The summer I dared [text in Hebrew] Barbara Delinsky,2006 *The Book of Summer* James F. David,2008-06-03 Continuing the story he had begun in Judgment Day David presents the next book in his Christian apocalyptic series a new exciting tale of faith and redemption as Earth is abandoned and humanity begins to inhabit the far reaching universe Original *All the Queen's Horses and All the Queen's Men* Chase Baldewyn,2015-04-26 Follow Summer Lambert as megastore money paves the way to the top of the equestrian sport of competition show riding for her and her daughter Berkeley With her plutocrat father in law Rolf Lambert as her money and power coach and self serving Denise as her trainer Summer clears the path to the top of riding for herself and her daughter by eliminating any competition from the middle class riders But without recognizing the essential worth of excellence the vital strengthening effect of competition and the fundamental interdependence of all classes in our society has Summer really won Or has Summer simply revealed the epidemic of lies and spin in our society driven by the covert greedy actions of the plutocrats Has she simply exposed the existence of a new form of royal oppression in America an ideology that is eliminating the American Dream and turning America into a two tiered society of an upper royal class and a lower service class rather than one with a strong producer middle class

The Summer Friend Charles McGrath,2023-06-13 Alive with the intoxicating magic of summer in New England former editor of the New York Times Book Review Charles McGrath s evocative memoir looks back at that sun soaked season at family youth and a singular bond made at a time when he thought he was beyond making friends Sun drenched and deeply touching The New York Times Positively aches with beauty and loss Richard Russo Pulitzer Prize winning author of Empire Falls It was early evening and a new acquaintance had come to retrieve his daughter from a play date Instead of driving up in a minivan he arrived by water tacking his sailboat smartly across a squiggly channel in the marsh throwing a rope overboard and zipping back home his gleeful daughter riding in the wake Who knew you could do such a thing And how could you resist befriending a man such as that Over the course of this rich memoir McGrath recalls with a gimlet eye the pleasures of summers past amateur lobstering 9 hole golf family costume charades bridge jumping and a friendship forged between two men from different backgrounds who came together late in life Recounting the vagaries of summer with such precision and warmth peeling long strips of sunburnt skin from your shoulder as if shuffling off your own cocoon the outdoor shower curtain blowing open in the breeze an M80 firework in the mailbox The Summer Friend is simultaneously a potent evocation of the rhythms and rituals of summer and a stirring remembrance of a friend found and then lost
