Discovering Your Inner Abilities Dr. Ignatius Ekanem, 2010-03-23 God has given every human being tremendous abilities but many times we fail to utilize them because we don t recognize them as such The main reasons for not recognizing our abilities are because sometimes they can come too naturally and too easily to be real and other times because of lack of self esteem Abilities that are not discovered cultivated and nurtured remain dormant untapped and wasted Many people have plodded along all their lives and sometimes gone to their graves without discovering and utilizing their abilities Consequently they have not really been of benefit to themselves and to their own generation This book provides the keys to discovering your inner abilities The book will help you to break free from low self esteem inadequacies rejection and to appreciate that you have what it takes to accomplish your purpose in life Your abilities are like gold you have to dig for them in order to bring them out

Wallace Stevens and the Seasons George S. Lensing, 2004-04-01 This fruitful pairing of literary and biographical interpretation follows Wallace Stevens s poetry through the lens of its dominant metaphor the seasons of nature and illuminates the poet s personal life experiences reflected there From Stevens s first collection *Harmonium* 1923 to his last poems written shortly before his death in 1955 George S Lensing offers clear and detailed examination of Stevens s seasonal poetry including extensive discussions of *Autumn Refrain* *The Snow Man* *The World as Meditation* and *Credences of Summer* Drawing upon a vast knowledge of the poet Lensing argues that Stevens s pastoral poetry of the seasons assuaged a profound and persistent personal loneliness An important scholarly assessment of a major twentieth century modernist *Wallace Stevens and the Seasons* also serves as an appealing introduction to Stevens
