Speaking Through My Skin:

Speaking Through My Skin Bruce A. Jacobs, 1996 *Speaking Through My Skin* by Bruce A Jacobs is a collection of 45 poems They demonstrate his firm command of language and form and are full of surprises and original observations **We Speak Through the Mountain** Premee Mohamed, 2024-06-18 The enlivening follow up to the award winning sensation *The Annual Migration of Clouds* Traveling alone through the climate crisis ravaged wilds of Alberta's Rocky Mountains 19 year old Reid Graham battles the elements and her lifelong chronic illness to reach the utopia of Howse University But life in one of the storied domes the last remnants of pre collapse society isn't what she expected Reid tries to excel in her classes and make connections with other students but still grapples with guilt over what happened just before she left her community And as she learns more about life at Howse she begins to realize she can't stand idly by as the people of the dome purposely withhold needed resources from the rest of humanity When the worst of news comes from back home Reid must make a choice between herself her family and the broken new world In this powerful follow up to her award winning novella *The Annual Migration of Clouds* Premee Mohamed is at the top of her game as she explores the conflicts and complexities of this post apocalyptic society and asks whether humanity is doomed to forever recreate its worst mistakes *Speaking from the Body* Angie Chabram-Dernersesian, Adela de la Torre, 2008-11-20 In compelling first person accounts Latinas speak freely about dealing with serious health episodes as patients family caregivers or friends They show how the complex interweaving of gender class and race impacts the health status of Latinas and how family spirituality and culture affect the experience of illness Here are stories of Latinas living with conditions common to many hypertension breast cancer obesity diabetes depression osteoarthritis rheumatoid arthritis dementia Parkinson's lupus and hyper hypothyroidism By bringing these narratives out from the shadows of private lives they demonstrate how such ailments form part of the larger whole of Latina lives that encompasses family community the medical profession and society They show how personal identity and community intersect to affect the interpretation of illness compliance with treatment and the utilization of allopathic medicine alternative therapies and traditional healing practices The book also includes a retrospective analysis of the narratives and a discussion of Latina health issues and policy recommendations These Latina cultural narratives illustrate important aspects of the social contexts and real world family relationships crucial to understanding illness *Speaking from the Body* is a trailblazing collection of personal testimonies that integrates professional and personal perspectives and shows that our understanding of health remains incomplete if Latina cultural narratives are not included *Speaking From Among the Bones* Alan Bradley, 2013-01-29 In the fifth book of the New York Times bestselling series featuring Flavia de Luce Alan Bradley pens his most chilling mystery yet and introduces a new character into the mix whose actions will have lasting consequences on Bishop's Lacey the de Luce family and especially Flavia herself When the tomb of St Tancred is opened at the village church in Bishop's Lacey its shocking contents lead to another case for Flavia de Luce Greed pride and murder

Hogg's Instructor, 1849 Tough Luck L.A. Murray Sinclair, 2019-07-30 Edgar Award Finalist Ben Crandel came to Hollywood to strike it big as a writer not become the prime suspect in a prostitute's murder. L.A. seemed like a good idea at the time. Having published two novels Ben Crandel left a sweet teaching job back east and moved to Hollywood to write a screenplay. Now languishing in development limbo he pays the rent on his seedy bungalow by cranking out porn novels. And his girlfriend Ellen has decided she needs some time apart. The only bright spots in his life are being a Big Brother to an eleven-year-old orphan named Petey and walking his drooling but lovable basset hound Stanley. But Ben's crappy California life is about to get a whole lot worse. Ben's friend Vicky, a former prostitute, is beaten and murdered in her apartment, shot execution style in the back of the head. The Beverly Hills police grab Ben at the crime scene and charge him with first-degree murder. Freed on bail, Ben is determined to track down Vicky's real killer. At first it seems like her death may be connected to the adult film industry. But as Ben digs deeper, he becomes entangled in a multimillion-dollar game of survivor take all. Praise for the Ben Crandel Mysteries: Sinclair has the unique ability to dish out hard-edged realism with believability or not, a touch of humor. *Goodbye L.A.* is a fine piece. Only one thing stands between Tarian and his crown: a woman prophesied to be his downfall. He'd expected a formidable enemy, but what he found was a human librarian. One who seems to have a penchant for recklessness and a serious lack of self-preservation. One who poses a serious dilemma: How to take his crown when he can't remove the one thing standing in his way. Imogen has always fought to keep control. Control of herself, control of her life. Because when the world thinks you're crazy, you have to show you aren't. Especially when you're not sure yourself. But when a fae prince takes her to another realm, she's forced to face her biggest fears. Was she right all along, or has she finally lost her mind? With a strange bond pulling them together and dangers lurking around every corner, will they find
