Waltzer and Wilk have compiled almost fifty stories about the state's southernmost counties. Although the focus is on Atlantic City and its remarkable people, outside structures and quirky events, the storytelling ranges across the wider region to provide an insiders look at history as it was being made. You'll encounter gangsters and gamblers, baseball hitters and hurricanes, famous piers and hotels, landmark theaters and eateries, splashy events and unheralded oddities. In sum, a cross section of the region's character and characters.
