## **Summers End:**

*Summers End* Juneau Black, 2024-07-09 A unique take on dark academia featuring everyone's favorite vulpine sleuth Vera Vixen. It's late August in Shady Hollow and intrepid reporter Vera Vixen agrees to chaperone the school's annual field trip to Summers End, an ancient tomb built by an early woodland culture. Naturally, her good friend Lenore Lee comes along to help her. But when the group enters the tomb one morning, they find a corpse that is distinctly more modern than expected. Digging deeper, Vera and Lenore discover that the deceased was involved in the recent excavation at the site and very unpopular with their colleagues, including Lenore's sister Ligeia. Now the fox and raven must delve into the dark world of academia and archaeology to clear Ligeia's name. Some creature at Summers End thought they were clever enough to get away with the perfect murder. Can Vera and Lenore unearth the truth in time? Summer's End John Van Stry, 2022-12-06 SOMETIMES A DARK PAST CAN HAUNT YOU. OTHER TIMES IT JUST MAY BE THE ONLY THING KEEPING YOU ALIVE. Fresh out of college with his Ship Engineer 3rd Class certificate, Dave Walker's only thought is to try to find a berth on a corporate ship plying the trade routes between the many habitable orbitals and moons in the Solar System. The problem for Dave, however, isn't his straight C average; it's that his stepfather, a powerful Earth Senator he's never met, now wants him dead. Forced to take the first berth he can find, Dave ends up on the Iowa Hill, an old tramp freighter running with a minimal crew and nearing the end of its useful life, plying the routes that the corporations ignore and visiting the kinds of places that the folks on Earth pretend don't exist. Between the assassins, the criminals, and the pirates he needs to deal with, Dave is discovering that there are a lot of things out there that he still needs to learn. But there's one hard lesson he learned long ago: that he's being forced to remember how to be ruthless. At the publisher's request, this title is sold without DRM. **Toronto Island Summers** Jim Sanderson,2016-10-03 At this distance in time the world of young people growing up in the fifties and sixties seems impossibly idyllic Boys and girls roamed free baseball and bicycles were the top summer activities and no one worried about whether occasional hot dogs and french fries were healthy Of all the places to spend a summer at a cottage camp or lake nowhere was as exotic as Toronto Island Only a short ferry ride from the downtown it was a world apart Several hundred Toronto families had their summer vacation homes on the island But the place also boasted a kind of midway a beach that attracted exotic daytime visitors from the city yacht clubs and fishermen In this memoir lifelong Torontonians Jim Sanderson takes readers back to the idyllic summers he spent at his family s cottage on the island in the 1950s and 1960s For Jim and the other island kids the woods beaches and lagoons of the island were their playground They camped in the woods defended their beaches from the visiting city slickers and fished for the elusive mythical Golden Carp in the lagoons Jim Sanderson s experiences will echo those of any other Canadian who grew up in the same era but with the special perspective of a young person on Toronto Island in the 1950s and 1960s and on the nuances of the city s awkward relationship with the great recreational resource that the Toronto Island represents With informal snapshot photos from Island residents of the period that illustrate the exquisite pleasures of island life Toronto Island Summers takes readers back to a simpler time when nature family and friendship reigned supreme

carried back from Redoubt Island Indeed were Sella and Lessie able to convince their angry Grandfather to forgive them for so often making a fool of him and welcome the new age that that message promised The answers to these and many other questions and mysteries can be found in the pages of The Prisoner of Cimlye A Romance of the Tropic Sea Please note A new version was uploaded on 13 January 2021 Fingers crossed hopefully it will fix the problems downloading this book noted by some reviewers C Litka writes old fashioned novels with modern sensibilities humor and romance He spins tales of adventure mystery and travel set in richly imagined worlds featuring casts of colorful fully realized characters If you seek to escape your everyday life for a few hours you will not find better company nor more wonderful worlds to travel and explore than in the novels of C Litka **Catalog of Copyright Entries.
