## **Suicide Prevention:**

**The Essentials of Suicide Prevention** Karen Mason, 2023-01-24 Suicide is a growing tragedy in the US and in the church. We can stop the climbing numbers of suicide deaths but it is going to take everyone working together including the church. Without the church, suicidal people may not hear the life affirming messages they need to hear. Without an informed church, people who have lost loved ones to suicide may leave the church. Too often the church watches from the sidelines not knowing what to do. Why is it that the wider secular culture is more engaged in suicide prevention than God's people, especially given that Christians care deeply about the sanctity of life? The apostle Paul modeled suicide prevention for the church when he stopped the suicide of the Philippian jailer. But pastors and congregants may not know how to follow his example. The result is that people who struggle with suicide or who have lost loved ones to suicide wonder if the Bible or their church have anything relevant to say about suicide. This book will provide the resources needed to help prevent suicide in a church even when a church does not want to start one more program.

Designed as a handbook for busy educators, **A Culture of Caring: A Suicide Prevention Guide for Schools K-12** includes information about prevention, intervention, and postvention along with commentary from experts in the field. Each chapter stands alone and does not have to be read in sequence. Resources and descriptions of programs relevant to each chapter are organized by topic. School leaders, counselors, and teachers can use the information to create their own plans or just glance through it to get ideas. With this book, any school community that takes suicide prevention seriously will have access to the knowledge, tools, and resources to save lives.
