William G. Britton

Sins We Love Embracing Brokenness Hoping For Wholeness:

Sins We Love Randy Rowland, 2000 Theologian Rowland guides readers through an honest transformative look at their vices and virtues While admitting they love to sin is necessary so is understanding the many different sins people love Rowland uses the Seven Deadly Sins to guide readers back to the path leading to God He writes the antidote to sin comes in the form of virtues which combat sin and bring readers closer to God Beyond the Enneagram Marilyn Vancil, 2022-10-18 Step into the transformative life God invites you to enjoy using the wisdom of the Enneagram paired with fresh tools and insights If you long to be free from the coping mechanisms that keep you stuck this is the book for you Amy Wicks Enneagram life coach for female entrepreneurs For more than thirty years Marilyn Vancil has studied written about and taught the Enneagram She knows full well how using this system of nine personality types in combination with deep scriptural truths can lead people to a life of freedom Now Vancil offers a way to deeper wholeness beyond the classic Enneagram Vancil proposes an enhancement called The Drawing which includes the Enneagram s wisdom but also focuses inwardly toward the center space and extends beyond the existing circle As with other spirals and circles to illustrate the spiritual life the primary movement of The Drawing is toward the middle space our Spiritual Center the transcendent way of knowing beyond the more commonly recognized Centers of the Gut Heart and Head used to categorize the Enneagram types The Drawing depicts the holy attraction of our spirits toward God s spirit as our ultimate destiny Vancil presents these sacred shifts to lead us from debilitating self orientation to God centered living from What I Am to Who I Am from Reactive to Responsive from Bondage to Freedom from Wounded to Whole from Shakable to Unshakable from Burdened to Rested The wisdom and practical steps that Marilyn Vancil provides will lead you to places of profound spiritual discovery and help you chart a course toward the wiser more spiritually attuned person you long to become I've Seen the Lightning Flashing Dr. Kim Yancey James, 2022-01-24 As a servant leader you will experience lightning wars because your commitment to follow Christ and love the people comes with a cost and that is sharing your heart and spending much of your time with persons who do not really know you Remember the disciples did not fully understand the identity and mission of Jesus The Holy Spirit constantly reminds me of this They witnessed Jesus healing the sick and raising the dead but they did not know Jesus We have not healed the sick nor raised the dead Therefore we should not be surprised if people that we think would know our heart and spirit do not Worldview as Worship Eddie Karl Baumann, 2011-08-01 The goal of many evangelical educators is to facilitate biblical thinking and the worldview transformation of their students Yet aside from upholding a set of moral behaviors or maintaining positions on issues perceived to be Christian the goals and aspirations of most evangelical young people differ little from their unbelieving peers As George Barna has noted We have a generation coming up that isn t looking at Christianity to answer spiritual concerns We either change or we lose them Worldview as Worship contends that the approach taken by most evangelical educators to the issue of worldview transformation has neglected to address two

fundamental components of worldviews First that our initial worldviews are not philosophical systems but rather faith dispositions and that worldview transformation cannot simply present the biblical worldview as a more rational or logical system but must address issues of the heart as well as the mind Second unlike philosophies that are individual worldviews are communal and are learned and transformed within the context of community practice Appealing to Paul's teaching in Romans 12:1-2 Worldview as Worship approaches the renewing of your mind as the result of the believer's presentation of themselves as a holy sacrifice which is your spiritual service of worship The book advocates an approach to worldview transformation that focuses on believers as apprentices rather than simply as students an approach that holds true to the biblical model of discipleship As a result worldview transformation works best when the application of faith to the issues of learning and life are modeled by the faith community and where students are given the opportunity to put faith into practice

Clark, 2006 Popular author Clark journeys through the unique nature of the female mind and the freedom found in shifting our thoughts from the everyday to the eternal Practical Life Peace in the Brokenness Gina Holm, 2016-12-20 We may not all be broken in the same ways but it doesn't take long to feel the brokenness all around us Sickness strikes careers come to an end dreams are shattered relationships crumble marriages fall apart and children rebel If we are not careful we allow the brokenness to define us Peace in the Brokenness is where the truths of Scripture and the brokenness of life collide bringing hope to the reader that soul resting peace is not only available but can be found in the midst of our most shattering circumstances Wisdom From the Margins William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price
