Audacity of Speaking in Tongues Oppong Kyekyeku, 2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom Many doubts which surrendering it are creating fear instead of faith for its authenticity meanwhile Jesus promised every believer as one of the signs to follow us Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus's prophecy Peter couldn't ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told

The Practice of Prophecy Li Ming Dennis Lum, 2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of

Perfect Love John MacArthur, 1985 **1, 2, 3 John and Jude** John F. MacArthur, 2016-06-28 In the face of false teachings about Jesus, the apostle John took a direct approach. I heard Jesus speak, he wrote. I saw him. I even touched him. Just as we would write about someone we knew and loved, John told the early believers the truth about the Savior. But he didn't let them off the hook without an examination of their lives. Pastor John MacArthur will take you through these short but impactful letters, passage by passage, so that you can better understand their message of forgiveness, how to uphold a biblical faith, and the real dangers of spiritual warfare. John was not alone in his concern about the influence of false teachers in the early church. Jude, a half brother of Christ, also wrote to the believers. In his letter, he firmly urged all believers to fight for truth and encouraged all followers of Jesus to stand firm in the faith.
