Six Crises:

Six Crises Richard Nixon, 2013-01-08 For many years before he became President Richard Nixon's decisions vitally affected the well being of the nation Six of those decisions significantly shaped the man who would later become the 37th President of the United States *Six Crises* is a close up look at this dynamic man recalling the demands placed upon him the thinking behind his decisions and the pressures of political life *Richard Nixon* Paul Carter, 2023-09 2023 Foreword INDIES Gold Winner in Biography 2024 Eric Hoffer First Horizon Award Winner 2024 Eric Hoffer Reference Book Award Winner 2024 Eric Hoffer Grand Prize Short List 2024 Best Book Award Winner in Biography sponsored by American Book Fest Modern biographies of Richard Nixon have been consumed with Watergate All have missed arguably the most important perspective on Nixon as California's native son the only U S president born and raised in California In addition Nixon was also a son brother friend husband father uncle and grandfather By shifting the focus from Watergate and Washington to Nixon's deep defining roots in California Paul Carter boldly challenges common conceptions of the thirty seventh president of the United States More biographies have been written on Nixon than any other U S politician Yet the territory traversed by Carter is unexplored revealing for the first time the people places and experiences that shaped Richard Nixon and the qualities that garnered him respect from those who knew him well Born in Yorba Linda and raised in Whittier California Nixon succeeded early in life excelling in academics while enjoying athletics through high school At Whittier College he graduated at the top of his class and was voted Best Man on Campus During his career at Whittier's oldest law firm he was respected professionally and became a chief trial attorney As a military man in the South Pacific during World War II he was admired by his fellow servicemen Returning to his Quaker roots after the war he was elected to the U S House of Representatives the Senate and the vice presidency all within six short years After losing to John Kennedy in the 1960 presidential campaign Nixon returned to Southern California to practice law After losing his gubernatorial race he reinvented himself he moved to New York and was elected president of the United States in 1968 He returned to Southern California after Watergate and his resignation to heal before once again taking a place on the world stage *Richard Nixon California's Native Son* is the story of Nixon's Southern California journey from his birth in Yorba Linda to his final resting place just a few yards from the home in which he was born **Six Crises** Richard Milhous Nixon, 1962 His personal reactions to such political events as the Hiss case and the campaign of 1960 For contents see Author Catalog *Shame and Humiliation* Blema S. Steinberg, 1996 Blema Steinberg adopts a psychoanalytical approach in her examination of the decision making of Lyndon Johnson Richard Nixon and Dwight Eisenhower during the Vietnam War She argues that personality traits such as narcissism influenced critical decisions they made about U S intervention in Vietnam **New York Magazine**, 1974-08-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering

everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The Invincible Quest Conrad Black, 2009-02-24 The *Invincible Quest* is an authoritative biography of one of the most accomplished and controversial leaders of the twentieth century Beginning with Richard Nixon's birth to Quaker parents in 1913 and ending with his death in 1994 Conrad Black traces Nixon's career assessing both his achievements and the evolution of popular and historical thinking about him since his death Drawing on recently opened tapes and documents and on Black's personal interviews with many of the major players in Nixon's administration The *Invincible Quest* reveals a new side of Nixon a man who didn't have the advantage of charisma but was surprisingly self-assured and effective a man dogged by political scandal yet seemingly unstoppable Opinionated balanced and perceptive The *Invincible Quest* makes a significant contribution to re-evaluating the idiosyncratic president's entire eventful career

Television and the Making of Richard Nixon William T. Horner, 2022-07-13 While Richard Nixon's accomplishments and shortcomings are well documented one often ignored aspect of his career is his influence on the media conduct of politicians Nixon pioneered the use of visual media in politics beginning in the 1940s during his Congressional service His historic Checkers speech was the first of its kind a politician using television to save his political career His appearances on entertainment television which are now a normal feature of most national political campaigns broke new ground as well This book details the blueprint Nixon set for using television to achieve political goals Presidents have often used innovative media as strategic methods of communication and public relations The author argues that Nixon pioneered television media using it consistently to connect with the American public

Reinventing Richard Nixon Daniel Frick, 2023-04-21 Nixon's the One proclaimed his campaign paraphernalia Tricky Dick retorted his detractors From presidential savior for conservative America to bête noire for the political Left the Richard Nixon persona has worn many masks and labels In fiction and poetry and pop songs in television and film no other national political figure has so thoroughly saturated our public consciousness with so many contrasting images Focusing on the process of Nixon's continuous reinvention Daniel Frick reveals a figure who

continues to expose key fault lines in the nation's self definition Drawing on references ranging from All in the Family to Zappa and the Mothers of Invention he shows how Nixon has become one of America's most durable and multifaceted icons in the ongoing and fierce debates over the import and meaning of the last sixty years of national life Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements Whether your image of Nixon is shaped by his autobiography Six Crises Oliver Stone's surprisingly sympathetic film Nixon John Adams's landmark opera Nixon in China or by the saga of Watergate Reinventing Richard Nixon expands on all perspectives It shows how through these contradictory mythic stories we continue to reinvent much like Nixon himself our own sense of national identity

In Search of Nixon Bruce Mazlish, 2017-07-05 Who was the real Richard Nixon and why did he behave the way he did In this innovative work a distinguished historian trained in psychoanalysis unravels the riddle of Nixon's singularly opaque political personality Neither a political biography nor a clinical psychoanalysis at the time of its initial publication In Search of Nixon launched a new genre of scholarship the psycho historical inquiry Mazlish offers insight into the subtle interplay between Nixon the man and Nixon the public figure Why for example did Nixon have such personal difficulties in making decisions Knowing how the young Nixon learned to cope with the problems of his childhood what can we infer about his unpredictable decisions on Communist China inflation and the Supreme Court Bruce Mazlish applies psychoanalysis to history in order to understand Nixon's behaviour decisions and political stance He explains why Nixon characteristically projected personal crises onto the political arena as for example in the famous Checkers speech or in the Haynsworth Carswell affair And he examines why conversely political questions such as pacifism abortion and subversion had such a peculiarly personal meaning for him
