*Sullivan's Run* Andrew Vaillencourt, 2019-07-11 John Sullivan didn't ask to be born and he certainly didn't ask to be crazy But that's what happens when somebody else gets to pick out your DNA Under the Genetic Equity Act of 2141 all artificial modifications granting unfair advantage belong to society As the genetically engineered son of a famous mobster Sullivan's physical gifts and illegal provenance condemn him to a life of government service hunting and apprehending others like himself It's a perfect fit for Sullivan Cursed with a state of unending aggression and neurologically inhibited from interacting with his anger fieldwork is the only place he can explore his psychological demons without revealing how unhinged he really is A disconcerting shift in his volatile mental state becomes frantic race against time when a brilliant scientist disappears with a groundbreaking discovery Things start to go awry when the trail leads to a lawless underground metropolis filled with refugees and revolutionaries Deep beneath the surface new trials and unpleasant discoveries will challenge everything he knows about himself and his place in the world Is John Sullivan a hero A psychopath Not even he knows for sure and finding out means running a dangerous gauntlet of ruthless enemies Whatever the answer the world will be a very different place after the last brutal strides of SULLIVAN'S RUN

**Sullivan's Stand** Andrew Vaillencourt, 2019-12-15 John Sullivan is all done running A hunted haunted man the genetically modified fighter takes to the streets in search of his mobster father and answers to some very tough questions The answers he gets take Sullivan and his allies to the far corners of the continent where he must

confront the terrifying consequences of genetic engineering practices unencumbered by morality For some people the last war never ended and for others the next one has already begun A mysterious woman a new foe and the horrifying truth of what has been going on since the end of the great war gnaws at Sullivan s fragile sanity Will this journey through his own personal heart of darkness finally break Sullivan s tenuous control over his dark side Even he doesn t know for sure But one thing is certain The time for running is over With the enemy at the gates and time running out Sullivan is not giving up an inch Not this time This time John Sullivan is making a stand
