The Height of Summer: New Plays from Williamstown Theatre Festival 2015-2021 Martyna Majok, Anna Ziegler, Sylvia Khoury, Bess Wohl, Dominique Morisseau, Harrison David Rivers, 2022-06-30 Few institutions have as profound an impact on the American theatrical landscape as the Tony Award winning Williamstown Theatre Festival located in Williamstown Massachusetts New Plays from Williamstown Theatre Festival 2015 2021 provides a sample of the dozens of plays that have been created and or premiered at the Festival during the Artistic Directorship of Mandy Greenfield In addition to stories that shine a light into new or underexplored corners of the human condition these plays frequently feature complex and boundary pushing central roles for women actors These six plays are manifestations of living American playwrights grappling with and breathing dramatic life into the conflicts and questions at the heart of who we were who we are and who we will become These plays imagine and interrogate pieces of the human experience we are still in the midst of unpacking and understanding Complete with introductions by each of the authors reflecting on their work these historic award winning and groundbreaking plays now live in conversation with one another in this unique collection *A Select Collection of Old Plays: Summer's last will and testament; Microcosmus; The Muse's looking-glass; The city-match; The Queen of Arragon (cont.)*

Robert Dodsley, 1825 **Summer's Last Will and Testament** Thomas Nashe, 2015-12-22 This early work by Thomas Nashe was originally published in 1600 and we are now republishing it with a brand new introductory biography Summer's Last Will and Testament is an Elizabethan era stage play that broke new ground in the development of English Renaissance drama Thomas Nashe was born in November 1567 He was an English Elizabethan Pamphleteer playwright poet and satirist but little is known with certainty about his life Much of the information we have has been inferred from his writings Nashe's first appearance in print was his preface to Robert Greene's Menaphon 1589 in which he offers a brief definition of art and an overview of contemporary literature His early exercise in euphuism The Anatomy of Absurdity was published in the same year From then on Nashe became involved in numerous political and religious causes including the Martin Marprelate controversy where he sided with the bishops Nashe offers an important insight into the workings of 16th century English life and his writings will continue to be studied for both their literary content and historical relevance *A Select Collection of Old Plays: Will summer's last will and testament; Microcosmus; The Muse's looking-glass; The city-match; The Queen of Arragon* Robert Dodsley, 1825 *Through Wolf's Eyes* Wayne R. University, A Literary Journal and Political Journal ,1871 **Geographies of Campus Inequality** Janel E. Benson,Elizabeth M. Lee,2020-07-31 In efforts to improve equity selective college campuses are increasingly focused on recruiting and retaining first generation students those whose parents have not graduated from college In *Geographies of Campus Inequality* sociologists Benson and Lee argue that these approaches may fall short if they fail to consider the complex ways first generation status intersects with race ethnicity and gender Drawing on interview and survey data from selective campuses the authors show that first generation students do not share a universal experience Rather first generation students occupy one of four disparate geographies on campus within which they negotiate academic responsibilities build relationships engage in campus life and develop post college aspirations Importantly the authors demonstrate how geographies are shaped by organizational practices and campus constructions of class race and gender *Geographies of Campus Inequality* expands the understanding of first generation students campus lives and opportunities for mobility by showing there is more than one way to be first generation Forever One Summer George M. Leon,2007-11-20 This is a love story based on events that occurred in my life more than fifty years ago Some of the names have been changed and some events may have been diminished or embellished while recalling things that happened when writing the story The story is a based on recollections of actual experiences I had It is a story filled with discovery joy and the innocence of teenage years back in the fiftys It also shows how those years became the building blocks of a lifetime The motivation for writing this came from an extraordinary thing that happened to me in the Spring of 2006 that stirred my memory and caused me to recall with clarity what I had so long ago buried in my subconscious mind I met a person who became a good friend but more importantly she reawakened everything I had discovered in that one magical summer back in 1954 Looking back as an adult

fifty years later made me realize that there is symmetry in life but many people never take the time to see it This all started for me when we returned from our Winter Condo in Boca Raton Florida in April of 2006 As per my usual morning routine I continued to awaken early and go over to Starbucks to sit and have my morning cup of Decaf Americano Id sit there and read the Daily News or the New York Times and chat with some fascinating people I had met whod become friends in the several years since I retired One particular April morning I came in and they had a new person in charge of the morning shift working there From the moment I saw her I could not stop looking at her There was something instantly so familiar about her but I wasnt able to see exactly what it was initially When I made the connection with what it was it hit me like a ton of bricks After we were introduced we began chatting briefly but the more we made small talk the less I actually heard what she was saying as memories of my past flooded back All of a sudden I was fifteen years old again I knew then I had to sit down and somehow get this written I also knew I would at some point have to share this amazing story with her if or when I got to know her better It was interesting recalling my early childhood and the events that brought me to that wonderful summer of discovery and falling in love for what I believed then to be the first and last time in my life That summer held some of the keys to the person I would become as I grew up and dealt with life at all ages

The development of the comic fiure in the German drama from the reformation to the thirty years' war Wilhelma Charlotte Garvin,1923 **Summer Duke** Paul Weightman,2019-06-16 A magical language An enchanted flame A word to save everything Seven year old Summer Duke has always hated dragons and the magic they bring ever since the ash dragon Dark Crimzon murdered her sister Every year Summer endures the Dragon s Decade Festival celebrating the dragon s delivery of an enchanted flame The enchanted flame kills but also provides magic that keeps the Northern Invaders at bay Until this year The dragon that Summer hates the most never comes leaving her kingdom vulnerable to attack Separated from her mother Summer joins forces with two very different princes on a death defying journey of magic and adventure to save all that she holds dear Public Health, Michigan ,1923 *The Book of Basketball* Bill Simmons,2009-10-27 1 NEW YORK TIMES BESTSELLER The wildly opinionated thoroughly entertaining and arguably definitive book on the past present and future of the NBA from the founder of The Ringer and host of The Bill Simmons Podcast Enough provocative arguments to fuel barstool arguments far into the future The Wall Street Journal In The Book of Basketball Bill Simmons opens and then closes once and for all every major NBA debate from the age old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up the result being the Pyramid Simmons s one of a kind five level shrine to the ninety six greatest players in the history of pro basketball And ultimately he takes fans to the heart of it all as he uses a conversation with one NBA great to uncover that coveted thing The Secret of Basketball Comprehensive authoritative controversial hilarious and impossible to put down even for Celtic haters The Book of

Basketball offers every hardwood fan a courtside seat beside the game's finest, funniest and fiercest chronicler. **Digital Humanities and the Lost Drama of Early Modern England** Matthew Steggle, 2016-04-22 This book establishes new information about the likely content of ten lost plays from the period 1580-1642. These plays' authors include Nashe, Heywood and Dekker, and the plays themselves connect in direct ways to some of the most canonical dramas of English literature, including *Hamlet*, *King Lear*, *The Changeling* and *The Duchess of Malfi*. The lost plays in question are *Terminus*, *Richard the Confessor* 1593, *Cutlack* 1594, *Bellendon* 1594, *Truth's Supplication to Candlelight* 1600, *Albere Galles* 1602, *Henry the Una* c. 1619, *The Angel King* 1624, *The Duchess of Fernandina* c. 1630-42 and *The Cardinal's Conspiracy* bef. 1639. From this list of bare titles, it is argued, can be reconstructed comedies, tragedies and histories whose leading characters included a saint, a robber, a Medici duchess, an impotent king, at least one pope and an angel. In each case, newly available digital research resources make it possible to interrogate the title and to identify the play's subject matter, analogues and likely genre. But these concrete examples raise wider theoretical problems: What is a lost play? What can and cannot be said about objects in this problematic category? Known lost plays from the early modern commercial theatre outnumber extant plays from that theatre, but how, in practice, can one investigate them? This book offers an innovative theoretical and practical frame for such work, putting digital humanities into action in the emerging field of lost play studies. *Summer Educational Opportunities*

Ella Burgess Ratcliffe, 1932 **The Complete Index to Literary Sources in Film** Alan Goble, 2011-09-08 No detailed description available for *The Complete Index to Literary Sources in Film*. **Songs of Experience** William Blake, 1984-01-01 One of Blake's most inspired creations, *The Tyger* mingles the lyric and mystical in an exquisite union. Now you can experience the beauty of this and other poems the way Blake intended them, with his own hand-colored illustrations giving them visual form. This facsimile edition of one of Blake's celebrated *Illuminated Books* reproduces a collection of calligraphed poems, each enclosed in a masterful full-color illustration. Twenty-six plates reprinted from a rare 1826 etched edition include *London*, *A Little Boy Lost*, *Holy Thursday*, *The Voice of the Ancient Bard*, and other immortal verse. To enhance reading, the texts of all the poems are transcribed separately, following the plates. Dynamic designs and simplicity of language convey Blake's vision of mankind and his condemnation of a wealthy society insensitive to poverty and unhappiness. Moreover, its universal themes make *Songs of Experience* just as poignant and profound today. Lovers of literature and fine art will want to add this faithful, inexpensive facsimile of an immortal classic to their libraries. **The Complete Poems** William Blake, 2004-06-24 One of the great English Romantic poets, William Blake (1757-1827) was an artist, poet, mystic and visionary. His work ranges from the deceptively simple and lyrical *Songs of Innocence* and their counterpoint *Experience*, which juxtapose poems such as *The Lamb* and *The Tyger*, and *The Blossom* and *The Sick Rose*, to highly elaborate apocalyptic works such as *The Four Zoas*, *Milton* and *Jerusalem*. Throughout his life, Blake drew on a rich heritage of philosophy, religion and myth to create a poetic world illuminated by his spiritual and revolutionary beliefs that have fascinated, intrigued and

enchanted readers for generations
