussa Trilussa,1990 Crlo Alberto Salustri wrote sonnets in the Romanesco under the pseudonym Trilussa He wrote for nearly seventy years and is the greatest modern poet to write in Romanesco      **Twentieth-Century Poetic Translation** Daniela Caselli,Daniela La Penna,2008-07-01 Twentieth Century Poetic Translation analyses translations of Italian and English poetry and their roles in shaping national identities by merging historical cultural and theoretical perspectives Focusing on specific case studies within the Italian English and North American literary communities spanning from authoritative translations of poets by poets to the role of dialect poetry and anthologies of poetry the book looks at the role of translation in the development of poetic languages and in the construction of poetic canons It brings together leading scholars in the history of the Italian language literary historians and translators specialists in theory of translation and history of publishing to explore the cultural dynamics between poetic traditions in Italian and English in the twentieth century      **Discovery of America (p)** Cesare Pascarella,1991      *Italian Literature since 1900 in English Translation* Robin Healey,2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey s *Italian Literature before 1900 in English Translation* also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature      **Tales of a night** Antonio Mare,2020-05-15 The story is set in Rome What will be discovered through the adventure of a summer night along the small streets of Trastevere one of his Historical areas It really impossible not being involved by the eternal city that drags everybody in its vibrant and vital spiral The protagonist lives his night conversing with old and new friends through daily life scenes history legend curiosity and fragment of thrilling memories      Doing Museology Differently Duncan Grewcock,2013-09-05 One might believe that museum studies is a stable field of academic inquiry based on a set of familiar institutional forms and functions But as institutions museums have never been stable or singular and neither has the discipline of museum studies Museum studies as a field of academic inquiry has received little critical attention One result of this neglect has arguably been a lack of invention in museum studies another is the distancing of academic museum studies from museum practice *Doing Museology Differently* charts a different course A critical creative reflection on academic practice the book takes the form of a narrative account of museological fieldwork A research story unfolds challenging academic conventions at the level of its own presentation the book combines critical museum visiting with an autobiographical voice The identification of a previously underexplored interdisciplinary space leads the author to experiment with museum studies using contemporary

developments in the theory and practice of human geography The new approaches to museological research and representation that emerge from this unique inquiry challenge assumed institutional and intellectual boundaries and act as a call to further creative experimentation *The Palgrave Handbook of Humour, History, and Methodology* Daniel Derrin, Hannah Burrows, 2021-01-12 This handbook addresses the methodological problems and theoretical challenges that arise in attempting to understand and represent humour in specific historical contexts across cultural history It explores problems involved in applying modern theories of humour to historically distant contexts of humour and points to the importance of recognising the divergent assumptions made by different academic disciplines when approaching the topic It explores problems of terminology identification classification subjectivity of viewpoint and the coherence of the object of study It addresses specific theories together with the needs of specific historical case studies as well as some of the challenges of presenting historical humour to contemporary audiences through translation and curation In this way the handbook aims to encourage a fresh exploration of methodological problems involved in studying the various significances both of the history of humour and of humour in history *Italian Americana* ,1993 **Satire** John T. Gilmore, 2017-12-02 What is satire How can we define it Is it a weapon for radical change or fundamentally conservative Is satire funny or cruel Does it always need a target or victim Combining thematic theoretical and historical approaches John T Gilmore introduces and investigates the tradition of satire from classical models through to the present day In a lucid and engaging style Gilmore explores the moral politics of satire whether satire is universal historically or geographically limited how satire translates across genres and media the boundaries of free speech and legitimacy Using examples from ancient Egypt to Charlie Hebdo from European traditions of formal verse satire to imaginary voyages and alternative universes newspaper cartoons and YouTube clips from the Caribbean to China this comprehensive volume should be of interest to students and scholars of literature media and cultural studies as well as politics and philosophy [Twentieth-century Italian Literature in English Translation](#) Robin Healey, 1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence **Narrative and Drama** Olga Ragusa, 2020-10-26 No detailed description available for Narrative and Drama **Delos** ,1995 **Rome Tales** Helen Constantine, 2011-07-14 In ways no guide book can achieve these twenty absorbing tales by Italian authors ranging from Boccaccio in the Middle Ages to Giacomo Casanova in the eighteenth century to Pier Paolo Pasolini in the twentieth and contemporary new writers such as Melania Mazzucco and Igiaba Scego offer the delight of discovering and exploring one of the world's most unique cities thorough a wide variety of individual lives and epochs The tales span seven hundred years but rather than being ordered chronologically old and new appear alongside one another reflecting the dual identity of Rome thriving modern metropolis and ancient city centre that is one of the wonders of the world The tales are wonderfully varied in style tone and subject matter Casanova sets about
