A Diary of Travels in Europe During the Summer of 1881 C. Pearson, 2025-07-20 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Baker's Four Seasons** Marcy Goldman, 2014 Presents over 175 baking recipes organized by season and by recipe complexity along with beverage recipes and source guide for ingredients tools and equipment **Living Ahimsa Diet: Nourishing Love &&&&&&& Life** , *Body, Mind, and Sport* John Douillard, 2018-08-14 Until recently the effortless Zone of peak performance was only within the reach of serious athletes Now with Body Mind and Sport anyone can reach the Zone regardless of fitness level Designed to accommodate a variety of individual fitness needs the Body Mind and Sport program is split into two levels Level 1 is for non athletes who want to improve overall fitness Level 2 is for those who want to train for competitive or recreational purposes Your own unique mind body type is taken into account to guide you in achieving your personal best without stress or strain In this revised and updated edition of Body Mind and Sport fitness expert and trainer John Douillard outlines a program in which your individual seasonal constitution Winter Spring or Summer determines what exercises or sports are best suited to your mind body type and what foods you should eat for optimum results Using the Body Mind and Sport approach you can decrease heart and breath rates while improving both fitness and performance Dozens of world class athletes including Martina Navratilova and Billie Jean King have used John Douillard s expert breathing techniques dietary recommendations and seasonally balanced workouts Now you can too **A Subaltern's Musings** A. James Mann, 1918 FDA Consumer , 2003 A Manual of Weathercasts Andrew Steinmetz, 1866 The Accidental Immigrant David Bouchier, 2004-06-24 Transatlantic humorist David Bouchier brings wit wisdom and a touch of philosophy to the everyday dramas of American suburban life This book brings together more than a hundred essays originally broadcast on National Public Radio or published in his Out of Order column in the Sunday New York Times When work and marriage brought David Bouchier to Long Island in 1986 the endless suburbs seemed mysterious and exotic to him He was inspired to begin writing essays and newspaper columns about his life there a personal and public diary of the Resident Alien experience In 1992 a weekly public radio essay was added to the newspaper columns and thousands of listeners still enjoy David s weekly radio broadcasts These are the affectionate and sometimes acerbic observations of an Accidental Immigrant who still finds life in America endlessly stimulating and wonderfully strange David Bouchier s thoughts about love life liberty and the pursuit of happiness in the suburbs will make you smile and make you think Boring suburban rituals like lawn care mall shopping wedding rehearsals and barbecues will never seem the same again **Imaginings of Time in Lydgate and Hoccleve's Verse** Karen Elaine Smyth, 2016-05-13 Using empirical research to explore medieval writers imaginings of time this study presents a new morphology by which to study narratives

of time in fifteenth century literary culture focusing on poems of John Lydgate and Thomas Hoccleve Karen Smyth begins with an overview of medieval time keeping devices and considers collective and individual attitudes and perceptions of time She then examines a range of Middle English authors appropriations and innovations in relation to such perceptions identifying competitions of tradition and innovation allowing for an interrogation of commonly accepted medieval theories of time An empirically based morphology emerges and is used to examine narratives of time in Lydgate and Hoccleve s work Through a series of close readings of selected short poems and Lydgate s Troy Book Fall of Princes and Siege of Thebes and of Hoccleve s Regiments of Princes and Series Karen Smyth looks at expressions of time and examples of the authors negotiation of time consciousness illustrating how both poets manipulate a range of cultural narratives of time in order to create multiple and sometimes competing temporalities within a single poem Smyth simultaneously draws attention to Lydgate s and Hoccleve s underestimated artistic skills and lays out a means to re evaluate medieval cultural attitudes towards time

Shaping Summertime Experiences National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Summertime Experiences and Child and Adolescent Education, Health, and Safety, 2019-12-30 For children and youth summertime presents a unique break from the traditional structure resources and support systems that exist during the school year For some students this time involves opportunities to engage in fun and enriching activities and programs while others face additional challenges as they lose a variety of supports including healthy meals medical care supervision and structured programs that enhance development Children that are limited by their social economic or physical environments during the summer months are at higher risk for worse academic health social and emotional and safety outcomes In contrast structured summertime activities and programs support basic developmental needs and positive outcomes for children and youth who can access and afford these programs These discrepancies in summertime experiences exacerbate pre existing academic inequities While further research is needed regarding the impact of summertime on developmental domains outside of the academic setting extensive literature exists regarding the impact of summertime on academic development trajectories However this knowledge is not sufficiently applied to policy and practice and it is important to address these inequalities Shaping Summertime Experiences examines the impact of summertime experiences on the developmental trajectories of school age children and youth across four areas of well being including academic learning social and emotional development physical and mental health and health promoting and safety behaviors It also reviews the state of science and available literature regarding the impact of summertime experiences In addition this report provides recommendations to improve the experiences of children over the summertime regarding planning access and equity and opportunities for further research and data collection
