Special Assessment A Novel:

Special Assessment Marvin J. Nodiff, 2002 **The Complete Novels of Sinclair Lewis** Sinclair Lewis, 2023-11-23 The Complete Novels of Sinclair Lewis is an essential anthology that encapsulates the breadth of Lewis's literary prowess featuring a comprehensive collection of his groundbreaking works. Known for his sharp social commentary and keen psychological insights, Lewis employs a realist literary style intertwining humor and satire with profound character studies. This compilation offers readers an in-depth exploration of American society in the early 20th century, tackling themes such as capitalism, conformity, and the quest for identity, with iconic novels like *Main Street*, *Babbitt*, and *Arrowsmith* illustrating the undeniable complexities of the American experience. Sinclair Lewis, the first American to receive the Nobel Prize in Literature, emerged as a critical voice during a time of significant social change. Lewis's own experiences in America, combined with his keen observations of small-town life and the burgeoning corporate landscape, shaped his understanding of the societal flaws he so eloquently critiques in his works. His profound ability to portray the struggles of individuality within a conformist society highlights his status as a precursor to later literary movements such as modernism. For readers interested in the interplay of character, society, and the psychological undercurrents of American life, *The Complete Novels of Sinclair Lewis* serves as both an enlightening journey and an important historical document. This anthology is highly recommended not only for its literary merit but also for its poignant relevance in today's discourse on American identity and values. *Hollywood Movie Novels*, 1919 The Novels of Stephen Birmingham Stephen Birmingham, 2017-09-05 A quartet of novels from the New York Times bestselling author of *Our Crowd* and master chronicler of Manhattan's rich, famous, and deceitful. These four gripping novels prove that when it comes to the folkways of the rich, the powerful, and the privileged, Stephen Birmingham knows what he's talking about. *Los Angeles Times* Carriage Trade: One of New York's most elegant and exclusive retail establishments, Tarkington's has been the preferred shopping experience of Manhattan's elite for decades. But the unexpected death of founder Silas Tarkington raises serious doubts about the future of the enterprise. At the reading of his will, disturbing questions arise about the tycoon's past, and suggestions of a dark secret life threaten to tear the family apart. The truth could destroy much more than the family business, especially as it becomes more and more likely that Silas's death was no accident. A page-turner that offers a little bit of the best of everything. *The New York Times* The Wrong Kind of Money: The Liebling family is among the wealthiest in New York, but in the eyes of old-money gentile aristocrats like the patrician Van Degans, they will always be lower-class Jewish nouveau riche. Jules Liebling got his start selling liquor during Prohibition while in cahoots with dangerous mobsters, and his widow Hannah now runs the family business with a tyrannical hand. But when her daughter-in-law meets Georgette Van Degan for lunch at Le Cirque, gossip circulates about a thaw between the families, and quite possibly a partnership. As rumors fly in this fast and wonderful novel that has something for everyone, family skeletons on both sides are exposed, leading to jealousy, betrayal, and even violence. *Cincinnati Enquirer* The Auerbach

Will The daughter of poor immigrant Russian Jewish parents on the Lower East Side Essie Litsky married Jack Auerbach and together they rose from poverty and amassed a fortune that dwarfed their wildest dreams But money could never buy the affection of family or compensate for the true love Essie let slip away And now as she nears the end of her life she must contend with blackmail and heartless legal assaults coming at her from all sides the result of the ugly persistent greed of her own children and grandchildren But Essie is not dead yet and those who underestimate the remarkable old woman are in for a shocking and powerful surprise This New York Times bestseller is full of delicious secrets drawn from the gossipy Uptown Downtown milieu Birmingham knows so well Kirkus Reviews Shades of Fortune Mireille Mimi Myerson took her grandfather's struggling cosmetics company and turned it into an empire But suddenly as she prepares to launch a new perfume line she is faced with hidden threats at every turn Her efforts to further expand the company could be sabotaged from within by her own treacherous family With the discovery of her husband's affair and the return of real estate magnate Michael Horowitz her first and most enduring love Mimi must determine whom she can trust especially in light of the shocking revelations that are about to emerge regarding the birth of the Miray Corporation
