

# HEAVEN'S GATE

THE SUICIDE CULT THAT SHOCKED THE WORLD

# Suicide Cult

**Marshall Kilduff, Ron Javers**

## **Suicide Cult:**

Sacred Suicide Carole M. Cusack, 2016-04-08 The label Suicide Cults has been applied to a wide variety of different alternative religions from Jonestown to the Solar Temple to Heaven's Gate. Additionally, observers have asked if such group suicides are in any way comparable to Islamist suicide terrorism or to historical incidents of mass suicide such as the mass suicide of the ancient community of Masada. Organizationally and ideologically diverse, it turns out that the primary shared trait of these various groups is a common stereotype of religion as an irrational force that pushes fanatics to undertake acts of suicidal violence. Offering a valuable perspective on New Religious Movements and on religion and violence, *Sacred Suicide* brings together contributions from a diverse range of international scholars of sociology, religious studies, and criminology.

**The Suicide Cult** Marshall Kilduff, Ron Javers, 1978 Homosexuality negative on p 56-57 Misha Schutt **Deadly Cults** Robert L. Snow, 2003-11-30 How does a Vampire Cult differ from a Satanic Cult? How do seemingly normal or ordinary citizens suddenly find themselves committed to a group whose leader promotes criminal activities and isolation from families and friends? What should you do if a loved one becomes indoctrinated by a potentially dangerous cult? This book focuses on various cults and their often criminal belief systems. Most readers are shocked by stories of mass suicides and ritualized cult killings, but few understand how such crimes come to be committed. Snow, a seasoned police officer with experience working on cult crimes, examines those cults that commit offenses from murder and fraud to kidnapping and sexual assault. By providing specific accounts of dangerous cults and their destructive acts, Snow illustrates how seemingly innocent groups can turn pernicious when under the sway of a charismatic leader with an agenda or when members take things too far. He offers advice on how to avoid falling victim to cult indoctrination, concluding with chapters on how to identify cults, how to protect yourself and your family, and what to do if a loved one is ensnared by such a group. Why People Die by Suicide Thomas Joiner, 2009-07-01 Drawing on extensive clinical and epidemiological evidence as well as personal experience, Thomas Joiner provides the most coherent and persuasive explanation ever given of why and how people overcome life's strongest instinct, self-preservation.

**The Bridgend Suicides** Ann Luce, 2016-08-10 This in-depth analysis looks at how suicide was represented in the British press when 20 young people between the ages of 15 and 29 took their own lives in the South Wales Borough of Bridgend in 2008. The chapters highlight specific categories of description that journalists use to explain suicide to their readers. The study also examines the discourses that emerged around suicide that continue to perpetuate stigma and shame when suicide occurs today. Using her own experience of having lost a loved one to suicide, coupled with original research, the author gives a very frank explanation of why suicide is not accepted in society today. **Suicide** Ronald M. Holmes, Stephen T. Holmes, 2005-08-04 Suicide is an ageless concern that has been with us as long as man has existed. Forbidden by all religions, suicide has nonetheless become such a practical problem that it is now an everyday concern, resulting in more annual deaths than homicide. Suicide must be seen as a societal and personal problem; it is a complex act.

with no simple explanation The motivation is multifaceted often not understood by the family or by other survivors Suicide Theory Practice and Investigation is the only text available in paperback form that offers an accessible overview of suicide in the United States Written by Ronald M Holmes and Stephen T Holmes two of the foremost authors of murder and violent crime books in the world this book examines the social problem and criminal justice concerns of suicide from unique perspectives The authors discuss the various forms of suicide and analyze the latest data on regional differences and how gender marital status occupation health drug use and religion all influence the practice of suicide Key Features Analyzes suicide letters to provide students with unique perspectives not found in other books Covers investigative techniques that will be of interest to professionals and students alike Includes carefully selected photos to explicate the material covered Categorizes suicide into different types including anomic egoistic altruistic and fatalistic to distinguish the various reasons for which people have taken their own lives Integrates notes within the chapters to show the state of mind for those who commit suicide Explores learnings from suicidal behavior to help readers recognize how better to prevent the practice Suicide is designed for undergraduate and graduate courses in departments of Criminology Criminal Justice Psychology and Forensic Science In addition it can also be used for a variety of other courses including Psychopathology Sociology of Deviance Abnormal Psychology and Violent Crimes This book will also be of interest to anyone looking for a clear understanding of the extent of suicide in the United States Suicides Prevention and the Ex-Wife of Narendra Modi Singh

M Parashar,2021-01-14 The Test of morality of euthanasia The suicider should ask himself Can I do some service to society by tolerating the unbearable pain created cancer The suicider wants his parents to weep by sitting near his dead body The suiciders should be punished according to the old French custom that is by carrying them to the graveyard with their bodies pointing in the downward direction A divorce is better than committing suicide due to the homosexuality of the husband

Suicide Thursday Will Carver,2022-11-24 A disenchanted man struggles to get beyond the first chapter of the books he s writing and to separate fact from fiction in his own life His friend s suicide changes everything The mind blowing heart rending new thriller from cult bestselling author Will Carver One of the most exciting authors in Britain Daily Express

\_\_\_\_\_ Eli Hagin can t finish anything He hates his job but can t seem to quit He doesn t want to be with his girlfriend but doesn t know how end things with her either Eli wants to write a novel but he s never taken a story beyond the first chapter Eli also has trouble separating reality from fiction When his best friend kills himself Eli is motivated for the first time in his life to finally end something himself just as Mike did Except sessions with his therapist suggest that Eli s most recent first chapters are not as fictitious as he had intended and a series of text messages that Mike received before his death point to something much much darker \_\_\_\_\_ Praise for Will

Carver One of the most compelling and original voices in crime fiction The whole thing feels like a shot of adrenaline Alex North Deliciously fresh and malevolent story telling Craig Sinsterson Weirdly page turning Sunday Times Laying bare our 21st

century weaknesses and dilemmas Carver has created a highly original state of the nation novel Literary Review Arguably the most original crime novel published this year Independent At once fantastical and appallingly plausible this mesmeric novel paints a thought provoking if depressing picture of modern life Guardian This book is most memorable for its unrepentant darkness Telegraph Unlike anything else you ll read this year Heat Incredibly dark and very funny Harriet Tyce Wickedly fun Crime Monthly Will Carver s most exciting original hilarious and freaky outing yet I loved it Helen FitzGerald Vivid and engaging and completely unexpected Lia Middleton Dark in the way only Will Carver can be oozes malevolence from every page Victoria Selman A wickedly dark and funny novel with a protagonist you can t help but root for Lisa Hall Move the hell over Brett Easton Ellis and Chuck Palahniuk Will Carv      **Killer Cults** Stephen Singular,2021-06-29 What s scarier than a murderer Someone with the charisma to compel others to kill for them or to kill themselves Meet these cult leaders and get an inside look at their beliefs and how they controlled others Some cults led by leaders like Charlie Manson Jim Jones and David Koresh are notorious But others are less well known such as Shoko Asahara and his doomsday cult Aum Shinrikyo who orchestrated the sarin gas attack on the Tokyo subway Or Joseph Di Mambro and Luc Jouret who founded the Order of the Solar Temple a doomsday cult that led to the death of 51 members by murder or suicide Then there is Marshall Applewhite leader of Heaven s Gate who along with 38 followers killed themselves in the belief that the Hale Bopp comet signaled the arrival of a spaceship that would transport them to a higher plane of existence What makes cult leaders so compelling is their often unfathomable power over their adherents Why do people kill others or themselves for a questionable set of beliefs Killer Cults tells the stories behind both famous and unfamiliar cults and the people behind them Across a series of profiles we learn the jaw dropping truth behind some of the most mystifying and deadly cults and their leaders all of whom led their followers down a dark murderous path      **American Suicide** Howard I. Kushner,1991 For the nineteenth century physician the moral issues that suicide raised could not be isolated from its constitutional components Thus those who exhibited suicidal tendencies were subjected to an amalgamation of pharmacological social and psychological interventions which practioners labeled the moral treatment By the 1890s however the consensus about the causes of suicide became unglued as a bacteriological medicine and the rise of the social sciences jointly served to call into question eclectic diagnoses The goal of American Suicide is to demonstrate how the apparent contradictions among sociological psychoanalytic and neurobiological explanations of the etiology of suicide may be resolved Only througha reintegration of culture psychology and biology can we begin to construct a satisfactory answer to the questions first raised by Durkheim Freud and Kraepelin

*Cults, Religion, and Violence* David G. Bromley,J. Gordon Melton,2002-05-13 This explores the question of when and why violence by and against new religious cults erupts and whether and how such dramatic conflicts can be foreseen managed and averted The authors leading international experts on religious movements and violent behavior focus on the four major episodes of cult violence during the last decade the tragic conflagration that engulfed the Branch Davidians in Waco Texas

the deadly sarin gas attack by the Aum Shinrikyo in Tokyo the murder suicides by the Solar Temple in Switzerland and Canada and the collective suicide by the members of Heaven s Gate They explore the dynamics leading to these dramatic episodes in North America Europe and Asia and offer insights into the general relationship between violence and religious cults in contemporary society The authors conclude that these events usually involve some combination of internal and external dynamics through which a new religious movement and society become polarized *Encyclopedic Handbook of Cults in America* J. Gordon Melton,2014-05-22 Covers the history founders beliefs and literature of over five hundred nonconventional and alternative religious movements **Shakespeare's Suicides** Marlena Tronicke,2017-11-22

Shakespeare s Suicides Dead Bodies That Matter is the first study in Shakespeare criticism to examine the entirety of Shakespeare s dramatic suicides It addresses all plays featuring suicides and near suicides in chronological order from Titus Andronicus to Antony and Cleopatra thus establishing that suicide becomes increasingly pronounced as a vital means of dramatic characterisation In particular the book approaches suicide as a gendered phenomenon By taking into account parameters such as onstage versus offstage deaths suicide speeches or the explicit denial of final words as well as settings and weapons the study scrutinises the ways in which Shakespeare appropriates the convention of suicide and subverts traditional notions of masculine versus feminine deaths It shows to what extent a gendered approach towards suicide opens up a more nuanced understanding of the correlation between gender and Shakespeare s genres and how eventually through their dramatisation of suicide the tragedies query normative gender discourse Heaven's Gate George D.

Chryssides,2016-12-05 On March 26 1997 the bodies of 39 men and women were found in an opulent mansion outside San Diego all victims of a mass suicide Messages left by the Heaven s Gate group indicate that they believed they were stepping out of their physical containers in order to ascend to a UFO that was arriving in the wake of the Hale Bopp comet The Heaven s Gate suicides were part of a series of major incidents involving New Religions in the 1990s as the new millennium approached Despite the major attention that Heaven s Gate attracted at the time of the suicides there have been relatively few scholarly studies This anthology on Heaven s Gate includes a combination of articles previously published in academic journals some new writings from experts in the field and some original Heaven s Gate documents All the material is expertly brought together under the editorship of George D Chryssides *Religion, Politics and Cults in East Africa* Emmanuel K. Twesigye,2010 Religion Politics and Cults in East Africa is the first major original and extensive research based study of the apocalyptic and doomsday Catholic Marian Movement and its Benedictine monastic moral and religious practices including vows of poverty celibacy obedience daily contemplation in silence and hard work The Marian Movement is presented within the cultural historical political and religious context of the East African Revival Movement the Anglican Balokole Movement Alice Lakwena s Holy Spirit Movement Joseph Kony s Lord s Resistance Army LRA and other religio political liberation movements including the Maji Maji the Mau Mau and Nyabingi Liberation Movement The Marian Movement was locally

known as Abanyabugoto and The Movement for the Restoration of the Ten Commandments of God It began in 1989 as a Catholic women s Marian devotional and moral reformation movement founded and headed by Keledonia Mwerinde Faced with African cultural patriarchy and male dominated Catholic Church hierarchy Mwerinde recruited Joseph Kibwetere and the Rev Fr Dominic Kataribabo to serve as the public face of the Marian Movement In response to Catholic hierarchy s opposition and persecution Fr Kataribabo designed a theology of ritual sacrifice atonement and martyrdoms for the devout Marian Catholics who were devotees of the Blessed Virgin Mary He martyred the Marian devotees in March 2000 in order to transform them into Mary s saints and to liberate their souls and send them to heaven where they would instantly attain eternal life lasting peace and happiness Publisher s website

*Social Constructionisms* Titus Hjelm,2014-05-22 Social constructionism is one of the key ideas in the social sciences offering different frameworks for understanding the human world But what does it mean when we say that something is socially constructed What exactly do we construct in our social interaction And what actually does the constructing This dynamic text invites critical reflection on these questions and more outlining the various ways that social constructionist theory has been utilised in the social sciences Hjelm introduces the basic assumptions of social constructionism before examining the differences between various constructionist traditions and perspectives from Berger and Luckmann s sociology of knowledge to constructionist approaches in social psychology and discourse analysis Through a diverse range of case studies on religion crime gender and the media the chapters demonstrate how to apply constructionist ideas in empirical social research *Social Constructionisms* is thus an invaluable source for students and scholars across the social sciences

**Hope and Feminist Theory** Rebecca Coleman,Debra Ferreday,2013-12-16 Hope is central to marginal politics which speak of desires for equality or simply for a better life Feminism might be characterised as a politics of hope a movement underpinned by a utopian drive for equality This version of hope has been used for example in Barack Obama s phrase the audacity of hope a mobilisation of an affirmative politics which nevertheless implies that we are living in hopeless times Similiarly in recent years feminism has seen the production of a prevailing mood of hopelessness around a generational model of progress which is widely imagined to have failed However as a number of feminist theorists have pointed out the temporality of feminism cannot be conceived as straightforwardly linear feminism can only be imagined as having failed if it is understood as a particular set of relations and things This collection grapples with the question of hope how it figures and structures feminist theory as both a movement towards certain goals and as inherently hopeful Questions addressed include Does hope necessarily imply a fantasy of perfectibility a progression to a utopian future Might it also be conceived in other ways as an attachment A lure Does life tend towards hope happiness optimism And if so what are the consequences when hope fails Who decides which hopes are false What is the cost of giving up hope This book was published as a special issue of the *Journal for Cultural Research*

**Mystics and Messiahs** Philip Jenkins,2000 In this full length account of cults and anti cult scares in American history Jenkins gives accurate

historical perspective and shows how many of today's mainstream religions were originally regarded as cults

Encyclopedia of Death and the Human Experience Clifton D. Bryant, Dennis L. Peck, 2009-07-15 Death and dying and death related behavior involve the causes of death and the nature of the actions and emotions surrounding death among the living Interest in the varied dimensions of death and dying has led to the development of death studies that move beyond medical research to include behavioral science disciplines and practitioner oriented fields As a result of this interdisciplinary interest the literature in the field has proliferated This two volume resource addresses the traditional death and dying related topics but also presents a unique focus on the human experience to create a new dimension to the study of death and dying With more than 300 entries the Encyclopedia of Death and the Human Experience includes the complex cultural beliefs and traditions and the institutionalized social rituals that surround dying and death as well as the array of emotional responses relating to bereavement grieving and mourning The Encyclopedia is enriched through important multidisciplinary contributions and perspectives as it arranges organizes defines and clarifies a comprehensive list of death related perspectives concepts and theories Key Features Imparts significant insight into the process of dying and the phenomenon of death Includes contributors from Asia Africa Australia Canada China eastern southern and western Europe Iceland Scandinavia South America and the United States who offer important interdisciplinary and cross cultural perspectives Provides a special focus on the cultural artifacts and social institutions and practices that constitute the human experience Addresses death related terms and concepts such as angel makers equivocal death end of life decision making near death experiences cemeteries ghost photography halo nurses caregiver stress cyberfunerals global religious beliefs and traditions and death denial Presents a selective use of figures tables and images Key Themes Arts Media and Popular Culture Perspectives Causes of Death Conceptualization of Death Dying and the Human Experience Coping With Loss and Grief The Human Experience Cross Cultural Perspectives Cultural Determined Social Oriented and Violent Forms of Death Developmental and Demographic Perspectives Funerals and Death Related Activities Legal Matters Process of Dying Symbolic Rituals Ceremonies and Celebrations of Life Theories and Concepts Unworldly Entities and Events With an array of topics that include traditional subjects and important emerging ideas the Encyclopedia of Death and the Human Experience is the ultimate resource for students researchers academics and others interested in this intriguing area of study

*Abnormal Psychology, Fifth Edition* Ronald J. Comer, 2004 Extensive updating throughout and a dramatically enhanced media and supplements package including all new video case studies makes this new edition of Abnormal Psychology the most effective yet

## **Suicide Cult Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Suicide Cult has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Suicide Cult has opened up a world of possibilities. Downloading Suicide Cult provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Suicide Cult has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Suicide Cult. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Suicide Cult. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Suicide Cult, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Suicide Cult has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

## FAQs About Suicide Cult Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Suicide Cult is one of the best book in our library for free trial. We provide copy of Suicide Cult in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Suicide Cult. Where to download Suicide Cult online for free? Are you looking for Suicide Cult PDF? This is definitely going to save you time and cash in something you should think about.
