Sisters Of The Circle One Woman's Journey To Wholeness:

Sisters of the Circle Carol Haefner, 2003 Chronicles the triumphant journey of the power of love courage and community over fear shame and isolation *Healing and Hope* Betty Ford, 2004-11-02 A moving account of six former alcoholics and Betty Ford graduates among them a teacher a housewife and a gang member with commentary from Ford herself Self There was a lot of drinking and codependence in my extended family Sitting in my jail cell I thought about how many funerals I had attended over the years of family members whose lives had ended in violence or suicide I never once heard of them getting help There was never any mention of AA The only way out of their terrible lives was just to die It was one hell of a legacy Laurette Laurette's story is remarkable but she's not alone She is one of six women in *Healing and Hope* who experienced the pain and devastation of addiction and managed to break free Originally brought together by the Betty Ford Center's twentieth anniversary reunion these women share their poignant stories in this book Their combined voices create a groundbreaking and ultimately triumphant memoir that lays bare the destructive power of addiction *Never Perfect Always Blessed* Lesley-Ann Forbes, 2021-07-27 *Never Perfect Always Blessed* recounts one woman's journey to wholeness Revealing intimate and empowering insights on the author's teen pregnancy the challenges she faced as she raised her son without his father and her journey to self awareness self love and genuine happiness Running throughout the narrative is a deep felt belief in the opportunity that our life experiences offer growth and gifts from God Created at the onset of her mother's diagnosis with Alzheimer's these autobiographical tales honour her mother and her mother's contribution to her life journey At the same time the stories demonstrate the influence of family culture friends and spiritual awareness Written with passion and authenticity this memoir provides hope for anyone who suffers from a lack of self worth rejection depression or sadness It offers the assurance that current circumstances however difficult or dark don't have to determine the future We are all worthy and valuable and can create the lives that we want just as Lesley Ann did This narrative will especially appeal to single mothers who can often feel alone tired insecure and stigmatized Lesley Ann has been there and she speaks directly to those women giving hope warmth and acceptance [A JOURNEY TOWARDS WHOLENESS](#) Gloria Blase Theodore, 2022-02-19 From the day of our birth to the day we leave this earth we are all on a journey toward wholeness My experiences with God began in my preteen and teen years of being abused It was during that time that I met a very special man His name is Jesus Christ to whom I surrender all Read to discover the many ways God has proven His presence His love His protection His provisions His forgiveness His mercy and His constant unconditional love which can happen to you too **Navigating Chronic Illness** Margaret Bending, 2025-10-07 What if chronic illness became the doorway to your greatest healing In 2007 Margaret Bending received life changing news she had been living with lymphocytic Leukaemia for years without knowing it What followed was not just a battle with illness but a journey of transformation In this deeply personal memoir Margaret shares how she moved from survival finding healing in unexpected places from ancient rituals in

South America to the quiet wisdom of nature at home in Australia Along the way she discovered a deeper purpose joy and energy proof that living with chronic illness can also be a path to wholeness Navigating Chronic Illness is a story of courage spiritual growth and self love offering hope and inspiration to anyone seeking healing and meaning in the face of life s challenges **The Bridge to Wholeness** Jean Benedict Raffa,1992 *The Person Inside* Myra H. Doyle,2024-05-16 It s human nature to want and expect to be loved and accepted God made us that way Because God loves us and accepts us we expect family and friends to feel the same way That doesn t always happen not even in Christian homes We are spirit and we have a soul and we live in a body There is a uniqueness that God places in each one of us It is what makes us different from one another Our innateness is created by God That is what is inside the person Abuse can cloud and even destroy the person inside Nothing is more personal than abuse It is an intentional direct attack on the personhood of an individual It is the canceling the erasing of the naturalness of a person The abuser is committing a do over on the child or spouse or whomever whether it be physical sexual or psychological abuse I am a delivered and healed survivor of child abuse I received deliverance and inner healing from Jesus Christ He has set the person inside free to be who he created me to be And he can do the same for you My hope is that everyone be delivered from their past and healed of their wounds **Just a Sister Away** Renita J. Weems,1988 Weems has created a milestone in women s literature a book that sheds light on the relationships of biblical women in new and meaningful ways that connect women across class culture race and time

Women, Ritual, and Power Elizabeth Ursic,2014-09-30 Reveals the triumphs and struggles of contemporary Christian congregations to express female imagery of God in worship Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church In *Women Ritual and Power* Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy *Women Ritual and Power* is an important contribution to the theological world Elizabeth Ursic sheds light on what has enabled churches to include female images for the divine and provides multiple narratives of the negative reactions to such images As she displays how gender is understood in Christian worship with evidence that some churches do include feminist imagery the continuing presence of patriarchy is also revealed The book is basically about the constructive function of the inclusion of feminine images for all One of the main reasons we need this book is that Ursic perceives there is a much wider larger group of Christians who would love to have more feminist images than is recognized in churches and church practices Mary McClintock Fulkerson author of *Changing the Subject Women s Discourses and Feminist Theology* **Liberating Eschatology** Letty M.

Russell, Margaret A. Farley, Serene Jones, 1999-01-01 This volume addresses a theme long essential to feminist and liberationist theology in what can we hope and what role should hope play in our actions and our lives It provides a constructive set of proposals and fills a crucial gap in theological resources as well known contributors address the theme from their different contexts and fields *Forthcoming Books* Rose Army, 2003-04 **Out of the Skin Into the Soul**

Dorothy Albracht Doherty, Mary Colgan McNamara, 1993 **Butterfly Awakens** Meg Nocero, 2025-07-30 One woman's dark night leads her on a journey to find her light Butterfly Awakens depicts the story of the extraordinary transformation of a forty something Italian American attorney as she moves through unimaginable grief and sadness watching her beloved mother lose her battle to breast cancer This tumultuous life experience shifts her world causing her to question her life choices and opening her up to her soul's calling Nocero brings readers along on her journey through a dark night of the soul as she deals with the grieving process a toxic work environment and intense stress that results in depression anxiety and an acquired somatic nervous disorder called tinnitus Through it all she never gives up instead looking for the help she needs to start to heal and find her light In the end like the metamorphosis from caterpillar to butterfly this story is a beautiful love letter that honors Nocero's mother's legacy while detailing the awakening of her own There are many stories about breast cancer and grief but none are quite like this one Throughout her tale Nocero pulls the reader deep into her story through the intensity of her emotions and in the end after resigning from her career as a federal prosecutor due to a toxic administration she searches for the lighthouse she saw in a vision when her mother died Embarking on a spiritual pilgrimage on El Camino de Santiago in Northern Spain to get to the lighthouse at Cap Finisterre she sets out to wake up and live again the butterfly connection and stark honesty of her writing offers readers important lessons learned from moving through grief so that each person can shine their light again **She Is Everywhere!
