## **Suicide And Young People:**

*The Urge to Die* Peter L. Giovacchini, 1981      Suicide and self harm in young people Eve Griffin, Elaine McMahon, Laura Hemming, Jo Robinson, 2023-02-10      Early Identification and Intervention of Suicide Risk in Chinese Young Adults Elsie Ong, 2021-11-27 This book presents a concise introduction to the contemporary research and practice of suicide prevention and it addresses the cognitive and neurological aspects of suicide With the inclusion of extensive thought provoking material this book is of great value to clinicians researchers educators students and anyone who are broadly interested in suicide assessments and interventions The authors overview of different theories of suicide is also particularly useful for anyone aiming to understand and appropriately respond to the suicidal behavior of individuals in particular young adults and students The erudite authors analysis of the research topics within suicide makes this book valuable to educators students and researchers who care about prevention and protection from suicide As the book addresses common issues in treating individuals at risk of suicide this represents an essential resource for anyone working with this high risk population Since this substantive and authoritative book shows for the first time how innovative tools such as neuroimaging tools and mobile apps can be used in suicide intervention this book is a useful resource for all those interested in keeping up to date with recent research and practice in suicide      *Self-Harm in Young People: A Therapeutic Assessment Manual* Dennis Ougrin, Tobias Zundel, Audrey V Ng, 2009-08-28 Self harm is a distressing and all too common presentation to emergency departments and yet there is no clear understanding of what it represents and success rates of interventions to prevent future episodes are enormously variable Therapeutic Assessment for self harm is a pragmatic model developed by the authors of this book and forming an orga      **Understanding Children and Young People's Mental Health** Anne Claveirole, Martin Gaughan, 2011-06-24 Understanding Children and Young People's Mental Health has been designed to help the student and newly qualified health care professional to familiarise themselves with the key theoretical frameworks underpinning the field of children and young people's mental health It explores the mental health challenges that children and young people face and how we as adults can work alongside them to help them face and overcome such challenges This book provides comprehensive information on the theory and practice of particular mental health difficulties which children and young people may have to face including self harm depression suicide child abuse eating disorders substance misuse and early onset psychosis Understanding Children and Young People's Mental Health is essential reading for pre registration students in nursing and healthcare on child and mental health branches and for newly qualified nursing health and social care practitioners who work with children and young people Brings together specialist practitioners and academics in the field Incorporates the latest guidelines and policies Practical and accessible in style with learning outcomes activities examples and recommended reading in each chapter      A Guide to the Mental Health of Children and Young People Meinou Simmons, 2022-11-03 An accessible guide for parents caregivers and teachers looking to understand children and young

people's mental health and well being      **Suicide and Young People** Arnold Madison, 1978 Discusses possible causes for the rising rate of suicide among young people      *Young People And Social Change* Furlong, Andy, Cartmel, Fred, 2006-12-01 Examines modern theoretical interpretations of social change in relation to young people and provides an overview of their experiences in a number of key contexts such as education employment leisure health crime and politics This second edition offers introductory text for students in sociology of youth sociology of education and more      What Young People Want from Mental Health Services Kerry Gibson, 2021-09-27 Young people experience one of the highest rates of mental health problems of any group but make the least use of the support available to them To reach young people in distress we need to understand what this digital generation want from mental health professionals and services Based on interviews with nearly 400 young people this book offers a vision of youth mental health issues and services through the eyes of young people themselves It offers professionals important insights into the meaning of identity and agency for this generation and explores how these issues play out in young people's expectations of mental health support It shows how despite young people's immersion in digital technology genuine and trusting relationships remain a key ingredient in their priorities for support It considers what access to mental health support means for a generation who have grown up with the immediacy enabled by digital technology Young people's accounts also provide crucial insights into how they are using digital resources to manage their own mental health in ways often not appreciated by professionals who design internet interventions *What Young People Want From Mental Health Services* offers clear guidance to counsellors psychologists psychiatrists youth workers social workers service providers and policymakers about how to work with youth and design their services so they are a better match for young people today It contributes to a growing movement calling for a Youth Informed Approach to mental health to address the needs of young people      **Children and Young People's Nursing** Alyson M. Davies, Ruth E. Davies, 2016-10-03 Underpinned by a rights based approach this essential text critically analyses the theory and practice of children and young people's nursing from several perspectives public health acute and community based care education and research Chapters address the clinical legal ethical political and professional issues and controversies which impact on the care delivered to children young people and their families both nationally and internationally This new edition continues to promote reflection and critical thinking about the practice of children's nursing and professional development      **Youth and Inequality in Education** Michael Heathfield, Dana Fusco, 2015-07-30 The transition to adulthood for many is mediated by class culture and local global influences on identity This volume analyzes the global injustices that create inequities and restrict future opportunities for young people during this transitional time including poverty unemployment human rights race ethnicity and location It critically examines global instances of youth discrimination offering positive strategies and practices such as youth work that successfully remediate these injustices With international contributions from Aotearoa New Zealand Australia England Malaysia Peru Philippines Portugal Morocco Jordan and the U S this volume is particularly

important to researchers and scholars in the fields of youth studies education and social work      **Kiplinger's Personal Finance**, 1982-06 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics      Children, Young People and the Press in a Transitioning Society Faith Gordon, 2018-03-10 This book assesses the implications of how children and young people are represented in print media in Northern Ireland a post conflict transitioning society Gordon analyses how children and young people's perceived involvement in anti social and criminal behaviour is constructed and amplified in media as well as in popular and political discourses Drawing on deviancy amplification folk devils and moral panics this original study specifically addresses the labelling perspective and confirms that young people are convenient scapegoats where their negative reputation diverts attention from the structural and institutional issues that are inevitable in a post conflict society Alongside content analysis from six months of print media and a case study on the representation of youth involvement in sectarian rioting this book also analyses interviews with editors journalists politicians policy makers and a spokesperson for the Police Service of Northern Ireland Noting the importance of prioritising the experiences of children young people and their advocates this timely and engaging research will be of specific interest to scholars and students of criminal justice criminology socio legal studies sociology social policy media studies politics and law as well as media professionals and policy makers      **The Mental Health Needs of Children and Young People: Guiding You to Key Issues and Practices in CAMHS** Jane Padmore, 2016-01-16 This book is an accessible and practical guide to all of the key issues and practices in mental health care for children and young people aimed at all health and social care professionals working with this age group and partner agencies who work alongside child and adolescent mental health services Written by an expert in the field the book brings clarity to practice by exploring and explaining the context role and processes involving child and adolescent mental health services It also sets out the specific mental health difficulties young people and their families present to services as well as how to make good health assessments plans and interventions used in the treatment of children and young people including managing risk and safeguarding Features of the book include Questions to encourage your reflection on different key issues in your own practice Up to date information on current policy Key points summaries and suggested further reading at the end of each chapter This text will be an invaluable tool for all students and practitioners working with children and young people in a health context This book should become a key textbook of choice for a wide range of health care professionals and students It encourages autonomous learning and helps develop critical analytical skills Each chapter follows a logical progression using key objectives which relate to a range of activities and up to date evidenced based sources of information The range of depth and breadth of material is contemporary and as such should meet the academic managerial and clinical background of the reader Helen Matthews Senior Lecturer in Health and Community Care University of West London UK This book is a fantastic tool for students CAMHS Practitioners who are new in the field and professionals from

partner agencies It provides a comprehensive overview of CAMHS This book is very informative and easy to read Not only does it further CAMHS knowledge but poses excellent questions to the reader in order to encourage reflection on practice I would recommend this book highly to anybody who would like to further their knowledge and understanding of CAMHS as I believe it is an invaluable resource Celina Grant Previous Service manager CAMHS Designated Nurse for Safeguarding Children Ashford and Canterbury Coastal CCG UK

**Understanding and Supporting Refugee Children and Young People** Tina Rae, 2023-05-11 This book is the go to resource for those parents and professionals seeking to support children through the trauma of war and conflict Not only does it provide the evidence base for effectively integrating refugee children into their new schools but it also introduces the reader to a range of key tools and strategies to both understand and manage anxiety and trauma related behaviours Practical and user friendly it demystifies the process of talking about difficult topics providing helpful advice on how to do this in a trauma informed way making use of effective tools from therapeutic approaches to help our children and ourselves remain regulated and able to engage in post traumatic growth

*Pastoral Care to and Ministry with LGBTQ Youth and Young Adults* Arthur David Canales, 2022-06-14 Pastoral Care to and Ministry with LGBTQ Youth and Young Adults weaves sound theology and solid practice to offer insight and introspection about helping and ministering to some of our most vulnerable in our congregations and or parishes LGBTQ youth and young adults Moreover the book provides pragmatic pastoral strategies that can be successfully implemented into Christian youth ministries and young adult ministries The book examines traditional understandings of homosexuality and transgender in Scripture from a marginalized perspective The book analyzes current theological and pastoral practice and moves the needle to offer new insights and fresh ideas regarding pastoral care to and ministry with LGBTQ young people This book is perfect for youth young adult ministers lay leaders pastors parents and academics who are interested in LGBTQ issues topics and ministry The book invites students scholars and practitioners to understand the subtleties and nuances of providing pastoral care and ministry to God s queer young people For anyone serious about LGBTQ young people this book is a must

**Children and Young People's Mental Health** Tim McDougall, 2016-10-04 Children and Young People s Mental Health equips nurses and healthcare professionals with the essential skills and competencies needed to deliver effective assessment treatment and support to children and young people with mental health problems and disorders and their families Drawing on McDougall s Child and Adolescent Mental Health Nursing and taking the Cavendish Report and Willis Commission into account this new textbook has been designed to ensure those working in CAMHS can continue to provide a high quality evidence based service The book explores best practice in a variety of settings and addresses issues such as eating disorders self harm ADHD forensic mental health issues and misuse of drugs and alcohol in children and young people as well as child protection clinical governance safeguarding and legal requirements Furthermore with young people contributing directly to several chapters the book reflects the importance of involving them in planning delivering and evaluating CAMHS services It

is essential reading for all health and social care professionals and students working with children and young people particularly those working in specialist child and adolescent mental health settings      **Report of the Secretary's Task Force on Youth Suicide** United States. Department of Health and Human Services. Secretary's Task Force on Youth Suicide,1989      **Report of the Secretary's Task Force on Youth Suicide: Prevention and interventions in youth suicide** United States. Department of Health and Human Services. Secretary's Task Force on Youth Suicide,1989

*Depression Care Across the Lifespan* Lynne Walsh,2009-03-16 Depression Care across the Lifespan is a comprehensive practical text that aims to increase knowledge and understanding of depression enabling professionals to enhance the care delivered to patients with depression This text explores depression across all ages starting with children and teenagers through adulthood and finally old age Depression Care across the Lifespan explores depression amongst different groups including children and teenagers depression throughout the adult female lifecycle and depression in later life It also discusses the impact of depression in people with learning disabilities and those from ethnic minority and immigrant populations It also looks at topics including the causes and treatment of depression the impact of stress and depression upon work and wellbeing depression in chronic illness suicide and self harm and managing depression in primary and secondary care are included Key features Essential reading for practitioners involved in the care of depressed people Useful for students undertaking nursing health and social care courses Evidence based and supported by relevant literature Links policy with current practice across the whole lifespan
