The Old Italian School of Singing Daniela Bloem-Hubatka, 2014-01-10 This work describes in accessible language the technical foundations of the Old Italian School of Singing It enables the reader to grasp the teachings of the old masters theoretically and practically The research for this book used not only the old treatises from the 1700 s onwards but also firsthand testimonies biographies and recordings from historical singers The author systematically takes us through the basic elements of historical singing with practical hints and exercises tested by extensive teaching experience

Voices and Texts in Early Modern Italian Society Stefano Dall'Aglio, Brian Richardson, Massimo Rospoher, 2016-11-25 This book studies the uses of orality in Italian society across all classes from the fifteenth to the seventeenth century with an emphasis on the interrelationships between oral communication and the written word The Introduction provides an overview of the topic as a whole and links the chapters together Part 1 concerns public life in the states of northern central and southern Italy The chapters examine a range of performances that used the spoken word or song concerted shouts that expressed the feelings of the lower classes and were then recorded in writing the proclamation of state policy by town criers songs that gave news of executions the exercise of power relations in society as recorded in trial records and diplomatic orations and interactions Part 2 centres on private entertainments It considers the practices of the performance of poetry sung in social gatherings and on stage with and without improvisation the extent to which lyric poets anticipated the singing of their verse and collaborated with composers performances of comedies given as dinner entertainments for the governing body of republican Florence and a reading of a prose work in a house in Venice subsequently made famous through a printed account Part 3 concerns collective religious practices Its chapters study sermons in their own right and in relation to written texts the battle to control spaces for public performance by civic and religious authorities and singing texts in sacred spaces

Queer Italia: Same-Sex Desire in Italian Literature and Film G. Cestaro, 2004-07-22 Queer Italia gathers essays on Italian literature and film medieval to modern The volume s chronological organization reflects its intention to define a queer tradition in Italian culture While fully cognizant of the theoretical risks inherent in trans historicizing sexuality the contributors to this volume share an interest in probing the multi form dynamics of sexual desires in Italian texts through the centuries The volume aims not to promote the mistaken notion of a single homosexuality through history Rather these essays together upset and undo the equally misguided assumption of an omnipresent heterosexuality through time by uncovering the various complex workings of desire in texts from all periods Somewhat paradoxically a kind of queer canon results These essays open a much needed critical space in the Italian tradition wherein fixed definitions of sexual identity collapse Queer Italia is the first and only work of its kind in Italian criticism As

such it will be of interest to a wide audience of Italianists medieval to modern and queer cultural theorists **Italian Studies on Quality of Life** Adele Bianco, Paola Conigliaro, Michela Gnaldi, 2019-05-14 This volume provides an overview of the ways the Italian school of quality of life studies addresses well being and quality of life from both a substantive and a methodological point of view It discusses various topics such as those of equitable and sustainable wellbeing lifestyles the organization of economy and welfare as well as aspects related to the measurement of quality of life in small towns institutional transparency and corruption prevention indicators Chapters presented in this volume are drawn from papers presented at the conferences of the Italian Association for Quality of Life Studies AIQUAV held in Florence Italy in 2015 and 2016 The volume is organised into three parts The first part is devoted to methods and indicators for research on quality of life the second part to social sustainability lifestyles cultural aspects and local applications and the third to economy welfare and quality of life The volume hosts contributions that are interdisciplinary in scope and mirror the complexity of the globalized world The Civilization of the Italian Renaissance Kenneth R.
