

... and a SIXPENCE in Her Shoe.

THE OFT-FORGOTTEN LINE OF THE POEM FOR BRIDES
ENSURES GOOD LUCK AND PROSPERITY

Got something in your shoe? If it's your wedding day, that's good news. Since the age of Queen Victoria, many a bride from Britain and other Commonwealth countries (like Canada) has followed the longstanding tradition of placing a sixpence in the left shoe for good luck on her wedding day.

The complete poem reads,

*"Something old, something new,
Something borrowed, something blue,
And a sixpence in her shoe."*

Modern brides like to tick off the first four on the list but often forget about the last. What do they all mean, anyway?

Something old symbolizes continuity, especially with family. By carrying a token from your mother or grandmother, you are creating a link between their lives and yours.

Something new carries with it the optimism of a fresh life. You and your husband will be beginning a

journey together and something new represents that bright future.

Something borrowed is an item loaned to the bride from a happily married friend or family member. It is significant because it embodies the hope that the lender's good fortune in marriage will rub off on the new couple.

Something blue is a nod back to history, when the colour symbolized love, purity and fidelity. Blue was a common colour for wedding dresses. Since the Virgin Mary was often depicted in blue, a bride who was pure would usually wear an item of blue, sometimes a ribbon woven into her hemline.

And the sixpence? It's a small silver coin minted from the 1800s in England continually through the decades until 1967. It was worth six pennies. Over the years, the coins have proudly worn the crowned heads of Queen Victoria, King Edward VII, King George V, King George VI, and Queen Elizabeth II. Originally minted in pure silver, they were eventually produced as only 50% silver, and finally had none at all after 1946.

Often difficult to find now, a real silver sixpence can be a cherished gift to a bride about to take her long walk to the altar. Online vendors like SilverSixpence.com sell a variety of affordable pieces from a range of years, some first minted more than 100 years ago. Or you can opt for a sixpence pendant or anklet.

Of course if you can't find your own original sixpence, any silver coin will do. For a modern take on the tradition, why not carry the silver coin from the Royal Canadian Mint that has the engraved images of the Duke and Duchess of Cambridge? It's sure to bring extra good luck with the young Royals secretly "attending" your wedding.

So after you've remembered your other *some-things*, don't forget to add a lucky coin. You'll be following in the footsteps of more than a century's worth of happy brides! **CE**
