Development in Sport Steven B. Rynne, Clifford J. Mallett, 2024-05-24 The Routledge Handbook of Coach Development in Sport is a comprehensive text that underscores the importance of learning and context for those who sculpt the environment in which people of all ages develop in and through sport Coaches and those responsible for the development of coaches are best positioned as both learners and facilitators of learning As sport becomes more globalised the concomitant professionalisation of coaches necessitates ongoing learning and development to embrace new knowledge and understanding Moreover contemporary coach development presents as a wicked problem in that it continues to evolve it is contextually bound and there is no single or obvious way to approach it Problematically there is often limited assistance available to support coaches and coach developers in their ongoing development As such this book provides a truly international reference point that brings together leading scholars and practitioners from across the globe to provide an overview of the theories and practices of coaches and coach developers that are impacting the quality of sporting environments Therefore this book is an important reference for researchers scholars and practitioners alike in the fields of Sport Coaching Coach Development Sport Development Sport for Development Physical Education and related disciplines *The Ultimate Guide to Weight Training for Tennis* Rob Price, 2014-05-14 A program for exercising more efficiently by targeting the muscles you use specifically for tennis **NAGWS Tennis Guide** National Association for Girls & Women in Sport, 1986 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1979 **The Ultimate Guide to Weight Training for Tennis** Robert Price, 2004-09 A must have for any competitive tennis player looking to accelerate his or her skills Complete with year round workout programmes designed specifically for tennis there is no longer a reason to follow a general fitness routine By doing exercises that target tennis specific muscles you will be exercising more efficiently as well as optimising your performance on the court **The "average American" Book** Barry Tarshis, 1979 Brings together the findings of social scientists public opinion experts market researchers and government statisticians to reveal how Americans eat sleep dress think play love and work **American Lawn Tennis**, 1928 *Coaching Tennis Successfully* United States Tennis Association, 2004 Coaching Tennis Successfully covers key areas for developing a winning tennis programme including all key on and off court organization and management duties **Playing Tennis Like a Pro** William Ralston, 2016-07-31 A great technique is not enough To succeed in tennis each day you must overcome challenges that affect where and how you play Playing Tennis like a Pro addresses these challenges with its clear focus on empowering you to make the decisions that are right for you and your game Drawing upon his personal experience on the tennis circuit William Ralston analyses the key stages on the journey to becoming a more successful tennis player combining his own knowledge with that of some of the sport's leading players coaches and experts While guiding you through the trickier aspects of the sport Playing Tennis like a Pro helps you to find answers to those all important doubts that can so often hold you back from realizing your potential With colour photos and explanatory illustrations the book provides an in depth analysis of the
