Suing The Press Libel And The Media:

Suing the Press Rodney A. Smolla, 1987 From Carol Burnett vs The National Enquirer to William Westmoreland vs CBS lawsuits against the media have made their own headlines in recent years This spirited account offers a close look at these attacks on the press and what they reveal about American culture the legal system and libel law and the way the press operates Why Rodney Smolla asks have so many people people as various as Ralph Nader Clint Eastwood Lillian Hellman and Jerry Falwell taken to suing the press Are they mainly interested in money vengeance or the restoration of honor Is the press under fire because it has grown too arrogant Are Americans becoming too thin skinned too devoted to self image How important is the protection of reputation and privacy in American society To shed light on these and other issues Smolla examines both individual lawsuits and broader themes involving the economics of media litigation the cultural forces that affect libel judgments and the special problems posed by particular types of expression such as fictional works The media outlets discussed are as varied as the personalities initiating the suits from The Washington Post and The New York Times to Penthouse and Hustler Always lively and provocative this book reveals much about the media s shortcomings and virtues as well as the American character itself *The Law of Public Communication, 11th Edition* William E.
